Re No. 1435 B2/49 dated 1-12-1949. 194

3 DEC 1949

Sir,

Sub: Legislative Assembly Question No.114 - Paucity of
teachers in Drawing and Needlework in Girls' Schools.
Ref: Govt. Memo. No.41792-C1/49-1- Education dated 3-6-49
and Govt. Memo. No.74068 B2/49-1 Edn., dated 4-10-49.

With reference to Government Memoranda quoted above I have
the honour to state as follows. Regarding part (a) of the Legisla-
tive Assembly Question the reply is yes except in first circle,
consisting of the districts of Vizag North and South, Godavari East
and west, Krishna, Guntur and Nellore.

Regarding Part (b) of the question the following suggestions
are given. (1) To overcome the situation, students who have special
aptitude for these subjects in Training Schools may be encouraged
to specialise in the two subjects taken separately during their
training course, and permitted to appear for the Examination during
the period removing the ban now in existence that training students
should not appear for any Public Examination, while under training.
(2) The acquisition of craft qualifications by all teachers should
reduce the dearth as the Technical Examination in the above subjects
are considered as craft qualification and (3) The Technical Exami-
nation in drawing and Needlework may be held in more centres than
it is held at present so that there may be more facilities for women
candidates to appear for the Examination.

Yours faithfully,

J. P. Sankararajulu
