7th August, 1950.

The Chief Secretary,
Government of Madras,
Fort St. George,
Madras.

Sir,

I hope you would quite agree with me that members of the Central Legislature should be kept informed of and acquainted with matters of the Provincial Government. A full knowledge of matters would help us in our discussions both in the Parliament generally and with Hon'ble Ministers in particular. I would therefore suggest that the Government of Madras should make available to us all the literature that the Madras Government publishes about the various topics in the form of Fort St. Gazette, Press notes, Communiques, pamphlets and books.

The suggestion may involve an extra cost to the Government but I dare say it would be more than compensated in the long run.

I would therefore request you to consider the suggestions and let me know the action you propose to take in the matter. I am addressing the Chief Minister also in the matter.

With kind regards,

Yours truly,

S. Ramaswamy Naidu
(S. Ramaswamy Naidu)
Member of Parliament.
