Sri N.Somasundara Iyer,
Chairman,
Municipal Council, Vellore.

Dear Mr.Chettiar,

36076

You might have known that the previous Government, having come to the conclusion that more importance should be given to Physical Culture in schools, have ordered that 100 working hours in a year be allotted for the purpose. But unfortunately no arrangements have been made to supply the various schools with materials for Sports and Physical developments. The boys are asked to contribute something along with their school fees, but nothing substantial could be done so much so ^{That} most of the periods allotted for the purpose are wasted. Unless the Government supplement the income with a substantial grant the whole thing will be a farce and our boys will not get the required physical training.

I hope you will do the needful in the matter.

Yours sincerely,

N.Somasundara Iyer

To

The Honourable Sri T.S.Avinashilingam Chettiar,
Minister for Education, Government of Madras,
Fort Saint George, M A D R A S.

R.O.No.4350-L.2/46

Office of the
Director of Public Instruction,
Madras, Dated 10-8-1948.

From The Director of Public Instruction, Madras.

To The Secretary to Government,
Education and Public Health Department.

Sir,
Sub: Physical Education - Provision for increased grant - Amendment
to the Grant-in-aid Code.

61802

With reference to the Government's T.M. by Post No.36076-C.1/46-
10 Edn dated 22-9-47, I have the honour to state that on a re-examina-
tion of the case, I consider that if a special grant equal to the
difference between the amount spent by the managements and the fee col-
lection is paid, it will lead to all kinds of irregularities and the
managements also will spend recklessly when they know that the Govt.
will make up the expenditure. I fear the selecting of a few schools
for this purpose will also lead to favouritism.

vide
page 9 ante

page 10 SBBKM

Rule 58(i)(b) of the Grant-in-aid Code provides for payment
of grant not exceeding one-half of the difference between the expendi-
ture and the games fee collections during the year. If special
encouragement is necessary, this one-half difference may be changed to
2/3 of the difference. While Govt. pays grants the managements should
also make an equal or at least some contribution. This is the basic
principle of the grant-in-aid and it is best that this is adhered to.
I consider, therefore, that as a kind of encouragement, the one-half
difference may be changed into 2/3 and this will be in conformity with
the recent change providing for 2/3 net grant to schools which have
adopted the Government scales of pay for teachers. This condition may
be dispensed with in the case of games funds. Under the circumstances,
I recommend that the Government ~~that the Government~~ may be pleased to
amend the Grant-in-aid Code suitably so as to make necessary provision
in the rules for giving grants in connection with approved expenditure
on physical training and games not exceeding two-thirds of the dif-
ference between the expenditure and the games fee collections during
the year. If such provision is made, it is very necessary that the
games account should be kept separate including any contribution made
by the management and the accounts should be audited by the school
auditor.

Office of the
Director of Public Instruction,
Madras.
The Secretary to Government,
Education and Public Health Department.
Sub: Physical Education - Provision for increased grant - Amendment to the Grant-in-aid Code.
With reference to the Government's L.M. No. 36076/46-18 dated 19.11.1948, I have the honor to state that on a re-examination of the case, I consider that it is a special grant equal to the difference between the amount spent by the management and the fee collection is paid. It will lead to all kinds of irregularities and the management also will spend recklessly then they look at the Govt. will make up the expenditure. I fear the selection of a few schools for this purpose will also lead to favoritism.

Rule 58(i)(b) of the Grant-in-aid Code provides for payment of grant not exceeding one-half of the difference between the expenditure and the games fee collection during the year. It is a special arrangement is necessary. This one-half difference may be changed to 2/3 of the difference. While Govt. pays grants, the management should also make an equal or at least some contribution. This is the principle of the grant-in-aid and it is best that this is adhered to. I consider, therefore, that as a kind of encouragement, the one-half difference may be changed into 2/3 and this will be in conformity with the recent change providing for 2/3 net to schools which have adopted the Government scheme of pay for teachers. This condition may be dispensed with in the case of games funds. Under the circumstances, I recommend that the Government should be allowed to amend the grant-in-aid Code slightly so as to make necessary provision in the case of paying grants in connection with approved expenditure on physical training and games not exceeding two-thirds of the difference between the expenditure and the games fee collection during the year. If such provision is made, it is very necessary that the games account should be kept separate including any contribution made by the management and the accounts should be audited by the school auditor.

EDUCATION DEPARTMENT.

RC. No;4350-E2/46 dated 9-3-49.

From The Director of Public Instruction,
Madras.
To The Secretary to Government,
Edn. and P.H. Department,
Madras.

Sir,
SUB:- Physical Education - Provision for increased grant - Amendment to the Grant-in-aid code.
REF:- Government Memo No.36076/46-13-C1, Edn., dated 19-11-48.

With reference to Government memo cited, I may state as follows:-

Aided Secondary schools are now paid teaching grant on the basis of two thirds of the net cost, only if they have adopted at least the revised scales of pay fixed for teachers in Secondary schools under local bodies. Like teaching grant to aided secondary schools, the proposal under reference is to raise the basis of assessment of grant from one half to two thirds towards approved expenditure on physical training and games. But in my opinion in the case of grants towards approved expenditure on physical training and games, the adoption of the revised scales of pay fixed for teachers in secondary schools under local bodies need not be made a condition of eligibility for two thirds of the difference between the expenditure and the games for collections.

