Sir,

Sub: Madras Educational Service - Chief Inspector of Physical Education - Appointment.
Ref: Government Confdl. Memo No.7658 A.1 Edn., dated 1st February 1950.

@@@

p.1 ank

With reference to the Government Memo. quoted above, I may state as follows:-

2. There are in all 17 posts of Regional Inspectors of Physical Education and Physical Directors in the Madras Educational Subordinate Service and the incumbents of these posts possess a Diploma in Physical Education of the Y.M.C.A. College of Physical Education, Saidapet, besides a degree in Arts or Science. A few of them possess, in addition a degree in teaching also while one of them has acquired the M.Ed. Degree of the University of Madras. Some of these officers have nearly 20 years of service in this Department to their credit with good record. Most of the senior officers in the category of Physical Directors are past 40 years of age now. Having regard to their academic qualifications, professional experience and advanced age, I feel that it would not be equitable to force these departmental officers to compete on equal terms with outsiders for appointment to this post. Further, direct recruitment to this isolated post would be very unfair to the existing members of the Education Department who have only this one post to look forward to for promotion. In my opinion, there are good reasons for recruiting a candidate by transfer from the Subordinate Service, specially when suitable candidates are available in that service for appointment by transfer to the said post. I feel that, if this post is not thrown open to departmental officers for appointment by transfer, it will certainly cause keen disappointment among the members already in service and result in lack of enthusiasm and efficiency among the members of the Subordinate Services. I may also add that the post of Chief Inspector of Physical Education is still a temporary one and the question of direct recruitment to the post may have to be decided with reference to the rotation prescribed in Rule 2(d) of the Special Rules for the Madras Educational Service only after the post is permanently retained. In the circumstances, I submit that the Government may be pleased to reconsider their orders contained in their Memo. under reference.

A

3. If, however, the Government decide otherwise to fill this temporary post by direct recruitment in the manner specified in their Memo. under reference, I submit for the approval of Government the following draft of the amendments to the ad hoc rules governing the post. In this connection, I may point out that in the ad-hoc rules already issued, it has been laid down that even for recruitment by transfer an additional degree or diploma of any Indian or Foreign University acquired as a result of study or research in the subject of Physical Education has been prescribed. As none of the present members in the Subordinate Educational Service possesses such additional degree or diploma, but all the same can be considered for appointment to the post, I consider that the qualifications prescribed may be amended so as to drop the provision for additional degree ~~of~~ or Diploma in respect of members who are already in service.

Sir,

Subject:- Madras Educational Service - Chief Inspector of Physical Education - Method of recruitment - ad hoc rules - Amendment.

Reference: Government Memorandum No.7658 A.5 Edn., dated 24th July 1950.

---

p.7 a.c

In the circumstances stated in paragraph 2 of the Government Memorandum referred to above I agree that no qualifications need be specifically prescribed for appointment ~~as~~ to the post of *Chief ~~Prefe~~ Inspector of Physical* Education and that even the preferential qualification of B.T. or B.Ed. need not be insisted on. I may submit, however, that if and when the temporary post of Chief Inspector of Physical Education is retained permanently and is included in the Special Rules for the Madras Educational Service there will be need to make a specific mention about the qualifications although the recruitment by transfer may be confined to Physical Directors and Regional Inspectors of Physical Education only. It is not desirable to leave the qualifications for any post to be inferred, when the Special Rules for the Madras Educational Service should be self-contained in respect of qualifications.

2. I accept the draft amendments to the ad hoc rules as proposed in the Government Memorandum under reference.

P.T.O.

2.

3. In this connection I may point out that in Rule 2 of the ad hoc rules governing the temporary post of Chief Inspector of Physical Education the pay of the post has been shown as Rs.200-30/2-260-40/2-500-50/2-700. Since the minimum pay of the scale has been raised from Rs.200 to Rs.230 for all posts in the Madras Educational Service, the scale given for the post of Chief Inspector in the ad hoc rules may also be revised as Rs.230-30/2-260-40/2-500-50/2-700 in conformity with the scale of pay for other posts in the Madras Educational Service.

EDUCATION DEPARTMENT (A).

Post of Chief Inspector of Physcial Education
Method of recruitment.

