No. 2843-D7/50-1, dated 30th October 1950.

Sir,

Sub:- Access to records - Srimathi A.K.Vasumathi - Permission to consult records relating to the 'Separation of Judiciary from the Executive'.

Ref:- G.O.Ms.No. 430, Education, dated 11th February 1950.

In the G.O. referred to above Srimathi A.K.Vasumathi, Research Student in Politics, Presidency College, Madras, was refused permission to consult the records relating to Separation of Judiciary from the Executive. The Professor of history and Politics, Presidency College has, however, now written to me requesting me to permit the student to consult at least the records prior to 1900. The reason why she was previously refused permission was that she wanted to consult the records from the earliest times down to the present and the records of the last 50 years were found to contain a great deal of confidential information. There is, however, no objection, so far as I can see, to her consulting

the records prior to 1900, as I have not seen any records upon her subject in this period which are of a confidential or controversial nature. I, therefore, recommend that she may be permitted to consult the records prior to 1900 relating to her subject. If the permission is granted I shall scrutinise the notes taken by her and see that she is allowed to make use of only such information as is unobjectionable.

Yours faithfully,

M. R. O.
