In the first order quoted above, Government had declined to permit the transfer of Deputy Inspectors and School Assistants as Junior Superintendents in this office. As in an office like this there should be a judicious combination of clerical and educational talent in order that sufficient insight into educational problems is shown by the ministerial ~~officers~~ staff, I feel that there is need to reconsider the orders passed by Government in the G.O. first referred to above. The position needs to be reconsidered particularly in the light of the following:

1. The work of this office, which has grown enormously in volume and complexity, would improve in quality if there was a sufficient sprinkling among the clerical staff of persons who have had experience as Inspecting officers and teachers of Training and Secondary schools. The reason for this is that they would possess a better insight into conditions prevailing in the districts and a clearer idea of the needs of education particularly in the fields of Elementary Education, Adult Education and Basic Education, which would provide necessary corrective to excessive ministerialism. For this reason I feel that whenever Superintendents qualified for appointment to the combined cadre are sent from this office for acquiring field experience, it should be open to me to bring in their places officers in the combined cadre, particularly Deputy Inspectors, so that the standard and quality of expert knowledge of matters educational does not get impaired.

In my letter to Government C.No.421-C6/49 dated 30-8-49 I have explained how a dire need has arisen owing to the enormous growth of work in my office both in Volume and Complexity, for the transfer of persons into the office with field experience who would be in a position to give a practical bias to the work in the Office. At the same time it has also been stated that no whole or large scale transfer of officers from outside into the Office is contemplated and that only whenever Superintendents of the Office are sent out for training, their places in the Office would, if it is thought necessary, be filled by Deputy Inspectors or School Assistants. The contingency of transferring Superintendents from the Office for the training would neither be frequent nor involve more than one or two Superintendents at a time. Therefore, the chances of the Officers comming from outside into the office will be few and far Between and there will be no severe blocking of promotions of the clerks in the office. Considering the advantages that would be derived by the transfer of the officers from outside, this occassional and temporary postponement of promotion to the clerks of the office is not serious.

The main aim of this proposal is to serve as a corrective to excessive ministerialism in the work of my office and not to train the officers as efficient superintendents with a view to their

eventual

eventual absorption in the Office. As such transfers are purely temporary and are not likely to last for more than three years at the most in any single case, the officers would themselves welcome the transfer for a temporary change of work. If, however, an officer so transferred is found inadaptable to the work in my office he would be retransferred to his substantive post.

According to the proposals submitted by me and accepted by Government in G.O. MS. No.299, Education dated 4-2-1950, the above officers from the Subordinate Educational Service transferred as Junior Superintendents of my office should draw only the pay of their substantive or officiating appointment held by them at the time of such transfer. In the case of Sri R. Venkataramana Rao, his substantive pay as School Assistant at the time of his transfer to my office in April 1950 was Rs.115/- in the scale of Rs.85/- -- 175/-. He was also drawing Rs.10/- as Headmaster's allowance. As Junior Superintendent, he has to draw his substantive pay of Rs.115/- only per mensem without even the Headmaster's allowance. Similarly, Sri J. Vaikunta Bhat has been drawing as Junior Superintendent only Rs.105/-, being the officiating pay as Deputy Inspector of Schools at the time of his transfer. As Deputy Inspector of Schools, Ootacamund Range, he was also in receipt of a hill allowance of Rs.22-8-0 per mensem.

2. While the clerks promoted as Junior Superintendents are allowed to draw pay in the scale of Rs.140--190, the two officers from the Subordinate Educational Service who are doing duties as Junior Superintendents have to draw their own pay in the Subordinate Educational Service which is very much less than the minimum of the scale of pay of Junior Superintendents. This position has created certain amount of discontent and hardship to the affected persons.

This position has created certain amount of discontent and hardship to the affected persons.

3. Although it is open to me to have transferred senior persons from the Subordinate Educational Service who might be drawing Rs.140/- or more as pay, as Junior Superintendents and thus avoided the contingency of persons serving as Junior Superintendents drawing less than Rs.140/- per mensem, I may

1473

may submit there are certain practical and personal difficulties in following such a course at the present moment. The dearth of qualified, experienced and suitable persons in the Subordinate Educational Service is not less acute than in the Madras Ministerial Service. The services of such senior officers are equally needed in the field as Deputy Inspectors, Headmasters and School Assistants. Moreover, it is rather difficult to persuade senior officers in the Subordinate Educational Service to serve as Junior Superintendents in my office on their own scale of pay. The transfer of 'not-too-junior' officers in the Subordinate Educational Service has been the best possible arrangement under the circumstances and that is how the present transfers have been made.

