Subject :- NATIONAL CADET CORPS- BUILDINGS FOR N.C.C. UNITS.

Sir,

(J)/1-2 9-Raw

I am directed to refer to my letter No. 0236/49/NCC dated 6 April 1949 in which your Government had been requested to undertake the construction of buildings for storage of arms, equipment and clothing of N.C.C. units and to provide offices for them. A few Governments have taken action to construct buildings but, in the majority of cases, the question is still under consideration.

2. I am directed to state that, in cases when the State P.W.Ds are unable to undertake the works, the Military Engineering Services would be prepared to construct these buildings for N.C.C. units. The work will be undertaken as " Deposit Work" under para 5 of the M.E.S. Regulations and departmental charges will be levied under the normal rules in force. The funds required for this purpose will have to be placed by your Government at the disposal of the M.E.S. authorities, who will construct the buildings, providing the building materials from their resources.

.... P.T.O.

2

-: 2 :-

3. I am, therefore, to request that, if your Government se no objection to this procedure, the local Army Formation Headquarters may please be consulted; plans and estimates for the buildings will be prepared by them and they will arrange for sanction to be granted for the construction of the buildings. The construction by the M.E.S. of a building costing Rs. 2 lakhs or less can be sanctioned by the General Officer Commanding-in-Chief of the Army Command, while the construction of buildings costing more than this sum will have to be approved by Army Headquarters.

4. I am to request that action on this may be initiated at an early date so that buildings can be constructed in this financial year.

Yours faithfully,

Bewoor

Subject:- CONSTRUCTION OF AN ARMOURY AT ANNAMALAINAGAR

Sir,

Orders issued in G.O. Ms. No. 2261 P.W.D. 10/6/50

I am to state that during my last visit to N.C.C. Units at Annamalainagar, it was explained to me, that although sanction for the expenditure of money had been given, the work on construction of an Armoury could not be undertaken for lack of building material and also that a contractor was difficult to find to undertake the job.

2. In view of a ruling given by the Government of India, (vide letter No.0236/50/NCC dated 24 April 50) that such works can now be undertaken by the M.E.S. as "Deposit Works", it is strongly recommended that the work should be assigned to M.E.S.

3. This will ensure speedy construction of the Armoury, which is badly needed now as arms have now been received by the N.C.C. Units.

orders already issued

4. The construction of an Armoury at Kumbakonam and at Waltair Kakinada required for 3rd Madras Bn NCC may also be entrusted to the M.E.S. if similar difficulty is experienced.

Subject:- NATIONAL CADET CORPS - BUILDINGS FOR N.C.C. UNITS

Sir,

I am directed to refer to this Directorate letter No.0236/50/NCC dated 24 April 1950, wherein it had been stated that the Military Engineer Services would be prepared to construct buildings for N.C.C. units, and to para.10 of the minutes of the meeting held with Part "A" States representatives, forwarded under this Directorate letter No.0224/50/NCC dated 9 May 1950.

2. On "Deposit Work" undertaken by the M.E.S., departmental charges are levied on the nett cost of the work and, in the case of civil works undertaken for local administrations or Government departments, these departmental charges consist of the following:-

vide p. Supra

Establishment charges	:	18½ per cent
Tools and Plant charges	:	1½ per cent
Leave charges	:	1 per cent
Pensionary charges	:	2 per cent
Audit charges		1½ per cent
Total		24½ per cent

3. The Government of India have, however, decided that, as a special

P.T.O.

8

case, the M.E.S. will not charge the full departmental charges when undertaking construction of buildings on behalf of State Governments for the National Cadet Corps. The departmental charges to be levied will be only 15% of the cost of the work; 9½% being waived.

4. I am to add that the cost of employment of specialists or other personnel not in M.E.S. employ or Tools & Plant of a special kind, which may be required for the work, will be in addition to the cost of the work to be met by the State Governments.

In the current year's minor works ~~buddxxx-~~ budget, a sum of Rs.5,860/- has been provided for the purchase of lands belonging to the Anantapur Municipality for use as playground for the Government Training School for masters, Anantapur. The Municipal Council is not now in favour of selling the land for use as playground for the Government Training School and I have therefore recommended to Government that the land may be acquired under the land acquisition Act. Vide my letter Roc.No.892 K1/49 dated 12-9-50. As it may not be possible to complete the acquisition proceedings during the current year, the amount provided in the current years Minor works budget, for the purpose, may not be required during the current year. I therefore suggest that the above amount may be utilised for the construction of the armoury at Kakinada sanctioned in G.O.Ms.No.264 Public Works Department dated 20-1-50.

