Sir,

Subject: Stipends to Hindustani Teachers of Aided institutions undergoing Pracharak training

Reference Government Endt No. 68321 B1/49-1 Edn dated 12-9-49 p 2 ante

--

In their Order No. 910 Edn dated 29-3-49 the Government permitted Local Boards to depute teachers in their employ for training as Hindustani Pracharaks and sanctioned pay and allowances for such teachers at the rates specified therein. The Government however refused to sanction a grant from Provincial Funds towards that expenditure. (V) 453-54 of

2 The Secretary, Hindi Prachara Sabha now requests that similar permission may be granted to aided schools. But aided managements will not ordinarily depute teachers unless a grant is given towards the expenditure. As it is, the expenditure incurred by the aided managements in deputing teachers for Physical Training course viz. full salary of the teachers deputed, plus a maximum expenditure of Rs 250/- towards fees and books is allowed for grant. In the case of secondary grade Trained teachers deputed to undergo B.T. or B.Ed. Training half the salary of the teacher is allowed as grant.

Part II note on pp 11-12 of (V)

3 Similarly the Government may permit the aided managements to depute teachers for the Hindustani Pracharak training and where the managements depute teachers for such training the expenditure on the pay and allowances mentioned in G.O. No. 910 Edn dated 29-3-49 may be admitted for purposes of teaching grant to aided managements, as there is a paucity of trained Hindustani Teachers.

Sir,

We, the undersigned Hindustani Teachers coming from different Private Management Schools and undergoing the Pracharak Training Course here, beg to submit the -- following few lines for your kind consideration and -- favourable orders.

According to a recent Government Order we, the Hindustani Teachers are bound to undergo Pracharak Training Course within a period of two years. But we find that we are denied by our managements all facilities to undergo this course in the absence of a definite order from the Government. Some of us had to avail leave on loss of -- pay, some of us have been simply relieved to rejoin duty after the course and others are drawing from their benevolent managements pay, D.A., etc., on condition that in case the Government are not considering it as approved - expenditure the sum will have to be refunded. Under - these circumstances most of us are undergoing the Training course with money from our own pockets. In fact it is a double burden or expenditure for us - i-e-. while we have to lose our pay during the period and at the same time meet the expenses here, we have to maintain our poor -- families as well.

It is a sad fact that we, the poor Hidustani Teachers are being neglected and denied of the benefits kindly thrusted upon other cadre of teachers - i-e-. B.Ts., Physical Instructors etc., during the period of training.

We, therefore, most humbly and earnestly request you to be kind enough to benignly and sympathetically consider our case and pass definite orders at -- your earliest convenience to the effect that Private -- Managements may be allowed to grant us from the school maximum pxxxxxx permissible salary with D.A., incidental charges and T.A., under the item of Approved Expenditure during the period of training without which order, we - think, no private management will be prepared to show any leniency towards the Hindustani Teachers.

Awaiting your orders,

Yours faithfully,

~~The ultimate extra cost to the Govt. involved in the decision is Rs 21700 a year.~~

In view of the shortage of trained Hindustani teachers for employment in secondary schools, local bodies have been permitted to depute Hindustani teachers in their employ to undergo training as 'Pracharaks'^x, meeting the entire expenditure from their own funds. p1 cf

2. The Joint Secretary, Dakshina Bharat Hindustani Prachar Sabha now requests that a similar concession may be extended to teachers in aided secondary schools who may be deputed to undergo Pracharak training.

para 2 on p3 cf

The D.P.I., to whom the matter was referred to, has stated that private managements will not ordinarily allow such concessions to teachers in their employ deputed to undergo Pracharak training unless a grant is sanctioned towards the expenditure incurred on this account.

para 3 on p3 cf

He, therefore, recommends that the concessions may be extended to teachers in aided secondary schools also by reckoning the expenditure incurred by managements on deputing teachers to undergo Pracharak training as an item of approved expenditure for purposes of assessment of teaching grants to those institutions.

3. The question whether the expenditure on deputation of teachers ~~depu~~ to undergo Pracharak training should

be taken into account for purposes of assessment of teaching grants to non-Government Secondary schools was considered as a Part II scheme for 1949-50. The extra cost involved in the proposal was then estimated as shown below:—

Part II Scheme note at pp 11-12 nf of (U)

	Recurring Ultimate Rs.	 Cost in 1949-50 Rs.

Summary at p11 nf of (U)

ASSISTANT SECRETARY TO GOVERNMENT

This proposal was negatived by the S.F.C. It was, however, subsequently ordered in circulation (+) that local bodies ~~may~~ might be permitted to depute teachers in their employ to undergo Pracharak training provided the entire expenditure incurred on such deputation is met from their own funds. This involved no additional cost to Govt. On the other hand, the question of extending this concession to teachers deputed to undergo training as Pracharaks from aided secondary schools will arise only if this expenditure is reckoned as an item of approved expenditure for purposes of assessment of teaching grant, as managements of private aided Secondary schools will not be in a position to meet the entire expenditure involved in the deputation of teachers for Pracharak training from their own funds. The extra cost to Govt by way of payment of addl teaching grants will be two thirds in respect of private institutions and one half in the case of schools under local bodies. Local bodies will press for the expenditure incurred by them also for purposes of grant. In view of the present ~~difficult~~ difficult financial position, it will not be possible to undertake this additional recurring liability. The Joint Secretary DBHB Sabha may be informed that his request cannot be complied with. The Remarks of Finance may be invited. 12/12/49 A
