Ref: G.O.No. 1970 dated 17-6-49.

SPARE COPIES _____

1 Government in their above order sanctioned 50% grant for 49--50 to the Board High school, Kollegal with a maximum subsidy of Rs. 5000/- on actual purchase of the equipment, the total cost of the articles have come to Rs. 11,697--9--0 and 50% grant of Rs. 5,808--3--0 is drawn for the Board High School, Kollegal. Thus there is an excess of Rs. 808--3--0.

2 The excess in the cost is due to the fluctuation in prices which could not be foreseen. Further the total grant drawn for all the school taken together is not in excess of the grant sanctioned to the District Board for all the schools. The fluctuation of prices have been approved by the Divisional Inspector, Coimbatore in his letter Rc. 331/3/48 dated 17-3-50, copy enclosed.

3 The Dist. Board in its resolution 85 dated 27-4-50 have resolved to address the Government for the condonation of the excess drawal of Rs. 808--3--0 to the Board High School, Kollegal (copy enclosed).

4 In the above circumstances, I request you to kindly condone the excess drawn i.e., Rs. 808--3--0 for the Board High School, Kollegal to avoid audit objection.

Condone the irregularity on the ground that the total subsidy drawn by the St. Bd. Coimbatore, in respect of all the four schools (which were admitted to the subsidy) is not exceeded. When separate maximum limits of subsidies have been fixed for each school, it does not appear proper to condone the irregularity in question merely for the reason stated at A' above.

In fact, when a half grant of Rs. 5000 was sanctioned, the total cost was estimated at more than twice the amount, i.e. Rs. 10736. The excess drawn should therefore be refunded.

Finance may therefore advise that the St. Bd. may be asked to refund the excess amount drawn immediately.

ENCLOSURES _____

SPARE COPIES _____

In the above order Government have directed that the subsidy of Rs. 808-3-0 (Rs. eight hundred and eight and annas three only) drawn in excess of the subsidy sanctioned in G.O. 1970 Edn. dated 17-6-1949 towards the cost of purchase of equipment for the Board High School, Kollegal be refunded to Government immediately. I submit the following facts for your reconsideration.

The alleged excess is due only to purchase of furniture to the Board High School, Kollegal in addition to other equipments. The indents were prepared early in the year 1948 and the cost were noted according to the then prevailing market rate. The grant was sanctioned in June 1949 and tenders were called for the supply of furniture in December 1949. All possible steps were taken for giving wide publicity and even it was published in news papers. The lowest tender received was for Rs. 6855/-/- excluding sales Tax. Including the sales Tax the total cost was Rs. 6962-2-0. The excess in the cost is due to the fluctuations in the rates. There is no increase in the number of articles or change in the articles. They are as per indent originally approved by the Divisional Inspector of Schools. The Divisional Inspector of Schools was addressed to approve the deviations in price in respect of Board High School, Kollegal and to approve the deviations in the number of articles of the Board High School Dharapuram in this office letter dated 14-3-50 copy of which is enclosed. The Divisional Inspector of Schools in his letter dated Rc. 331/B/48. dated 17-3-1950 (copy enclosed) stated that the deviation proposed by you are approved subject to the conditions that the subsidy will be restricted to the amount sanctioned by the Government. Accordingly the total grant drawn in respect of all the schools was restricted to the sanctioned amount of Rs. 9877-0-0 though the District Board incurred a total cost of Rs. 19835-5-0 and 50% of it is Rs. 9917-9-0. Further in respect of Board Secondary Schools Saty, Dharapuram and Perundurai the 50% grant drawn is less than the sanctioned amount.

In this connection I bring to your kind notice that Government have waived the excess drawal of Rs. 1040/- in a similar case relating to 1947-48 in G.O. Ms. 1317 Edn. dated 24-4-50 copy of which is enclosed for your information.

In S.O 1970 Edn d. 17.6.49, Subsidies
were distributed to local bodies towards the
purchase of equipment for Secondary Schools.
Local bodies should purchase necessary
equipment according to the approved indent
and claim the subsidies sanctioned ^{before March 1950} (The equipment
grants sanctioned to the Dt. Bd., Coimbatore in
respect of four schools under its control and those
claimed by the Dt. Bd. are shown below in one

It will be seen from the figures above
that the entire grant drawn from Govt. was
utilised on the purchase of equipment for
Secondary Schools though there is slight variation
between the grant drawn sanctioned and the
grant drawn in the case of individual schools.
In the case of Bd. High School, Kollegal, the subsidy
drawn was in excess by Rs 808/- while in the
case of other three schools, the grant actually
drawn falls short of the sanctioned grant.
In as much as the grant drawn for the school
at Kollegal was in excess of that admissible,
the recovery of the excess grant was ordered in S.O.

Edn d. 11.11.50.

2. The P.D.B. Gumbatone has asked the
to waive the recovery is as much as the
grant drawn was not in excess of that
sanctioned i.e. 8.0 1970 Ed d. 17.6.49.
The slight excess in the case of the school at
legal should ~~not~~ ^{not according to the order} be reviewed following
orders of Govt. Similar cases issued in
1317 Ed d. 24.4.50. In the circumstances
reported and in view of the fact that the
total grant drawn does not exceed the total
grant sanctioned, it is for orders whether the
recovery already ordered may be waived.