Subject: ACCOMMODATION FOR NCC UNITS

Sir,

I am desired to inform you that the question of accommodation for NCC Units came up for discussion at the 22nd Circle Commanders' Conference held at NEW DELHI during Apr 62 in view of its acute shorta-ge in all the States.

2 In the course of discussion it was stated that some States are prepared to construct separate buildings for NCC Units provided the Centre is willing to share the expenditure.

3 In view of the fact that provision of accommodation for NCC Units is the responsibility of State Governments, it was decided that their views be obtained before the matter is considered further.

4 Information has now been received from the NCC Directorate that the Central Government will consider loans with interest for such construction.

5 It may be mentioned here that certain NCC Units in HQ No.2 Circle have not been provided with Government accommodation while in some cases the accommodation provided is inadequate.

6 Since the NCC is virtually a permanent establishment, the necessity of suitable permanent accommodation needs no emphasis.

7 In the circumstances I am to request you to please forward the views of your Government, on the suggestion of the Central Government to offer loans with interest for the construction of buildings for NCC Units.

8 Details of accommodation required stationwise will be intimated on receipt of reply from you.

9 An early reply would be highly appreciated.

Yours faithfully,

for Circle Commander

I am directed to forward herewith two copies of the Minutes of the 11th State Representatives' Conference held in New Delhi on Saturday, the 28th October 1961.

Please acknowledge.

LOAN FROM GOVT. OF INDIA FOR THE CONSTRUCTION OF BUILDING FOR THE N.C.C. (BIHAR, GUJARAT, ASSAM AND KERALA)

The State Representatives suggested that if buildings for the NCC could be accepted as a Plan item, then the difficulty of providing funds may be overcome. After some discussion, it was agreed that this matter would be taken up with the Planning Commission.

The Director, NCC.

To

The Secretary to the Government of Madras,
Education and Public Health Department,
Fort St George, MADRAS-9.

Sir,

Subject: PROVISION OF OFFICE ACCOMMODATION TO NCC/NCCR IN THE STATE.

I am to state that a case has been taken up with the Govt of India for the sanction of necessary funds to the universities as an advance for the construction of accommodation for NCC/NCCR Bns. This proposal is likely to be accepted soon.

2. Meanwhile this Directorate has been advised to submit to the State Government requirements of office and storage accommodation for NCC/NCCR units located at various stations in the state for the purpose of working out the approximate cost of land and constructions and for deciding the priority to be accorded to different stations in regard to the provision of accommodation. Accordingly the details of accommodation requirements of different categories have been worked out on the basis of scales laid down by the Director General and are submitted at Appendix 'A' hereto. A statement of the accommodation state as it obtains at different station is at Appendix 'B'.

3. I am to request that Government be pleased to direct concerned authorities to furnish this Dte at an early convenience the approximate cost for (a) land required (b) construction of accommodation.

4. I am also directed to request you for information as to the amount earmarked by the state Government for the construction of the above accommodation and to state that no part of the funds required for the above purpose is to be met from the Defence Budget.

Yours faithfully,

MLKhan

Subject:- NCC : CONSTRUCTION OF BUILDINGS TO ACCOMMODATE UNIT OFFICES

Sir,

p2 ant

With reference to Government of Madras letter No. 136343/E Spl/63-2 Edn dated 7 Jan 64 received in this Directorate on 16 Jan 64, I am to state that the quantum of funds required for the construction of buildings to accommodate NCC Unit offices and its provision in the budget estimates for the year 1964-65 are largely dependent on the following:-

(a) Availability of suitable Government lands for the construction of accommodation.

(b) If Government land is not available, acquisition of private land and the cost involved thereon.

(c) Cost of construction at various places depending on the availability of raw materials and labour.

