Office of the
Director of Public Instruction, Madras,
dated 30-10-1950

Grant--Building--Aided Colleges--Applications for grants towards the construction of buildings--List for the quarter ending 30-9-1950

Submitted.

2. The execution of the building scheme specified in the list is necessary for the requirements of the Colleges concerned. Schemes Nos. 3, 4, 6, 7 and 8 call for special mention:-

P 5 mfn
P 3 mfn
M U
Scheme No. 3 A copy of the letter dated 19-8-1950 from the Correspondent, M.R. College (Training Section) Vizianagaram is submitted herewith for the information of Government. The B.Ed. section in the college is eligible for teaching grant on the basis of 2/3 approved net cost and grant for equipment based on the full cost has been recommended to Government--Vide G.O. No. 2651 Edn dated 22-9-1950. The expenditure on buildings is also a non-recurring item. As the management are not in a position to carry out the repairs even on the basis of 2/3 net cost and as the amount is small i.e., Rs. 6000/-, it is recommended that in the circumstances stated by the Correspondent, Government may kindly sanction the payment of the entire cost of repairs not exceeding Rs. 6000/- to the management of the college as a special case.

P 5 mfn
Scheme No. 4 As the college is now obliged to work in shifts owing to lack of accommodation, the execution of the building scheme put up by the management is urgent and necessary. Further the college has not so far received any building grant

P 5 mfn
Schemes 6, 7, 8. The Correspondent, Madras Christian College Tambaram has applied for grant towards the construction of three hostel buildings each of which will accommodate 26 students in single rooms and a resident sub-warden. Each building will be an annexe to an existing Residential Hall

(not put up)
In their order No. 670--Edn. dated 17-3-1932 Government sanctioned a grant not exceeding Rs. 16,13,000/- for the building schemes of this college at Tambaram. Of this grant, the management have been paid so far Rs. 12,90,285/-. The grant promised for the Tambaram scheme has not yet been fully paid nor have the management completed that scheme. The original plan was to construct four residential halls to provide hostel accommodation for students. Only three such halls have been completed and the management are not in a position to proceed with the construction of the fourth residential hall which will cost about Rs. 10/- lakhs in the present conditions. Instead they propose to add an annexe to each of the three existing residential halls and thus increase the hostel provision.

About 1000 students are reported to ask for residence every year but the three residential halls cannot accommodate more than 500 students. There is thus a clear need for increasing the hostel facilities in this College.

Though the management are applying at the same time for grant towards the construction of an annexe to each of the three residential halls, each of the three schemes is really separate. It is therefore recommended that each hostel block may be treated as separate scheme and included in the approved list.

R. Subramanian
For Director of Public Instruction

To The Secretary to Government, Education Department, Madras.
Copy to D2. section (for file)

ptv 30/10

Copy of letter No.600/50-51 dated 19-8-1950 of the Principal, Maharajah's College, Vizianagaram to the Director of Public Instruction, Madras.

Sub: M.R.College - Vizianagaram - B.Ed. section - Proposals for additional accommodation.

You remember I discussed with you at the time of your visit to the M.R.College, Vizianagaram in July last, the question of additional accommodation for the B.Ed. classes and I represented to you that it has become necessary to find a couple of rooms for having the B.Ed. classes in the after-noon session. You were pleased to inspect the two halls which can be converted into two regular lecture rooms by effecting certain improvements. It is estimated that this work will cost Rs.6,000/- (Rs. Six thousand only). A copy of the estimate is herein enclosed. As these two halls are not needed for the use of the students of the science college I suggested that the Government be pleased to carry out these alterations and improvements at their own cost and to accord sanction for the expenditure of Rs.6,000/- towards these improvements.

I may be permitted to point out in this connection that if these two halls are to be built a fresh it would easily cost not less than Rs.50,000/- and that the management has not asked thus far for any grant for accommodation for the B.Ed. section and they would not be able to carry out these improvements on the basis of 2/3 grant.

I therefore request that you will be pleased to accord sanction for carrying out these improvements and modifications and make the entire sum Rs.6,000/- available to the management as advance grant at an early date. It is estimated that the contractor will require 6 weeks from the date of giving the order to complete this work. ~~Needless~~ Needless to say that it would be of great help to the B.Ed. classes if this work can be completed by the end of the 1st term at least.

pto.

Education(F)

Please see the note of P.A. to H.M. above. The
D.P.I. has just now submitted his list of building
schemes to be included in the approved list for the

quarter ending 30-9-50. ~~Items~~ Items Nos. 6,7 and 8 in the list on p.5 c.f. relate to the Christian College, Tambaram. The ~~Correspondence~~ schemes are for the construction of annexe hostels to the residential halls I, II and ~~III~~ ^{of the Christian College}. This may now be circulated to H.M.(E.&L) for use if necessary at the meeting of ~~the~~ the Principal, Christian College, Tambaram with H.M. on 2.11.50 at 8 A.M. (On return of the file, action will be taken for inclusion of the schemes in the list in the quarterly approved list).

Take this up
urgent
We may inform them
that they are in the
approved list that they
may begin work
immediately (the
ready for July 1951)

(initials)

Please see the orders in circulation above.