13

The temporary post of Chief Inspector of
Physical Education in the M.E.S. was occupied by Dr.
G.F. Andrews, a promotee. When he went on medical leave
G.O.No. 1016 Edn 7.4.49 (K)/2-4 in March-April 1949, Sri A. Padmanabham Naidu, Physical
Director in the Subordinate Service, was temporarily
appointed in his place. Dr. Andrews did not recover
from his illness. He died in November 1949, when the
G.O.No. 206 Edn 28.1.50 (T)/61-67 question of reverting Sri Padmanabham Naidu and promoting temporarily his senior, Sri E.K. Varadan, was
(T)/9-10 considered. The D.P.I. however did not recommend Sri
Varadan's appointment but favoured Sri Naidu's continu-
(T)/67. ance. The question of promoting Sri Varadan was therefore dropped.

2. A private candidate by name Sri K.V. Varki,
(T)/3 who was in U.S.A. and who was expected to return to India in May
1950, also applied for the post. The D.P.I. said that
(T)/6 Sri Varki was not qualified, in that he did not pos-
G.O.No. 900 Edn 25.4.46 Q/17 C.F. sess the prescribed I or II Class M.A. or Hons. degree
(in any general subject); that he had also exceeded the
age-limit of 30; and further that his appointment would
cause hardship to departmental officers, scope for
(T)/6 whose promotion lay only in the Chief Inspector's post.
-do- He recommended that the post should be filled only by the
promotion of an officer in the Sub. Service. This Dept. took the view that as Sri Varki
(T)/62-63 had taken a high foreign degree in Physical Education -
viz., M.A. of the Columbia University (U.S.A) - and
(T)/3 was also due to obtain his doctorate degree, his quali-
(T)/12 fications might be taken to be better than those pres-
cribed and that his over-age ~~should~~ might be condoned.

H.Ms. and H.C.M. previously held in some other cases that the
adoption of the method of filling ~~high~~ top posts in the
Edn. Dept. by promotion had told upon the efficiency
of the Dept. and that steps should be taken to recruit
highly qualified and brilliant men direct from outside,
(T)/13 Having regard to that view, this Dept. also suggested

P.T.O.

that the Chief Inspector's post should be thrown open to direct recruitment, departmental officers also, however, being permitted to apply for such recruitment. This suggestion was accepted in circulation. The Dir. was informed accordingly and asked to send up necessary draft amendments to the rules.

(T)/63

(T)/63 & 64

(T)/8

3. Urging again that direct recruitment to the post would be very unfair to the existing Physical Education officers, as it is the only post to which they can look forward for promotion, and that it would certainly cause keen disappointment and result in lack of enthusiasm and efficiency among them, the D.P.I. has now asked for a reconsideration of the Govt.'s previous decision. It does not seem that the interests of individual officers should be allowed to over-ride the interests of the Dept. as a whole. The previous decision may, it seems, stand.

cf 2

cf 2

As a concession, it was already decided that deptl. persons also should be permitted to apply for direct recruitment and take their chance along with outsiders. The Dir. states that it would not be equitable to force these officers to compete on equal terms with outsiders. When the object is to get the best men available, wherever they are, whether in service or outside, there is no point in this statement. Under the rules, a person for appointment to the post by promotion should possess the general academic qualification of B.A. or B.Sc. degree whereas a direct recruitment should have an M.A. or Hons. degree. The age-limit for direct recruitment is 30 and that for promotion is 52. It will thus be seen that the two classes of recruits need not possess equal qualifications.

(T)/63

cf 2

Q/cf 17-18

M.E.S. Special Rule 5 — BK. 113

Both direct recruits and promotees should have obtained, besides the general academic qualification, (1) the diploma of the ~~(1)~~ Y.M.C.A. College of Physical Education, Saidapet, and (2) an additional degree or diploma acquired by study or after research in Physical Education. The Dir. states that as none of the present members of the M.E.S.S. possesses the addl. qualification (2) above, but ~~nevertheless~~ nevertheless, can be considered for the post, that qualification need not be insisted on in their cases and that the rule may be amended in their favour suitably. This itself is sufficient justification for resorting to direct recruitment.

Rule 3(a)(iii) & (b)(iii) at (Q)

cf 17-18.

para 3 of cf 2

4. In the circumstances mentioned above, it is for orders whether the Director's recommendation for filling the post by promotion will be accepted or whether, as already decided, the post will be thrown open to direct recruitment. In the latter case (even though deptl. officers do not satisfy the additional qualification of a degree or diploma obtained by study or research) as a further concession, they, with their present qualifications, may be allowed to compete for the appointment along with outsiders and the rules may be amended to enable them to do so. The file may be circulated to H.M. (E.&.L.) and H.C.M.

P.A.

Is this not similar to the post of Woman Specialist in Physical Education? (which we have recruited direct)? Are there ~~not~~ some subordinate to her — corresponding to Regional Physical Edn. Inspectors + Physical Directors? How many?

8.5.50.