2. It will be seen from the above that details in regard to the above will have to be obtained from the local Revenue authorities in so far as land requirements are concerned and from the Executive Engineer, PWD in regard to the construction cost. However, further to the discussion on the telephone which Lt Col SUNDARAM had with Sri RADHAKRISHNAN the details of accommodation requirements for the NCC Units already furnished under Appendices A and B of this Directorate letter No. 300/3/2/0 dated 16 Nov 63 may kindly be referred to.

Reference Government letter No. 136343 E Spl/63-3-Education dated 8-2-64.

I am to refer to Government letter under reference and state that the Chief Engineer (Buildings) MADRAS-5, has furnished the approximate estimated cost of construction of office accommodation for 49 NCC Units.

2. However in view of increase in the number of units, it has been worked out that a sum of Rs. 164.50 lakhs approximately will be required for the cost of land and construction of office accommodation for all NCC units in the state. The above amount includes only a nominal price of land since the exact amount can only be ascertained after selecting suitable sites for the construction.

Office Memorandum

Subject:- Construction of Office accommodation for N.C.C. Units and Battalions in various States.

.....

The undersgined is directed to refer to the Ministry of Education Office Memorandum No.F.20-7/64/PE3 dated the 4th June 1965 on the above subject and to state that during the annual State Plan discussions for 1965-66, the question of outlays for the N.C.C. programmes including additional accommodation required in terms of the Ministry of Defence u.o. note No.3259/NCC/Coord(B)/4908-B/D(GS-IV) dated the 30th December 1964 was discussed with each State Government and Union Territory. In these meetings the need for making necessary provision for the N.C.C. schemes including accommodation was emphasised and realised by the State Governments. It is understood that during these discussions, most of the States mentioned that the requirements of accommodation for N.C.C. units would be progressively met during the Fourth Plan period.

In view of what is stated above, the problem raised in Ministry of Defence u.o. note of the 30th December 1964 may be taken as settled. If, however, there are any aspects of the problem, which need pursuing, this Ministry may be informed.

NATIONAL CADET CORPS - Construction of buildings for units.

pp1-2g

From the Director, National Cadet Corps, No.0236/50-NCC dated the 24th April 1950.

Please see the letter from the Director, N.C.C. on pages 1-2 c.f. He has reported that in cases where the State P.W.D. is not able to construct buildings for offices, store-rooms and armouries for the N.C.C. units, the Military Engineering Service will undertake the execution of the works as 'Deposit Works' and that the funds required for the purpose will have to be placed by the State~~s~~ (Govt.) concerned at the disposal of the M.E.S., who will secure the required materials from their own sources. 21 units and one sub-unit of the Junior Division have so far been raised ~~in this State~~ in the various high schools in this State and the accommodation required for the offices and for the storage of equipment has been provided in the schools concerned. The arms and ammunition supplied by the Ordnance authorities to the units will be kept in the wooden boxes specially manufactured in the Engineering College, Guindy, for the purpose and the boxes will be kept in the nearest Police Stations and Treasury Guard Rooms. Similar arrangements will also be made for providing accommodation and for storage of equipment, arms and ammunition of the 23 units proposed to be formed during 1950-51.

2. The following are the units of the Senior Division so far formed in this State:-

(1) Ist Madras Infantry Battalion, N.C.C., Fort St. George.
(2) 2nd Madras Infantry Battalion, N.C.C., Tiruchirapalli.
(3) 2nd Madras Electrical & Mechanical Engineer Section, N.C.C., Guindy.
(4) 3rd Madras Engineer Centre, N.C.C., Guindy.
(5) 6th Madras Medical Company, N.C.C., Parktown, Madras.
(6) Annamalai Independent Company, N.C.C., Annamalainagar.
(7) 5th Madras Signal Section, N.C.C., Annamalainagar.

P.T.O

It is also proposed to raise an Infantry Battalion of two companies during 1950-51 in the University Colleges, Waltair, Mrs. A.V.N. College, Visakhapatnam, and P.R. College, Kakinada.

