No.0294/50/NCC,
NATIONAL CADET CORPS DIRECTORATE,
Ministry of Defence,
Government of India,
NEW DELHI, OCTOBER 1950.

Subject:- NATIONAL CADET CORPS - ANNUAL CAMPS OF N.C.C. UNITS

Sir,

I am directed to refer to Rule 33(2) of the National Cadet Corps Rules, which specifies that every officer and cadet will attend an annual camp for a certain duration every training year. Certain officers and cadets also attend a Cadre Camp under Rule 34(2). It will be appreciated that these camps provide an opportunity to give intensive training to the cadets and in order to achieve the best results, it is necessary to take the officers and cadets to Camp areas at some distance from the town in which the unit is located. This condition is especially applicable in the case of Infantry Battalions whose Companies are located in different towns and in the case of Junior Division units.

2. It has been represented to this Directorate that officers and cadets, who undertake rail journeys to these Camp areas, have to expend money out of their pockets for food on such journeys. The officers and cadets are only authorised to draw the messing allowance laid down in paras 1(b), 2(c) and 3(a) of Schedule II of the Rules from the time they actually reach the Camp until they

NATIONAL CADET CORPS - Senior and Junior Divisions - Annual and cadre camps - Payment of daily allowance for the period of rail and road journeys - Orders passed.

From the Director, National Cadet Corps, No.0294/50/
NCC, dated the 24th October 1950.

ORDER MS.NO. 2975 EDUCATION, dated 4.11.1950.

The Government accept the suggestion of the Director, National Cadet Corps that N.C.C. Officers and cadets of the Senior and Junior Division units may be granted daily allowance for the period of their rail and road journeys from the town in which their college or school is located to the site of the annual or cadre camp and for their return journey from camp, applying the provisions of paras 1(e), 2(f) and 3(e) of Schedule II of the N.C.C. Rules, 1948.

2. The Commander, 2nd Circle, National Cadet Corps, is requested to instruct the Officers Commanding the Senior Division units and the Liaison Officer for Junior Division of the National Cadet Corps to include, in future, in the estimate of expenditure for holding annual and cadre camps for their units, provision for the payment of the daily allowance referred to in para 1 above.

leave it, since we do not want them to expend any of the Camp period in journeying to and from Camp. It is considered that, in accordance with existing policy of not asking officers and cadets to expend money for undertaking N.C.C. training, officers and cadets should be paid some allowance during the rail and road journeys from their College and School town to the Camp area.

3. I am, therefore, to request that you will be so good as to apply the provisions of paras. 1(e), 2(f) and 3(e) of Schedule II of the N.C.C. Rules, for rail and road journeys undertaken by NCC officers and cadets from the town in which their college and school is located to the site of their annual camp or Cadre camp.

Colonel,
(G.G. BEWOOR),
DIRECTOR, NATIONAL CADET CORPS.

NATIONAL CADET CORPS - Senior and Junior Division

Holding of cadre and annual camps - Payment of daily allowance for the period of rail and road journeys.

From the Director, National Cadet Corps, No.0294/50/NCC dated the 24th October, 1950.

Please see the letter from the Director, National Cadet Corps, on pages 1-2 c.f. In the circumstances stated in para 2 of that letter, the NCC Officers and cadets of the Senior and Junior Division units may be granted daily allowance for ~~their~~ the period of their journey by rail and road when they proceed to and return from the annual or cadre camps of their units, as suggested by the Director. The Commander, 2nd Circle, National Cadet Corps, may be requested to instruct the O.Cs. of the Senior Division units and the Liaison Officer for Junior Division to include, in future, necessary provision for the purpose in the estimate of expenditure for holding such camps for their units. As the site of the camp will be selected every year and as the amount of daily allowance will vary according to the distance to be travelled from the place of the college ^{or school} in which the unit concerned has been raised, to the site of the camp, the expenditure on account of the grant of the allowance cannot now be estimated.

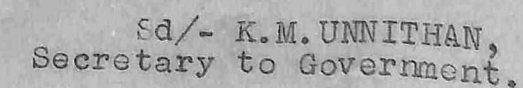

2. The draft order below is for approval. The file may be sent to Finance U.O. for acceptance of the draft order.