(2) It is reported by the Chief Inspector of Physical Education, Madras that the estimate of cost in this respect will be about a lakh of rupees.

(3) The Chief Inspector of Physical Education, Madras states that it is necessary to issue detailed instructions in the matter of keeping the games accounts separate. Please see his letter Roc. No.643/48 dated 8-1-1949 (copy enclosed) I agree with his remarks. He is being requested to prepare and submit a draft of necessary instructions on the subject.

J. O. Panchanathan
12-2-49

For Director of Public Instruction.

RVR 11/3.

12/3.

P.T.O.

Copy of Letter Roc. No.643/48 dated 8-1-1949 of the Chief Inspector of Physical Education, Madras to the Director of Public Instruction

Sub:- Physical Education - Provision for increased grant: Amendment to Grant-in-aid code.
Ref:- Proceedings Rc. No.4350-E2/46 dated 17-12-1949.

I request a reference to my Roc.No.151/47 dated 6-7-47 submitted in reply to Director's Roc. No.4350-E2/46 dated 16-10-46. In this communication I have submitted that a lakh of rupees per year may be budgetted for towards the sanction of grant-in-aid to schools in connection with the expenditure for games and sports. This amount was arrived at from a calculation of the expenditure incurred in schools during the year 1946-47 an ~~shtr~~ abstract of which was given in Annexures 1 and 2 to the communication referred to above. I suggest therefore that to begin with a lakh of rupees may be budgetted under this head.

P.T.O.

2. The games fund account in many schools are even now kept separate but there are a few who merge it along with the general schools. It is therefore necessary to issue definite proceedings on the subject and to instruct that the games fund amount should be kept separate and provision should be made by the management to see that the account is audited by the school auditor.

3. With reference to the auditing of the accounts instructions regarding the expenditure from the Games fund in the Director's proceedings Rc. No. 148-E/43 dated 7-9-43 should be strictly enforced. Extravagant expenditure in connection with inter-school sports and tournaments is one of the main defects of the administration of the games fund of the schools in these days. Instruction should also be given that extravagant expenditure pointed out by the Regional Inspectors of Physical Education or by the District Educational Officers during their inspection will be taken into account by the authorities for assessing grant-in-aid.

There are many schools which show expenditure on the improvement of playgrounds without any definite signs of improvement in the playgrounds. It is sometimes open to question whether such expenditure was incurred at all and whether such vouchers supporting the expenditure are readily valid. In this connection also any valid objection made by the Regional Inspector of Physical Education or by the District Educational Officer during their inspection should be taken into account while assessing grant under this head.

It seems desirable that the instructions regarding expenditure from the games fund issued in the proceedings of the Director referred to above should be further clarified and detailed. The Chief Inspector of Physical Education will draft proposals in this connection if required.

For Director of Public Instruction.

PART II SCHEME FOR 1950-51.

INCREASED GRANT FOR GAMES.

SUMMARY.

Head of Account.	Item of expenditure.	Ultimate cost.		Cost in 1950-51.	
		Recurring.	Non-recurring.	Recurring.	Non-recurring.
		Rs.	Rs.	Rs.	Rs.
1.	2.	3.	4.	5.	6.
37. Education - g- Secondary - Direct grants to Non-Govt. Secondary schools - Physical training and games.	Payment of increased grants to Non-Govt. Secondary schools for Physical training and games.	1,00,000	-	1,00,000	-

EXPLANATORY NOTE.

At present grants not exceeding one half of the difference ^{between the expenditure} on physical training and games and the games fee collections during the year may be paid to the managements of Secondary schools. Grants for ordinary purposes are now paid at 2/3 of the net cost. With a view to encourage physical training and games, the D.P.I. has proposed that the managements may be paid at 2/3 of the difference between the expenditure and the games fee collections instead of at ^{one half} ~~1/2~~ now permitted. The proposal involves a recurring expenditure of Rs. 1 lakh per annum H.M.(Fin.) has minuted in this connection as follows. "Certainly this reform can wait! Since this is not a reform but the correction of an anomaly H.M.(E. & L.) has minuted "Let it go as Part II and we will decide at the S.F.C." with which H.M.(Fin.) ^{has} agreed. This dept. therefore recommends that a provision as indicated above may be made in the B.E. for 1950-51.

PHYSICAL EDUCATION - Increased grants

Letters from the D.P.I., No.4350-E/46, dated
6th Sep. 1947, 10th August 1948 and
9th March 1949.

Please see the letters from the D.P.I. on pages
9, 17, and 20 c.f. According to paragraph 58 (1) of
the Grant-in-Aid Code, grants not exceeding one half
of the difference between the expenditure and the
games fee collection during the year may be paid
towards expenditure on physical training and games.
The Director now proposes that with a view to encourage
Physical education grants not exceeding $\frac{2}{3}$ of the
difference between the expenditure and the games fee
collection may be paid.