4. As the arrangements for the transfer of persons from the Subordinate Educational Service as Junior Superintendents are more in the public interests, I consider that the persons transferred should be allowed to draw at least the scale of pay of Junior Superintendents - Grade II, if it is advantageous to them. I, therefore, recommend that the Government may be pleased to permit that the officers from the Subordinate Educational Service transferred as Junior Superintendents in my office with reference to G.O. MS.No.299, Education dated 4-2-1950 may be permitted to draw their own pay in the Subordinate Educational Service or pay in the scale of pay applicable to Junior Superintendents - Grade II, whichever is advantageous to them. If the Government are pleased to accept the above proposal, Sri R.Venkataramana Rao and Sri J. Vaikunta Bhat, now serving as Junior Superintendents may be allowed to draw pay in the scale of Rs.140--190/- from the date of their appointment as Junior Superintendents in my office, so that while doing the duties of Junior Superintendents as any other member of the Madras Ministerial Service, they need not draw less pay and suffer in emoluments and status, by comparison.

5. In conclusion, I may submit that the purpose, for which the transfer of Deputy Inspectors and School Assistants as Junior Superintendents in my office as occasional arrangement was originally proposed, is proving to be satisfactory so far, and I feel that the removal of individual hardships and anomalies, of the persons affected in regard to emoluments, is bound to make the arrangements successful.

Yours faithfully,

For DIRECTOR OF PUBLIC INSTRUCTION.

In the Memo. referred to above, Government have directed that the Deputy Inspector or School Assistant transferred as Junior Superintendent - II Grade in my office should draw the pay of the substantive or officiating appointment held by him at the time of such transfer or pay in the scale of pay applicable to Junior Superintendents-Grade II, whichever is advantageous.

2. I may submit that the two Officers from the Subordinate Educational Service who are now serving in this office were first transferred to this Office as Superintendents. One of them, Sri R. Venkataramana Rao served as Superintendent in one of the Sections of my office from 10-4-50. He was transferred in September 1950 to the Statistics Section of my office. The post of Superintendent of that Section is not borne in the Madras Ministerial Service but is one borne on the cadre of Deputy Inspectors of Schools --Grade II, having been originally sanctioned in G.O.Ms.No. 96 Edn., date 4-4-1949. Although the post occupied by Sri R. Venkataramana Rao in the Statistical Section of my office is the post of a Deputy Inspector of Schools, the nature of the work is that of a Superintendent a Section and the post is known as 'Superintendent' only. In view of the fact that the post held by Sri R. Venkataramana Rao is borne on the cadre of Deputy Inspector of Schools, I find that there may be audit objection to giving the benefit of the concession granted in the Government Memo. cited above, to Sri R. Venkataramana Rao.

S/11 cf.

3. Similarly, Sri J. Vaikunta Bhat who was originally taken on transfer to this office as Superintendent from 13-9-50 has been transferr from 26.2.1951 to the Statistics Section in the place of Sri R. Venkataramana Rao who has been deputed to New Delhi for undergoing refresher Course in Statistics. As similar difficulty will be experienced to give the benefit of the concession to Sri Vaikunta Bhat, so long as he hold the post of Superintendent, Statistics Section (which is borne on the Deputy Inspector's cadre), I request that the Government may be pleased t amplify their orders in the Memo. under reference, so as to cover the cases of persons transferred to the post of Deputy Inspector of Schools sanctioned for Statistical work and known as Superintendent of the Statistics Section.

It is also doubtful whether, within the few years during which he is proposed to be kept as a Supdt., he could derive sufficient experience of the work in the Director's Office. .... The proposal will also block the promotion of U.D. clerks in the Director's Office. Notes and the minutes of H.M. (E&L) on pp 1-3 above may be perused.

paras on p 5 cf of (4)

In G.O. 1464 Edn. dated 8.7.47, the Govt. ~~passed orders~~ permitted the D.P.I. to transfer deserving Superintendents in his office as offg. Dy. Inspector of Schools (Senior scale) or as offg. School Assts. and keeping them in the latter posts in order that they may become eligible for appointment as Sub. Educational Officers under amendment 2 to the Special Rules for the Madras Educational Service. ~~but~~ They however negatived / ~~declined to approve~~ the proposal of the D.P.I. to permit the transfer of Dy. Inspector of Schools and School Assts. as offg. Junior Superintendents in his office.

pp 5-7 cf

The D.P.I. has again come upto the Govt. ~~to reconsider~~ for a reconsideration of the orders issued in the above G.O. He has stated that such transfers are purely temporary and are not likely to last for more than 3 years at the most in any single case and that the officer, if so transferred, if found unsuitable be retransferred to his substantive post.

