Sub: Conference of Institute of Engineers (India) held at Patna - Sanction of Travelling Allowance to Prof. A. Viswanath, Principal, Arthur Hope College of Technology.

***

Professor A. Viswanath, Principal, Arthur Hope College of Technology, Coimbatore in his letter dated 20-1-1950 (Copy enclosed) below applied for permission to be out of Headquarters from 25-1-1950 to 2-2-1950 both days inclusive in order to enable him to attend the Annual Conference of the Institute of Engineers (India) at Patna. He has also requested that he may be granted Travelling Allowance for the journeys and that his absence from the Headquarters may be treated as on duty. In this connection the Principal states that he attended the conference when he was previously in India Government (Central) Service and requests that the concession in regard to Travelling Allowance etc accorded to the officers of the Public Works Department, Electricity and Highways Department in G.O.No.4258 P.W.D. dated 17-11-1949, may be similarly granted to him. In anticipation of sanction the Principal attended the conference.

In the circumstances stated above I recommend that the absence of Prof A. Viswanath from Headquarters may be treated as on duty and that in regard to allowances his case may be treated similar to the cases mentioned in the G.O. quoted above.

Yours faithfully,

K Subramaniam 28

The no. of officers enjoying the concession was, however, restricted to 15 - in all the three depts. put together. The Govt. further permitted all the member-officers in the three depts. to attend the annual meetings of the Local and Provl. centres of the Institution and to draw, in connection with attendance at such meetings a single railway fare one way and half Daily allce., if the officers lives within 200 miles, and a single railway fare to and fro, without daily allce., if they lives beyond 200 miles from the place of the meeting.

The justification that exists for P.W. officers being given the concession - viz., with the expce. gained at the conference they can do their work more efficiently - holds good in the case of officers in Engg. Colleges also. It is essential that instruction ~~is~~ imparted in the colleges covers all up-to-date developments in the field and has ~~xxx~~ close relation to the practical side of Engg. This dept. may therefore recommend that Sri A.Viswanath's request as supported by the D.P.I. may be allowed — i.e., in addn. to treating his period of absence as duty, he may be allowed a single rly. fare to and from Patna.

From the details contained in the list of gazetted officers in the Edl. Dept., it is seen that Sri V.H.Sadarangani, Prl., Engg.College, Kakinada, is the only other Principal who is a Member of the Institution of Engrs. (India). Lt.Col.S.Paul and Majaor B.H.Marley, Principals, Guindy and Anantapur, do not seem to be members of the Institution.

Eri Sadarangani did not apparently attend the conference. No request ~~for~~ even for treating the period of his absence from ~~dutyxxx~~ hdqrs. as duty was recd. by Govt. and it is unlikely that he took leave and attended the session.

If the individual case of Sri Viswanath is to be turned down, it is for orders whether the D.P.I. may be asked ~~xxxx~~ whether generally the attendance of the officers in the Engg. Colleges at the Institution's meeting will be of use to them in their work in the colleges and, if so, how many member-officers are there in the colleges and how many of them, he suggests, shd. be sent every year to the conference.

Sir,

Sub: T.A. Annual General Meetings of the Institute of Engineers (India) and its local centres - Attendance by members of the staff of Engineering Colleges - Sanction - Requesting.

(E)

In G.O.No.Ms.No.4258, Public Works, dated 17-11-1949 Government were pleased to permit certain Officers of the Public Works Department who are members of the Institution of Engineers (India) to attend the meetings of the Institution under certain conditions. It is now represented to me by the Principals of Government Engineering Colleges in the State that the attendance of the Professors of Engineering Colleges at such meetings is more important for them than it is for the practising engineers and that the concessions allowed in the G.O. cited may as well be extended to the Member-Engineers of all the Engineering Colleges in the Presidency.

2. The participation in the discussions of the conferences will enrich and stimulate their ideas which will be of much help in the conduct of research in the Colleges. By the Professors attending such professional conventions a close liaison can also be maintained between the students and their prospective employers. It may be pointed out, in this connection, that in the U.S.A. it is obligatory on the part of the Professors of Technical Institutions to attend the several conventions held from time to time so that they are posted with uptodate developments.

~~2~~ 3. I therefore request that Government may be pleased to empower the Director to depute 8 Officers from the 4 four Engineering Colleges (2 members from each Engineering College) to attend the General Body meetings of the Institution of Engineers (India) and allow them T.A. in the same way as Engineers of the P.W.D.

I invite reference to Government Memo No.14416.A.5 Edn. dated 22-6-1950 wherein it has been indicated to me that the concessions granted in G.O.No.Ms.P.W.D.4258 dated 17-11-1949 cannot be extended to me. As the orders of the Government of Madras are the outcome of a request from the President of the Institution of Engineers (India), Calcutta, on behalf of all Engineers in the Madras Government Service, irrespective of the department in which they work, I feel that the inclusion of the Engineer Members of the Education Department might have been overlooked. In particular, when the Engineer Members of the Madras Educational Service as well as of the Public Works Department are now both under the Hon'ble Minister for Public Works Department, it would seem very invidious if a distinction is made disallowing the Engineer Members of the Education Department alone from the benefit of the concessions. I had an opportunity to discuss about this to the Hon'ble Minister for Public Works Department and hence, I am making this representation.

2/7

In the light of the above, I shall be grateful if the Government will reconsider their orders issued in Memorandum No.14416/A5 Edn. dated 22-6-1950 and grant me travelling allowance for attending the last annual meeting of the Institution of Engineers in Patna.