As the policy of Govt. is to encourage Physical
Education in schools and as grants for ordinary pur-
poses are now paid at $\frac{2}{3}$ of the net cost it seems
that the proposal may be accepted. The Director
anticipates that the expenditure involved in the
proposal will be about a lakh of rupees. The file
may be sent to Finance for remarks before circulation.

E. P. H. U. O. No

36076-C/46-14 Edu

29-3-49

According to para 58(1) of the Grant-in-Aid
Code, grants not exceeding one-half of the difference
between the actual expenditure and the games fee collection
during a year may be paid by the Govt. as grant towards
physical education in non-Govt. secondary schools. At
the instance of the Chairman, Municipal Council, Vellore,
the question of revising the basis of the above grant is
now proposed. The D.P.I. has proposed that the maximum
grant admissible may be raised from one-half to two-thirds
of the difference referred to above. The extra cost to

Govt. on account of the proposed enhancement is estimated at about Rs. 1 lakh (one lakh) per annum. E & P.H. propose to accept the proposal.

2. It appears from the letter of the Chairman, Vellore Municipal Council, at p.1 CF. that ~~he~~ he is not aware of the fact that the Govt. are already giving half grants for physical education. As the intention is that the managements also should contribute towards the expenditure, it is only reasonable that they should meet at least half of the net expenditure on physical education.

The extra cost to the Govt. on account of the proposed enhancement of the maximum limit of grant from one-half to two-thirds is large and recurring (Rs 1 lakh p.a.). In view of the present state of the finances of the Province, it does not seem desirable to approve it. The managements may be told either to make larger contributions from their funds towards games expenditure or raise the rate of games fees to the extent necessary to provide adequate physical education. In these ~~the~~ circumstances, Finance may advise against the proposal.

3. If E & P.H. wish to press the proposal, they may be requested to bring it forward as a Part II scheme for 1950-51, as it is not one of great urgency for immediate introduction.

10A B
5449

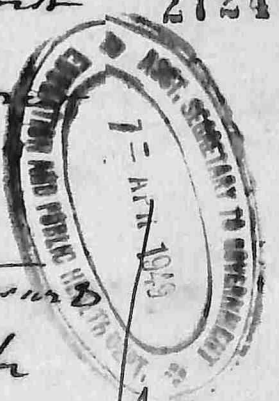

In view of the large deficit

Shown in the Budget for 49-50 it does not seem desirable to admit any further commitments or any increase in the existing commitments. 50% grant now allowed towards physical education does not seem to be inadequate. There seems no real necessity for increasing the existing rate at this juncture. Finance would advise against the proposal.

I am inclined to agree with Finance. Ray is brought up, as a Part II scheme, of 14. M. M. in this, any increase on the existing 50% grant is justified.

11/2

14. M. (Edu) may be considered as a Part II scheme.

Page 23 [From the D.P.I. No 2275-L4/49 dated 16-9-49.]

Notes from P.1 above and the orders in circulation may be perused. The D.P.I. has renewed the proposal for the payment of increased grant to the schools involving an

an expenditure of Rupees 1 lakh per year.
He has also reported that he is making a provision
of Rupees 1 lakh in Part II of the B.E. for 1950-51
for implementing the scheme.

The remarks of Finance may be invited

Finance (B.E.II)

Part II Scheme for 1950-51.

Payment of increased grants to Non-Government
Secondary Schools for Physical & Training and Games.
Estimated Cost Rs 1,00,000/- per annum.

The proposal is to raise the maximum grant admissible
to Non-government Secondary Schools for physical training
and games from one-half to two-thirds of the difference
between the actual expenditure and the games fee collection
during a year. The extra cost to the Government on acct.
of the proposed enhancement is estimated at Rs 1,00,000
per annum. This department has already advised against
the proposal - please see previous Fin.note on pp.1-2 above.
E.& P.H. now recommend that the proposal may be considered
as a Part II Scheme for 1950-51. According to the latest
instructions issued in Finance Memo.No.57243A/PWR-3, dated
12-10-1949, only those schemes which will involve very
little recurring expenditure and which are considered to

be really and immediately essential for the proper
running of any department should be considered as
Part II Schemes for 1950-51. As the ^{present} proposal involves
a large recurring expenditure (Rs 1,00,000 per annum)
and as it cannot be considered to be really and imme-
diately essential, Finance may suggest that it be
deferred.

E.P.H.
C1

Finance dept. suggest that the proposal may be
deferred as the proposal involves a large recurring
expenditure of Rs 1 lakh per annum. They consider
that the proposal is not a really and immediately
essential one.

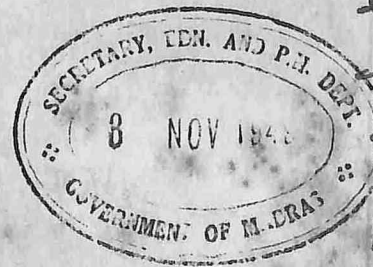

For orders whether the proposal may be pressed