3. Ist and 2nd Madras Infantry Battalions:- As Madras and Tiruchirapalli are military stations, the offices of these units are located in buildings belonging to the Army. As the accommodation allotted ~~to the former~~ in the Fort St. George, is not adequate for the Ist Madras Battalion, the Collector of Madras has been asked to secure a suitable rented building for it. The stores supplied to the units ~~have been~~ are kept in the accommodation provided in the buildings of the colleges concerned. The construction of an armoury for keeping the arms and ammunition supplied to the company in the Government College, Kumbakonam, of the 2nd Madras Battalion has already been sancd. The arms and ammunition of the other companies of the units have been sbtored in the armouries in the colleges which were constructed when the U.O.T.C. was in existence and the College Authorities have been asked to carry out the improvements suggested by the Dy. Insp. Genl. of Police.

There is no information whether the work has been commenced or not.

Portion marked B .: The plans & estimates for the construction of an armoury for the units of the Senior Division of the NCC raised in the University Colleges at Annamalainagar have been prepared by PWD and the work will be executed by them. The work is likely to be completed in the current year. - The file is under circulation. - In regard to the constn. of buildings for the offices of the units, the question whether any grant should be made to the University for the purpose or not has not yet been settled. It is the duty of the University to provide the necessary accommodation and even if it is decided to make a grant as a special case, the University may undertake to construct the buildings by its own Engineering staff.

Portion marked C. - The expenditure on the construction of armouries will be met from the provision made in the Civil works budget under Education.

No action is now called for on the letter from the Director NCC on p.1 of. It has been communicated to the Commanders of NCC circles and they will address the Govt in due course. The papers may now be recorded.

I am directed to state that the question of construction of buildings ~~fa~~ {to accommodate offices of} NCC / NCC Rifles units will be considered if substantial assistance is given ~~by~~ for this purpose by the G of I, who have already been addressed in the matter. I am therefore to request you to move the D.G. NCC to take up the case to G of I & obtain necessary financial assistance to the State Govt. in this regard. (Your attention is also invited to the proceedings of the 12th ~~Y.F.~~ State Representation Conference held in New Delhi on the 24th May 1963.

2) It may be recalled that the G of I, Ministry of Edn, requested that buildings should be constructed to provide accommodation for the N.C.C. units as early as possible and that the State Govt might set apart necessary funds for this purpose during 1963-64 & the rest of the Third Five Year Plan period by making suitable adjustments within the over-all ceiling of the State Plan, without, of course, adversely affecting important educational schemes already included in the Plan.

GoMs No. 1869 Edn dt 15.10.58 not put up

3) The Ministry of Edn was informed that schemes relating to N.C.C & A.C.C (Auxiliary Cadet Corps) have been kept outside this State Plan. Therefore funds for the purpose of construction of buildings for N.C.C. units cannot be provided by making adjustments within the over all ceiling of the State Plan. The question of construction of buildings for N.C.C units can be considered, if substantial assistance could be given for this purpose by the G of I. The G of I, M of E was therefore requested to sanction necessary financial assistance to the State Govt. for the purpose. The attention of the Ministry of Edn was also invited to the proceedings of the 12th State Representations Conference on N.C.C. convened by the Ministry of Defence on the 24th May, 1963 wherein it was agreed that the case for construction of buildings for N.C.C. units would be

taken up by the Director General N.C.C. with the Planning Commission to allow additional funds to the University Grants Commission for further distribution to universities & ~~colleges~~ colleges & State Govts for constructing N.C.C. buildings.

4) The Ministry of Edn requested that the budget provision made by the State Govt. for 1963-64 & addl. amount required for 1964-65 for construction of N.C.C. buildings might be intimated to them. The Ministry of Edn was informed that no provision had been made in the State budget for 1963-64 & that the amount that ~~will~~ would be required for 1964-65 ~~will~~ would be intimated to them on hearing from the DNCC M&P. The DNCC M&P has now intimated that a sum of ~~Rs. N,~~ Rs 16.45 millions approximately will be required for the cost of land & construction of office accommodation for all N.C.C. units in this State. A copy of the letter from the DNCC M&P may be communicated to the G of I & they may be requested to sanction necessary financial assistance. On hearing from the G of I necessary further action may be taken.

2) It is presumed that the G of I will not give any financial assistance for construction of unit offices, since ~~as~~ far as this State is concerned, the scheme relating to NCC has been kept outside the State Plan. ~~The question~~ As during the Emergency all building programmes have to be deferred, it does not seem worthwhile to pursue the matter. The question of constructing offices buildings when they are essential may be considered, if & when the D, NCC, TNP, addresses the Govt.
