Copy of letter R.C.No.840/49 dated 21st September, 1950 from the Principal, Government College, Kumbakonam to the Director of Public Instruction, Madras.

Subject: Indents for Physics Department—Government College, Kumbakonam—1950-51—Sanction requested.

I submit herewith the indent in two sets for the Physics Department of this College, the first main indent for apparatus and materials for Rs. 5512-12-0 including the cost of freight, packing etc., charges and the other supplementary indent for Rs. 3499-12-0.

The main indent contains the articles which will be ordered in the first instance. The supplementary indent contains the articles which will be ordered to the extent necessary in case the main indent is not fully supplied. I, therefore, request that both the indents may kindly be approved to save further correspondence and consequent delay.

The prices quoted are approximate prevailing in the market. Orders will be placed only with the lowest quoting firms consistent with qualify.

The cost of the Main indent is within the available allotment for 1950-51 of Rs. 23130/- under Laboratory charges. The progressive total of expenditure including this indent will be Rs. 19343/- only inclusive of the previous indents of the Natural Science Department and Chemistry Department submitted and approved.

As many of the articles included in the indent are of standard foreign make and require time for manufacture I request, that in anticipation of sanction of Government I may be permitted to place the orders out of the main indent to the companies.

(True copy).
