R.O. No. 190 A2/50 dated 20--9--50

Sub: Colleges--Presidency College, Madras--Purchase of a Beckman spectro
photometer--Requested for sanction.

submitting herewith a copy of the letter No. R.O. 1025/50 dated
11-9-50 from the Principal, Presidency College, Madras I request that Government
may sanction an expenditure not exceeding Rs. 10,600/- (Rs. ten thousand six hundred
only) towards the purchase of Beckman spectro photometer for the college.

I gather that this instrument is absolutely essential for all types
of higher research work. As many as six students are reported to be doing research
work for their M. Sc. in the college and it is represented that this instrument is
absolutely necessary for their research work.

The estimates referred to by the Principal are retained in this
office. There is no provision in the current year's Budget Estimate to meet the
expenditure of Rs. 10,600/- in question under (b) 4. Laboratory charges. It does
not even appear possible to postpone the expenditure to the next year in view of the
circumstances stated by the Principal in the last para of his letter. In the circum-
stances, I request that the Government may be pleased to permit the incurring of the
above expenditure during the year pending provision of funds in the ~~Sanctioned~~
Revised estimate of the current year.

Yours faithfully,

M. S. Krishna Rao

OFFICE OF THE DIRECTOR OF PUBLIC
INSTRUCTION, MADRAS.

Sub:-Colleges-College of Engineering, Kakinada-Purchase of Equip-
ment in 1950-51 Sanction of expenditure-Requested.

Ref:-Letter Ref. 32-B/49 dt. 21/8/50 from the Principal, College
of Engineering, Kakinada.

In submitting herewith an extract from the letter referred
to above I request that Government may sanction an expenditure not
exceeding Rs.22,000/- (Rupees Twenty Two Thousand only) towards the
purchase of equipment required for the college of Engineering,
Kakinada.

2. There is not provision in the current year's Budget
Estimate to meet the above expenditure. If the above purchase
is sanctioned, I request that the Government may also permit
the incurring of the expenditure of Rs.22,000/- during the current
year pending provision of funds in the Final Revised Estimate
for 1950-51.

3. The Principal also reports that some of the equipment
already indented for by him in the previous years have been
received this year and bills are pending payment and that some
more equipment are likely to be received before 31-3-51. It is
further reported that the provision made in the Final Revised
Estimate of the year 1949-50 in respect of these equipments have
lapsed as the articles were not received in time during that
year. An additional allotment of about Rs.64,700 in this regard
is therefore required during the Current Year. As this is an
inevitable commitment and can not be postponed for want of funds
I am permitting the Principal to incur the above expenditure
pending provision of funds in the Final Revised Estimate for
1950-51. I request that my action in this regard may also be
approved by the Government.