Colleges, the Dir. has proposed that he may be empowered to depute eight officers from the colleges (two from each) to attend the General Body meetings of the Instituion and pay them T.A. at the rates ~~permitted in respect of~~ sanctioned for P.W.D. officers, (i.e., single fare to & fro.) He has explained how it is more important for the Professors in Engg. Colleges than for the practising engineers to attend such meetings. This dept. may therefore recommend the acceptance of the proposal. Two officers from each college is a very modest number.

Edn. Dept.(A).

Eight officers from the different depts. of study (Civil, Mech., and Electrical Engg., etc.) is not at all a big number for the four Govt. Engg. Colleges. The object of the deputation of the officers to the meetings of the Institution of Engrs. is to improve the standard of instruction in the Engg. Colleges. ~~The quality of future engineers in the State depends upon the teaching staff of the Engg. Colleges.~~ If this object is to be achieved, no reduction, but on the contrary an increase, has to be made in the number of teachers deputed. The quality of future engineers in the State depends upon the teaching staff of the Engg. Colleges. The argument that there is a general need at present for effecting economy in expre. ~~at present, cannot~~ need not, it seems, be ~~applied~~ advanced here ~~with~~ much conviction. The Dir.'s proposal may therefore be accepted without any modification. Fin. may kindly reconsider.

From the President, the Institution of Engineers (India) Calcutta, letters No.79 dated 18-5-48 and No.nil dated 31-3-1949.
From the Chief Engineer, P.W.D.(General) - D.O.No.6174-A-D2/48- dated 26-1-49 and post copy of T.M.No.6174-A-D2/48-4, dated 8-2-1949.
From the Chief Engineer for Electricity No.932-H/49-2 dated 26-5-49.
From the Chief Engineer (Highways) letter No.7225-A1/49-2, dated 17-8-1949.

ORDER:-

The President, Institution of Engineers (India), Calcutta, has requested this Government to allow travelling and halting allowances as on tour to Members of the Institution who are serving under this Government and who attend the meetings of the Institution as well as of its local centres. It is represented that the Government of India are allowing travelling allowance to their P.W.D. officers ~~at meetings of the Institution~~ who are members of the Institution, for attending the annual general meetings of Institution, and that the attendance of P.W.D. officers at meetings of the Institution would not only be of professional advantage to the officers concerned but would also be of value to the State. The proposal has been examined in consultation with the Chief Engineers, P.W.D., Electricity and Highways and His Excellency the Governor of Madras is pleased to issue the following orders:-

(i) Attendance at all meetings of the Institution by officers of the P.W.D., Electricity and Highways Departments, who ~~xxx~~ are members of the Institution, will be treated as on duty.

(ii) The number of members, officers, who are permitted to attend the annual General meeting of the Institution of Engineers (India), All-India centre, is fixed at 15 (fifteen only). The Chief Engineers, P.W.D., Electricity and Highways may by common agreement select officers upto 15 from among the qualified officers serving in their Departments. It is however open to a Member-officer who is not so selected in a particular year to attend the meeting, provided he will meet the entire cost of travelling, etc. himself and his normal duties do not suffer. His absence in such cases will be treated as on duty.

(iii) Annual General meeting all India Centre: Travelling Allowance: Every member-officer selected for attending the meeting will be allowed a single fare by way of Travelling allowance (appropriate to his grade) for journey to and from his place of residence. No mileage for road journeys or Daily Allowance will be allowed.

-2-

(iv) Annual General Meeting - Local or Provincial Centres - Number of members to attend.

All officers of this Government who are members of the Institution may be allowed to attend the meetings provided their normal duties do not suffer.

(v) Annual general meeting - Local or Provincial Centres - Travelling allowance ~~fxx~~ for members officers living within 200 miles of the place of meeting:

A single railway fare one way and half daily allowance for all days including days of journey will be allowed.

(vi) Annual General Meeting - Local or Provincial Centres - Travelling allowance for persons living more than 200 miles from the place of meeting:-

Single railway fare to and fro will be allowed without any daily allowance.

(vii) Authorising the Chief Engineers to permit members to attend meetings of the Institution in urgent cases in anticipation of Government sanction:

The Chief Engineers are authorised to permit member officers working under them to attend meetings of the Institution in urgent cases in anticipation of Government sanction, subject to the condition that the total number of members deputed from the Public Works, Electricity and Highways Departments at Government cost to the Annual General Meeting of the Institution, All-India Centre - does not exceed fifteen (15).

the Institution of Engineers and who attend the meetings of the Institution and its local centres with the approval of the Administrative Officer under whom they might be serving, travelling and halting allowances as on tour, your Government have restricted permission to only P.W.D.Officers and have consequently issued a directive to the Chief Engineers, P.W.D., Electricity and Highways as stated in (i), (ii) and (iii) above. It is now represented to me by qualified engineer officers serving in the Education Department of your State as per list attached that they are excluded from the benefit of the concession allowed to P.W.D Officers etc. by your Government. I would, therefore, request that these and similarly-placed officers may also, if your Government agrees, be given the benefit of the provisions in paragraphs (i), (ii) and (iii) as granted to the Officers of the P.W.D., Electricity and Highways Departments.

The engineer officers of the Education Department frequently submit valuable technical papers for publication in the Journal of the Institution which are subsequently read and discussed at the annual general meeting. Being authors of the papers, they are requested by the Institution to attend meetings, so that they may be in a position to introduce their papers and take part in subsequent discussion.

X

It is obvious from the above that attendance of Engineer Officers attached to the Education Department at the annual meetings of the Institution would not only be of professional advantage to the officers concerned but would also be of value to the State. I, therefore, request that the benefit may be extended to these officers and if necessary, the number of members permitted under (ii) above may be increased from 15 to 20.

Yours faithfully,
