EDUCATION DEPARTMENT.

From

The Director of Public Instruction,
Madras.

To:

The Secretary to Government,
Education Department, M A D R A S.

Sir,

RC.461 D9/50 dated 4-10-1950.

Sub:-Schools-Special-Aided Training Schools opened in
1950-51-Stipendiary grant to juniors.

Ref:-Government Memo.No.54196 C1/48-9-Education
dated 21-9-1949.

In their order Ms.3769 Education dated 8-12-49, Government permitted the payment of stipendiary grants to junior students admitted in aided training schools newly opened during 1948-49 and 1949-50. With reference to Government Memo.No.54196-C1/48-9 Education dated 21-9-49 a lump sum provision should have been made in Part II estimates for 1950-51, for payment of stipendiary grants in respect of training schools expected to be newly opened in this year. Such a provision was not proposed last year in connection with the Part II Estimates for 1950-51, because the opening of new ^{non} basic aided training schools was not expected in view of the policy of encouraging the opening of Basic training schools. Owing to the dearth of trained teachers of the secondary grade I have permitted the opening of three non-Basic aided Secondary training schools in the current year. The names of the new training schools and the number of students admitted in each are given below.

Name of the School.	No. of students.
1. Mary Immaculate Secondary Training School, Tirupathur (Women)	28
2. C.A. Secondary Training School, Ayakkad.	40
3. St. Ignatius Secondary Training School, Phirangipuram.	45

	113/-

The total number of ~~x~~ junior students admitted in the Schools is 113 and the amount of stipendiary grant required for 1950-51 Rs.16,272/-

2. There is no provision in the current year's budget to meet the expenditure of Rs.16,272/- required to pay stipendiary grants to the juniors admitted in the three training schools referred to above. The payment of stipendiary grants is absolutely necessary without which the students cannot be expected to continue the training. In the circumstances explained above I request that Government may kindly permit me to incur the necessary expenditure on payment of stipendiary grants to the three schools pending provision of funds in due course.

P.T.O.

3. I request the favour of early orders in the matter as the students have to be paid stipends as soon as possible.

Yours faithfully,

PICF From the D.P.I. No. 46/D9/50 dated 4-10-50

PICF The D.P.I. requests that he may be permitted to incur an expenditure of Rs 16,272/- for payment of stipendiary grants to junior students admitted into the training schools opened during the current school year.

(11) M/P36 CF M/P31 CF Vide P36 CF (11) Attention is invited in this connection to the notes on Pages 7 & 9 of L.O. No. 3769 Edu dated 8-12-49 and the memorandum order in Memo No. 54/96-C/48-7 Edu dated 22/6/49 and Memo No. 54/96-C/48-7 Edu dt. 21/9/49. In connection with the B.E. for 1950-51, the ^{Director} suggested a provision of Rs 46,080 for payment of stipendiary grants to juniors to be admitted into 4 Basic training schools to be opened during 1950-51. He did not suggest any provision in respect of ordinary training schools to be opened ^{in this year} during 1950-51 - Vide his T.H. on P37 CF of the L.O. at (14). He now reports that owing to the dearth of Secondary grade trained teachers, he has permitted the opening of three non-Basic ^{Basic} ^{in the current year} schools. It is for consideration whether an expenditure of Rs 16,272/- may be sanctioned during the current year for payment of stipendiary grants to the candidates admitted into the three training schools referred to above.

Finance may see for remarks.

schools in the current year and has requested that a grant of Rs.16,272/- be sanctioned and paid to them as early as possible.

2. In memo No.5419601/48-49 Education dated 21-9-49 it was ordered that, in future, in respect of training schools to be newly opened, lumpsum provision should be made in Part II estimates. In other words, provision for the stipendiary grant now required to be paid to the three schools should have been made in the current year's budget. The D.P.I. did not include any provision in the

Part II proposals which he submitted last year in respect of stipendiary grants to non-basic aided schools under the impression that no such schools will be opened this year. He has, however, permitted the opening of three non-basic schools.

This year, owing to the dearth of secondary grade trained teachers. In the circumstances, the proposal to sanction

a stipendiary grant of Rs.16,272/- to the three schools

this year may be agreed to in Finance, subject to Education obtaining orders in circulation H.M. Fin.

(The proposal need not be treated as a 'New Service', as

the expenditure involved does not exceed Rs.50,000/- non-

recurring). Education should, in due course, take necessary

steps to provide the additional funds required by reappro-

priation or otherwise.)

Finance agree to the proposal to sanction an expenditure

of Rs 16,272 for the payment of stipendiary grants to

the students admitted in the training schools referred

to on page 1 CF.

A draft order is submitted. Maybe circulated to