A on p 7 cf

~~It seems that~~ The matter ~~was~~ has been discussed by HM (E&L) with the D.P.I. and HM (E&L) has observed

A on p 2 above

that this may be tried as a temporary measure for 2 years.

2/ The scales of pay both the categories are as follows.

Junior Supdt. in the office of the D.P.I. 140-5-190.
Deputy Inspector of Schools (Senior Scale) I Gr. 165-5-205-10-245.
Deputy Inspector of Schools (Senior Scale) II Gr. - 85-5-125-10-175.

The proposal is likely to involve some extra cost to Govt. in cases where Deputy Inspectors of Schools (Senior Scale) I Gr. are posted in the place of Junior Supdt. transferred as Dy. Inspector of Schools. However as it is proposed to try this as a temporary measure for a period of 2 years [illegible] we need not object to the proposal.

Finance (E-III).

In G.O. 1464 Edn. dated 8-7-1947, the Govt. permitted the D.P.I. to transfer deserving Superintendents in his office as officiating Dy. Inspector of Schools (Senior scale) or as officiating School Assistants, and keeping them in the latter posts in order that they may become eligible for appointment as D.E.Os. It was also ordered that during the period of transfer (treated as on duty undergoing a course of training), the Superintendents should be allowed the pay of their respective substantive appointments or the pay of the respective officiating appointments held by them at the time they were deputed for the training. In G.O. 299 Edn. dated 4-2-50 the Govt. also approved the following proposals of the D.P.I. :-

(1) that whenever a Junior Superintendent of his office is deputed for training with reference to the orders in G.O. 1464 Edn. dated 8-7-47 the resulting vacancy in the post of Superintendent in his office be left unfilled and an officer in the combined cadre (of Dy. Inspector of Schools and School Assistants) be transferred to his office to do the duties of that post, if the Director considers it necessary;

(2) that the Dy. Inspector or School Assistant so transferred to his office be permitted to draw the pay of the

substantive or officiating appointment held by him at the time of such transfers.

/R

The D.P.I. has now pointed out that while clerks promoted as Junior Superintendents are allowed to draw pay in the scale of Rs 140--190 (admissible to Junior Superintendents) officers transferred from the Madras Educational Subordinate Service under the arrangements sanctioned in G.O. 299 Edn. dated 4-2-50, and who are doing duties as Junior Superintendents have to draw their own pay in the Subordinate Educational Service which is very much less than the minimum of the scale of pay of the Junior Superintendent. In para 1 on p.1 CF. the D.P.I. has illustrated this point clearly. To remove the hardship of the kind mentioned by the D.P.I. and with a view to make the arrangements sanctioned in the G.O. at (L) successful, the D.P.I. has proposed--

para 2 p1 cf

p1 of (L)

para 2 p1 cf

(i) that the officers transferred from the Subordinate Educational Service as Junior Superintendents in his office with reference to the orders in G.O. 299 Edn. dated 4-2-50 may be permitted to draw their own pay in the Subordinate Educational Service or pay in the scale of pay applicable to Junior Superintendents, Grade II whichever is advantageous to them; and

2. Proposal in item (i) in para 1 above. In the circumstances explained by the D.P.I. in paras 2 to 3 on pp.1--2 CF., Finance may agree to the proposal of the D.P.I. at 'K' on p.2 CF.

Proposal in item (ii) in para 1 above. The proposal of the D.P.I. to allow the benefits of the concession proposed in item (i) above to the two officers mentioned by him with effect from the date of their appointment as Junior Superintendents, amounts to giving retrospective effect to the concession. As financial concessions are not, as a rule, allowed with retrospective effect, Finance may advise that the concession may be allowed from the date of orders.

The notes of finance on P-3 above may be perused. Fin. agree to the D.P.I.'s proposal that the officers transferred from the Subordinate Educational Service as Jr. Supts. in his office, w.r.t. G.O. No. 299 Edn. d. 4-2-50, may be permitted to draw their own pay in the Subordinate Educational Service or pay in the scale of pay applicable to Jr. Supts., Gr. II, whichever is advantageous to them. Fin. donot, however agree to the proposal that the two officers mentioned at 'L' on p2 c.f. should be allowed to draw pay in the scale of pay of Jr. Supts. II grade viz. Rs140-190 from the date of their appointment as Gr. II Jr. Supts in his office; but suggest that they may be allowed the benefit of the concession only from the date of the orders. The suggestion of Fin. may perhaps be accepted. Subject to orders, a draft memo is subd. for approval. The case may be circulated to H.M. (E. & L.).

The D.P.I. is informed that Sri J.
