The Comr. Vinadhunagar Mty applied for a subsidy of Rs 49,250/- towards one half of the cost of constructi of a building for the Ml. High School during 1949-50. According to the existing orders, the maximum subsidy payable was only Rs 35,000/- The questi whether any subsidy should be paid was considered i connect with the Budget estimate for 1950-51 and it was ordere i 8.03245 Ed d. 24.10.49 that no subsidy need be sanctioned from Provincial funds towards the cost of constructi of the building as the Ml. cl. could meet the entire expenditure from its own funds.

2. ~~The DP~~ In pursuance of orders issued i and put up the L.A. Sept callig for applicati for grants to local bodies, the Comr. Vinadhunagar Mty has sent i an applicati to the DP9 reiterating the Council's request for a half grant. The DP9 has included a provision of Rs 35,000/- ~~for~~ ^{the consolidated L.A. Finance

The notes of Education Dept above may be perused. ~~The Vinodhnagar Mpl. Council will have to meet an expenditure of Rs 45,000 (over and above the Govt grant of Rs 35,000) from its General funds. Revised with reference to the actual closing balance on 31-3-1950, the B.E. of the Mpl. Council for 1950-51 will close with a balance of Rs. 84,109 under its General Account ordinary against the required minimum of Rs. 20,200. On the basis of the B.E. of the Mpl. Council for 1950-51, the estimated ordinary receipts exceed the expenditure by Rs. 70,667. This revenue surplus will be reduced to Rs. 62,000 when the municipal ~~Board's~~ Electrical indent as is taken over by the Govt. As the work will be spread over ~~for~~ two years and the Mpl. Council's financial position is satisfactory, it can meet the entire expenditure of Rs. 79,500 from its own funds and no subsidy appears necessary.~~
