Special fees - Levy of - Special fees for Geography and Statistics.

Special fees leviable from students taking Geography as their main subject in B.Sc. Pass or Honours Course or Statistics in the Honours course have not been specified in the Madras Educational Rules. G.O.No.826 Education, dated 8-4-1949 prescribes a fee of Rs.10/- for students taking Geography in B.A. Pass course. I presume that this rate applies to B.Sc. Pass Course also. The rate at which special fees should be levied from B.Sc. Honours students taking Geography or Statistics may kindly be intimated at your earliest convenience. Science fee levied from students taking other Science subjects in the Honours course is Rs.15/-. Subject to your orders, Rs.10/- and Rs.15/- has been provisionally levied from students taking Geography in B.Sc. Pass and Honours courses respectively and Rs.15/- for Statistics Honours Course and collected. Early orders prescribing the rate are solicited for making adjustments, if necessary.

Sir,

Sub: MADRAS EDUCATIONAL RULES - Levy of fees - Research students - Presidency College, Madras - Amendment to Rule.

* * * *

Students are admitted for research studies in the Presidency College, Madras. The fee leviable from each student is Rs.15/- per mensem for Science subjects and Rs.10/- per mensem for other subjects as per Go No. 2283 Education dated 27-11-1946. The fee is payable monthly and in advance. In the course of audit, it was found that no fine was imposed and collected for late payments, as there is no provision in the rules for the same. With a view to ensuring prompt collection and penalising the defaulters, I suggest that the fee payable by these students be incorporated under rule 89 Madras Educational Rules. Then, the provisions of Rule 90(a) will automatically become applicable to defaulters and the difficulty will be solved. Accordingly I propose the following amendment.

The following may be added to the existing table of fees under sub-rule (B) of Rule 89, Madras Educational Rules:

"Fees for Research Degree Courses"

"Science subjects Rs.15-0-0 |
Other subjects Rs.10-0-0 | Payable monthly and in advance i.e. not later than the 15th day of the month to which it relates, for ten months in a year (June to March) in addition to Rs.2/- Library and Reading Room fee per annum.

Note:- A caution deposit of Rs.100/- shall also be collected from each student taking a Science subject."

Yours faithfully,