The work of the Ch.Inspr. of Physical Edn. is similar in nature to the work of the Woman Specialist in Physical Edn. But the volume of the Ch.Inspr.'s work is much larger than the volume of the Woman Specialist's work - the reason being that the number of boys' schools far exceeds the no. of girls' schools.

There are no posts in the Women's Branch corresponding to the posts of Regional Inspectors of Physical Education.

There are Physical Directors in Men's

colleges and Physical Directresses in Women's colleges. But neither the Ch.Inspr. nor the Woman Specialist ~~xxxxx~~ exercises any authority over them. They merely visit the colleges and tender advice. Supervision is exercised over the Physical Directors and the Physical Directresses by the Principals of the colleges concerned. Even the Regional Insprs. of Physical Edn. are not under the administrative control of the Ch.Inspr. of Physical Edn. The Divl.Insprs., to whose offices they are attached, are their superior authorities.

9/5/50

9/5/50 S

The point whether the post of Chief Inspector of physical education in the M.E.S. should be filled by direct recruitment or not was considered fully and orders were passed on 25 & 27-1-50 by H.M.(E&L.) & H.C.M. that the post should be thrown open for direct recruitment, men in service also being made eligible to apply. There is no reason now to change the order. It may stand.

Under the rules for the post as they stand now, in addition to the general academic qualfn. of B.A. or B.Sc., the promotees should possess -

(1) the diploma of the Y.M.C.A. College of Physical Edn., Saidapet; and

(2) an additional degree or diploma of any Indian or foreign Unty. acquired as a result of study or research in the subject of Physical Education.

B at cf 2

The other recommendation of the D.P.I. in his letter at p.2 C.F. is that qualfn.(2) above may be dropped, as none of the present members of the Subordinate Service possesses it. It is presumed that this point was not specifically discussed by H.Ms. with the D.P.I. It seems that, instead of dropping the qualfn. altogether, the Govt. may lay it down as a preferential qualfn. so that in the event of any officer possessing the qualfn. becoming available in future, he may be selected, other things being equal. Orders of H.M.(E.&.L.) and H.C.M. may be taken.

When the appointment to the post is by transfer as is decided now & when it is ~~by~~ a selection post why mention qualifications at all. Simply say that the appointment will be by ~~the~~ transfer from Regional Inspectors Will that not do? pl.

KM
3/7

In the case of most of the posts in the M.E.S., qualifications for 'transfer' also are in force. The statutory rules at p.17 C.F. of "Q" prescribe the following qualifications for appt. to ~~for~~ the post of Chief Inspector of Physical Education ~~for~~ by recruitment by transfer from among Regional Inspectors of Physical ~~Directors~~ Education and Physical Directors:-

(1) B.A. or B.Sc.
(2) Y.M.C.A. College Physical Education Diploma.
(3) An additional degree or diploma of a University in Physical Education.

As the rules stand now, only if officers in the Subordinate Service satisfy all the above items of qualfns., they can be considered eligible for transfer to the post. Otherwise, the Commission will not go into their suitability at all & will class them as "not technically qualified".

The D.P.I.'s recommendation is for deleting item (3). This depts ~~wants~~ suggestion is, not to continue item (3) as a basic qualification, but to lay it down as a preferential qualfn. ~~For orders.~~ This will result in the standard being kept high and even departmentalist people will try to acquire that qualifn. ~~For orders~~

It is desirable to retain that as an additional (but not compulsory) qualification
BS
3.7.50.

If the Dir.'s recommendation is to be accepted, items (1) and (2) also can, it seems, be omitted from the rules - in other words, no qualfn. need be specifically mentioned -, as the Physical Dirs. and the Regional Insprs. of Physical Edn. would already possess items (1) and (2) which are prescribed for them by the Special Rules for the Subordinate Service. The amendment to the rules for the Ch.Inspr.'s post will be drafted in consultation with Legal; the M.P.S.C.'s views on the amendments will also have to be invited before they are actually issued.

The Dir. suggests that the scale of pay of Rs. 200-700 mentioned in the ad hoc rules for the post may be revised to Rs. 230-700 consequent on the rise in the minimum pay ordered for all posts in the M.E.S., in G.O. No. 78-Fin., of 5.2.47. This suggestion may be accepted. Necy. addition has been made to the draft at p. 8 cf.

2. Though the Dir. agrees that now no qualfns. need be specifically mentioned in the ad hoc rules, if & when the post is made permanent & the spl. Rules for the M.E.S. amended, those rules shd. be allowed to contain provisions about qualifications also for the post. This may be considered at the appropriate time.
