EDUCATION DEPARTMENT.

The Director of Public Instruction,
Madras.

The Secretary to Government,
Education Department, Madras.

R.O.C.No. 410 C4/50 dated 2-9-1950

Sir,

SUBJECT: Madras Educational Subordinate Service--
Recruitment of Junior Deputy Inspectors
amendments to Rules--proposals.

1. A secondary grade teacher in Government service possesses both the minimum general educational qualification as prescribed in the schedule to the General Rules for the Madras State and Subordinate services and a completed T.T.C. of the secondary grade, and service rules provide for the promotion to the category of Junior Deputy Inspector from among secondary grade teachers. The qualification laid down for such promotion is a completed T.T.C. of the Secondary grade

2. In G.O. Ms.No. 277 Education dated 10-2-1948 the qualifications prescribed for recruitment of teachers employed in schools under the control of local bodies, aided agencies and Railway management is a completed T.T.C. of the secondary grade. These teachers may or may not possess the minimum general educational qualification prescribed in the schedule to the General Rules. In my opinion it is very necessary that, besides the T.T.C. of the Secondary grade, the minimum general educational qualification prescribed in the schedule to the General Rules should be insisted on in respect of the recruitment to the category of Junior Deputy Inspectors from among teachers employed in schools under the control of local bodies aided agencies and Railway management.

3. In cases where teachers holding a T.T.C. of the Elementary Grade and who have gained a T.T.C. of the secondary grade by virtue of their having passed the T.S.L.C. examination of the secondary grade, apply for appointment to posts of Junior Deputy Inspector, a technical objection may arise as to whether they would be considered qualified for appointment as they do not possess a completed T.T.C. of the secondary grade. In order to obviate this objection, necessary provision needs to be included in the service Rules, so as to make this class of teachers eligible for appointment.

4. If the above proposals are agreed to, I request that Government may be pleased to approve of the following amendments

AMENDMENTS

In the Special Rules for the Madras Educational and Subordinate Service, in the table under rule 2(a) under the heading "Mens Branch" for the existing item (iii) of the proviso to the

2

entries relating to category 3 of Class I Deputy Inspectors of schools (Junior scale) the following item shall be substituted namely:

"(iii) Forty percent by direct recruitment of teachers employed in railway schools and in schools under the control of local bodies or aided agencies who possess both the minimum general educational qualification as prescribed in the schedule to the General Rules for the State and Subordinate services and a completed T.T.C. of the Secondary grade, and have put in not less than 10 years of service as teachers and are below the age of 35 years.

NOTE. Teachers in the above schools who held a T.T.C. of the Higher Elementary grade and have gained a T.T.C. of the secondary grade by virtue of their having passed the T.S.L.C. examination of the secondary grade will be considered to possess a completed T.T.C. of the secondary grade"

Early orders are requested.

Yours faithfully,

M. S. Srinivasan

To the Minister for Education,
Fort St. George, Madras.

The Humble Memorial from Keezhoth Kunhambo Nair, Teacher,
Molur East Aided School, Post Molur, Via Tellicherry, N. Malabar.
~~XXXXXXXXXXXXXXXXXXXX~~

The humble memorialist begs to state that he is a holder
of the Secondary T.S.L.C. obtained by conversion of Higher
Elementary Grade Trained Teacher's Certificate, with a teaching
service of more than 10 years in recognised schools as a teacher
of the H.E.T.T.C Grade, and a candidate for the post of a
Deputy Inspector of Schools (Junior scale).

The humble memorialist is a war service candidate with
additional qualifications of Scout Master and Telegraphist.

The application of the humble memorialist has been rejected
by the Director of Public Instruction, Madras, in his proceedings
R.C.No. 2071. C1/50 (Appn. 169/50) d/16-2-51, mentioning that
the applicant has not put in 10 years of service as Secondary
Grade teacher.

The humble memorialist understands from the Notification
of the Fort St. George Gazette, page 616 dated 3-10-50, that
10 years of service as teacher in recognised schools, does not
mean the service as Secondary grade teacher.

The "Notification" further clarifies that the holder of
T.S.L.C of the Secondary Grade obtained by conversion of
Higher Elementary Grade Trained Teachers certificate is eligible
for the selection.

As the conversion of H.E.T.T.C to Secondary T.S.L.C. is only
recently allowed, and the service as H.E.T.T.C holder

P.T.O.

cannot be considered in the selection, the humble memorialist is unable to understand the justification of the rules, how the above-mentioned Secondary T.S.L.C holder can put in 10 years of service as Secondary grade teacher to be eligible for selection in 1950.

The humble memorialist, therefore, beg the benign Secretary, most respectfully, that the D.P.I, Madras may kindly be instructed to reconsider his claim as per the "Notification" as this is the last chance for him to enter the Public Service.

Ref:-Government Memo.No.9550 A/51-1 Education
dated 17-3-51.

With reference to the Government Memo. referred to above, I have the honour to state that since promotion to the post of Junior Deputy Inspector is made from among secondary grade teachers it was required that teachers should put in 10 years service in that category before they are promoted as Junior Deputy Inspectors. Such of the higher Elementary grade teachers who subsequently converted their certificates into Secondary grade do not thereby automatically become eligible for selection to the post of Junior Deputy Inspector as in the interest of efficient administration, teachers are required to put in at least 10 years service as secondary grade teachers. However, the applicants were permitted to count all service, as qualified Secondary grade teacher, which need not be on that scale of pay, for the purpose of 10 years service. I request that the above principle may be approved by Government.

By applying the above principle, the applications of many teachers, including that of the petitioner, were rejected on the ground that they had not put in 10 years service as secondary grade teachers. So no special consideration need be given to the application of the petitioner alone and I request that Government may not reject the petition of Sri.K.K. Nair.

Yours faithfully,