The Director ~~has submitted his~~ remarks in respect of the ~~schemes~~ building schemes mentioned in the list on p.7 c.f. ^{isamp. 14.} It is seen that ~~all~~ ^{none of} the schemes have ~~been~~ ^{has} been sent to the Joint Consulting Architect to Govt. for scrutiny and approval of the plans and estimates. The building schemes are noted on below:--

Mahatma Gandhi Memorial College, Udipi - Construc-
tion of college buildings. - ~~This~~ This is a Second Grade College which was started in 1949-50. On the recommenda-
tion of the D.P.I. the Govt. have recently permitted the management of the College to ~~start~~ ^{have} complete foundation work relating to a portion of this scheme, pending approval of the plans and estimates by the Joint Consulting Architect ~~to Govt.~~ ^{to Govt.} without conveying any guarantee of grant for the scheme. The ~~Director~~ estimated cost of the scheme to the management is Rs. 3 lakhs. The scheme may be included in the

Item 1, p. 54
Pic of (K)

13 of (K)

the approved list for the quarter ending 30-9-50 at an ~~estimated~~ estimated cost of Rs. 3 lakhs and the college may be made eligible for a half-grant subject to a maximum of Rs. 50,000/- for this scheme, the college being a Second Grade College.

Madura College, Mathurai. - Construction of four labora-
tories and two lecture rooms. - The estimated cost of the scheme to the management is Rs. 70,000/-. This scheme may be included in the approved list at an estimated cost of Rs. 70,000/- and the college be made eligible for a half-grant not exceeding Rs. 35,000/-.

M.R. College, Vizianagaram (B.Ed. section) - Improvements
to two halls for additional accommodation for the B.Ed. section.
The estimated cost of the scheme is Rs. 6,000/-. The Director has forwarded a copy of the management's letter to him. The college is eligible like ~~the~~ ^{three} other newly opened ~~training~~ ^{three other newly training} colleges (Dr. Alagappa Chettiar's Training College, Karaikudi, Andhra Christian Training College, Guntur, and Basic Training College, Perianaickenpalayam) to a two-thirds teaching grant.

The question of ~~admitting~~ ~~equipment~~ ~~grant~~ sanctioning equipment grant ~~on a~~ full cost basis to the above training colleges excluding the Basic Training College, Perianaickenpalayam, is separately under consideration as a Part II Scheme. The D.P.I. states that the management of the College is not in a position to carry out the repairs even on a two-thirds grant basis and ~~that~~ he recommends that as the estimated cost of this scheme is very small, the scheme may be included in the approved list for the entire cost, viz. Rs. 6,000/- as a special case. Govt. have not decided to make building grants to any of the newly ~~started~~ training colleges on a full cost basis. They are only eligible for the half-grant. If a special concession is to be shown to this college by putting this scheme in the approved list for a full ~~cost~~ grant, other newly opened training colleges also may ~~will~~ put forward similar claims and it will increase the financial commitment to Govt. In the circumstances, it is for

7.11.50

the scheme relating to the improvements to the halls for additional accommodation for the B.Ed. section of the M.R. College Vizianagaram may be included in the approved list ~~for~~ at an estimated cost of Rs. 6,000/- and the college may be made eligible for the ~~xxx~~ usual half grant, ^{only} viz. Rs. 3,000/- for this scheme.

M.R. College, Vizianagaram - Construction of an additional hostel building. - The estimated cost of the scheme is Rs. 50,000/-. The scheme may be included in the approved list at an estimated cost of Rs. 50,000/- and the college ~~may~~ be made eligible for a half-grant subject to a maximum of Rs. 25,000/- for this scheme.

Islamiah V.R. College, Nellore. - Construction of additional buildings for the College. - The estimated cost of the scheme is Rs. 2,08,000/-. The Director reports that the college is obliged to work in shifts owing to lack of accommodation and that the execution of this work is urgent and necessary. He also points out that the College has not received any grant for buildings so far. This scheme may therefore be included in the approved list at an estimated cost of Rs. 2,08,000/- and the college may be rendered eligible for a half grant subject to a maximum of Rs. 75,000/-.

Islamiah College, Vaniyambadi - Construction of a Natural Science Block - The estimated cost of this scheme is Rs. 40,000/-. The scheme may be included in the approved list at an estimated cost of Rs. 40,000/- and the college may be made eligible for a half-grant subject to a ~~maximum~~ ~~of Rs.~~ of Rs. 20,000/-.

Madras Christian College, Tambaram. (a) Construction of annexe hostel to the residential Hall I - Rs. 1.5 lakhs, (b) Construction of annexe hostel to the residential Hall II - Rs. 1.5 lakhs, and (c) Construction of an annexe hostel to the ~~residential~~ residential hall III - Rs. 1.5 lakhs. The total estimated cost of the schemes (a), (b) and (c) above is Rs. 4.5 lakhs. The Director points out

This is a comparatively small scheme. The Training College was started with the Govt's special encouragement. The D.P.'s proposal for a full grant may be supported as a special case.

that the management of the College did not utilise fully the grant sanctioned for the construction of the college buildings etc. in 1938. He considers that there is a need for increasing the hostel facilities in the College. The Director also states that ~~xxxxx~~ of the schemes (a), (b) and (c) are really to be treated as separate schemes and should be included in the approved list for separate grants. The Director's recommendation seems reasonable. For orders whether each of the schemes relating to the construction of ^{hostel} annexe to the three residential halls in the Christian College, Tambaram, may be included in the approved list at an estimated cost of Rs. 1.5 lakhs and each scheme may be made eligible for a half-grant subject to a maximum of Rs. 75,000/-.

West Godavary Bhimavaram College, Bhimavaram - Construction of a natural science block - The estimated cost of the scheme is Rs. 43,000/-. This scheme may be included in the approved list ^{at} an estimated cost of Rs. 43,000/-, and the college be made eligible for a half-grant not exceeding Rs. 21,500/-.

The file may be circulated to H.M.(E.&L) for orders.
