Subject: Education- Secondary- Deputation of teachers for
B.T. Training as Board Stipendiary.

There are now about 35 graduate assistants working in the various Board ~~at~~ Secondary schools under this District Board, in L.T. ~~pl~~ places. Advertisement in the dailies during the last year has proved futile. This year also I doubt whether enough qualified B.T. assistants will be available for appointment in as much as the pay and scale of pay adopted in by this Board are not attractive.

Hence it has been proposed to depute twelve graduate assistants to undergo training in the B.T. course as Board Stipendiary on payment of Rs.30/-per month per head. Since the graduate assistants are not permanent hands as well as unqualified they are not eligible for any kind of leave and for the payment of half of their pay.

They will be directed to execute an agreement binding themselves to serve in the Board at least for a period of three years after completion of the training. The provisions laid down in G.O. No.910 Education dated 29/3/49 with regard to the execution of ~~hand~~ bond will be strictly followed.

In the circumstances explained above and in view of the dearth of qualified B.T. assistants, I request that the Government may be pleased to accord their permission to depute 12 graduate assistants to undergo training in B.T. and to pay them an amount of Rs.30/- each as stipend.
