Sir,

Ref: G.O.Ms.No.2062 Edn., dated 18-7-1950.

In their order quoted above Government have approved my proposal for the continuance of the Government Training School, Pudukottai. Sanction has not been accorded for the employment of separate specialist teachers for the Government Training School as it was considered that as there would not be sufficient work for full time specialist teachers in the Training School. Kind attention is in this connection invited to para 3 of my letter Roc.No. 1799 K3/48 dated 6-6-50 (disposed of in the G.O. quoted above).

②/9d.7 Ref: G.O.Ms.No.2062 Edn., dated 18-7-50.

In their order quoted above Government were pleased to approve my proposal that the Government Training School, Pudukottai may be continued during the current school year i.e. 1950-51, with one Secondary Grade Section and one Higher Elementary Grade Section. They also sanctioned the employment of 2 L.T. Assistants (including the Headmaster), one clerk and one Peon for the school for a period of one year. The above orders were received very late in July and although, a School Assistant was posted on 23-8-50 as Headmaster, Government Training School, Pudukottai and was relieved from the Government Training School, Tanjore, he applied for leave on Medical Certificate and stayed away. Similarly, even though two or three other persons were appointed as School Assistant in the Government Training School, Pudukottai, all of them have declined to join duty at Pudukottai. Again orders have been issued on 17-10-1950 posting another trained graduate as Officiating School Assistant, Government Training School, Pudukottai. It seems that he also has not yet joined duty, as no report has been received so far, in this regard. Thus for want of staff, the Government Training School, Pudukottai could not be opened during the current year and no admissions have also been made so far. As it is now too late, to make admissions for training this year I am issuing necessary instructions to the Divisional Inspector of Schools not to make admissions during the current year. In the circumstances stated, I request that my action may kindly be approved by the Government and that the starting of the Government Training School Pudukottai may be postponed to July 1951. Necessary sanction may also be accorded for starting the school in July 1951 with one Secondary Grade and one Higher Elementary Grade training sections and for the employment of the same staff as mentioned in the G.O. referred to above.
