REVENUE DEPARTMENT

Sy/Reg

Dear Sir,

May I recall to you the discussion I had with you during my stay in Madras in the latter part of May this year on the I.L.O's activities in Asia, and specifically the Institute training programmes.

2. I enclose for your information an operation chart which will acquaint you with further details in respect of these programmes. In so far as selection of officials for these programmes is concerned, the I.L.O. is co-ordinating the matter with the Ministry of Labour, Government of India, as its point of contact.

HON'BLE MINISTER (LAND REVENUE)
12 SEP 1950
GOVERNMENT OF MADRAS

3 Now that plans in this respect have taken definite shape, I am in a position to inform you that there is an opportunity for State and Provincial Governments in India to participate in two of the programmes, namely, (1) Organisation and Administration of National Vocational Training, and (2) Organisation and Administration of Vocational Instructor Training.

4 In view of your expressed interest in manpower training programmes of this nature, I am sure you will want to take advantage of this opportunity for officials from the Government of Madras to participate in the programmes. If so, the procedure to be adopted in this respect is that your nominations should be sent to the Ministry of Labour, Government of India, for clearance.

5 I trust that the information I have here furnished will be adequate for you to take such action. May I draw to your attention the dates on which the two programmes are scheduled to begin, as indicated in the chart, and the fact that the time at your disposal for co-ordinating this matter with the Central Ministry of Labour is rather limited.

The Honourable Minister for Labour,
Government of Madras,
The Secretariat,
MADRAS.

6 Information as to the result of your negotiations in this respect with the Ministry of Labour, Government of India, will be very much appreciated.

7 In the event that nominations of the Government of Madras are cleared by the Central Ministry of Labour, the attahced chart containing information on hotel and boarding house facilities in Bangalore should be of interest to officials nominated to participate in the programmes. This Office is prepared to offer its assistance in this respect as indicated in the covering letter to this chart.

With reference to the orders of Government cited above, Janab Md. Habibullah Sahib and Sri H.O.N.Joseph joined the course on "Organisation and Administration of Vocational Instructor Training" at Bangalore on 7-11-1950 and 8-11-50 respectively. They will have to be sanctioned daily allowance under Rule 98(a) of the Madras Travelling Allowance Rules only at half-rates for halts in excess of ten days for the period of their training. It has been represented to me that in view of the present high cost of living, especially in a place like Bangalore, they may be paid increased daily allowance.

The three courses start on the 2nd October, 16th October and 30th October. It is out of the question to depute any one for the first, namely training in Organisation and Administration of National Vocational Training Programmes. This is meant for Govt. officials responsible for the development, general planning, organisation and administration of national vocational training programmes. This is more for the Centre, and we have not lost much in not being able to depute men for it.

2. The second training is for organisation and administration of apprenticeship. The Director of the I.L.O. Institute does not think that we can now participate in this course. It may be left out of consideration for the present.

3. The third course is 'Organisation and administration of Vocational Instructor Training'. It is meant for Government officials responsible for the organisation and administration of Vocational Instructor Training programmes.

4. This course may be of interest to the Edn. Department. The duration is 8 weeks, starting on 30th October. The D.P.I. may be consulted. The expenses will have to be met by this Government.

In G.O. No. 2940 Edn dt 1.11.50, the Government sanctioned the deputation of Janab Md. Habibullah Sahib, Manual Trg. Instructor, Teachers' College, Saidapet, and Sri H.O.N. Joseph, Tech. Edn. Officer, Office of the D.P.I., Madras, to attend the Course on "Organisation & Administration of Vocational Instructor Training" conducted at Bangalore by the I.L.O., for a period of eight weeks from 30.10.50. The former joined the Course on 7.11.50 and the latter on 8.11.50. ~~According to~~ rule 98(a) of the M.T.A. Rules, the two officers are eligible for daily allowance at half the rates for the period of their halts in excess of ten days. In view of the present high cost of living, especially in a place like Bangalore, the D.P.I. considers that the two officers should be paid the allowance at increased rates. He, therefore, recommends that the officers may, as a special case, be paid the allowance at full rates for the entire period of their training. The Director's recommendation may be accepted. The extra cost will be about Rs 300.

The payment of daily allowance to be determined in accordance with
