Sir,

Stationery ~~General~~ Catchet Crampon machines and seals deletion from the Mannual Purchase seals for catchet crampon machines by the Secretary to the Commissioner for Government Examinations Orders of Government requested.

Catchet crampon machines and seals are not required by any office except the Secretary to the Commissioner for Government Examination Madras who was authorised to indent for them in G.O. Ms. No 2297 Edn dated 18-10-39. A few of these machines procured in 1939 are lying in the Stationery Stores as dead stock for a long time. There are 11 machines and 677 seals at present. As it is not easy to import them hereafter the Secretary to the Commissioner for Government Examinations has agreed to take delivery of those available in stores and keep them in his office. Further the seals for catchet crampon machines can be manufactured and supplied by the General Superintendent P.W.W. as and when they are required by the Secretary. Therefore I request sanction of Government to transfer the existing stock of 11 catchet crampon machines and 776 seals now available in the Stationery Stores to the Commissioner for Government Examinations. Both these items may also be ordered to be deleted from Appendix 1 of Stationery Manual Volume 11 Part 1.

The Secretary to the Commissioner for Government Examinations may also be authorised to obtain seals for catchet crampon direct from the General Superintendent, P.W.W; Madras as and when they are actually required by him. Early orders of Government are requested in the matter.
