Sir,

In continuation of the Circular letter dated 10.6.50 regarding the Seventh South Indian Adult Education Conference to be held at Tanjore on the 29th and 30th July 1950, I am desired by the Executive Committee to request you for the following items of assistance.

It is estimated that the Conference would incur an expenditure of Rs.2,500/- especially when it is proposed to defray the Boarding and Lodging charges of the workers and pay them T.A.

It may be recalled that the Government were pleased to contribute a sum of Rs.1000/- to the Association for the Conference in connection with the visit of Dr. Franck C. Laubach of America in March 1949. I request that a liberal contribution may kindly be arranged this time.

In this connection it may be remembered that this is the first and most important Conference of social education leaders and workers. Meeting as it does at a momentous period before the inauguration of the Adult franchise. The unprecedented enthusiasm for the Adult literacy drive engendered through the street during the First Adult Education Week sponsored so ably by your goodself and the Hon'ble Minister for Food. It is expected to make this Conference widely representative of workers from villages and towns throughout the State.

As the date of the Conference is fast approaching, an early compliance is requested.

Yours faithfully,

SUB: THE SEVENTH SOUTH INDIAN ADULT EDUCATION CONFERENCE.
TANJORE - 1950.

Sir/Madam,

It is now very well recognised on all hands that the appalling illiteracy in India as one of those evils, the eradication of which must be taken on hand without slightest delay. The present condition of illiteracy in our Country stands in the way of every attempt at our national reconstruction. So long as this condition continues, every programme of National Reconstruction will find itself delayed, defeated and thwarted. It is therefore, a happy sign in Free India, that the Adult Education movement has gathered strength and attracted almost universal attention in the Country.

Six Conferences have been held hitherto under the auspices of the South Indian Adult Education Association, in Madras, Madurai, Coimbatore, Adyar, Vellore and Vettapalam (Guntur District). A special Conference with Dr. Lauback was held in March last year with the cooperation of the Government of Madras. Regional Conferences also have been held in Tamilnad, Kerala and Andhra Desa. The Conferences attracted the attention of the public in an especial manner, and the Government of Madras also afforded opportunities for the promotion of Adult Education in South India. But the efforts so far made have not helped, attract adequate support for an effective Province-wide campaign of Adult Education.

The Adult Education movement as a whole has emerged from the phase of propaganda, and, with the celebration of the Province-wide Adult Education Week in February 1950, it has entered the stage of incubation. One of the main objects of the ensuing Conference would be to determine how the large number of Committees formed during the Week should be based on a permanent footing and otherwise strengthened as the bulwark of the movement.

The Seventh Conference is programmed to be held at Tanjore City in the last week of July 1950 under the Presidency of Sri. K.S. Ramswamy Sastriar, Honorary Organiser of Tamil Nad for Adult Education. The purpose of the ensuing session, as of every previous one, is to rally all those interested in the cause under the standard of Adult Education, to give them opportunity for exchange of ideas gathered from various fields of experience and to prepare the next stage in the War against illiteracy and in the promotion of Adult Education.

A major question of policy also awaits disposal at the Conference and that is, how to co-ordinate effectively and on an enduring basis, the non-official agencies already in existence and the Governmental machinery so that the two categories of workers may be complementary to each other.

CONFERENCE DATE AND PLACE:- The Conference will be the guest of the citizens of Tanjore and the Taluk Adult Education Committee, Tanjore. Free accommodation will be provided for the delegates by the Reception Committee on their giving previous intimation to Mr. V.S. Sarangapani Naidu, Secretary, on or before 29th of July 1950. Representative leaders of thought and action in Tanjore District will be in charge of the Reception arrangements.

ADULT EDUCATION EXHIBITION: An Adult Education Exhibition will be organised in this connection. Those who are engaged in Adult Education may send books, charts, pictures, posters, material aides to the Adult Education, so as to reach the Secretary of the Conference, before the 22nd of July 1950.

Dear Sir/Madam,

Sub: SEVENTH SOUTH INDIAN ADULT EDUCATION CONFERENCE, TANJORE,
29th and 30th July 1950.

The Seventh Session of the South Indian Adult Education Conference under the auspices of the South Indian Adult Education Association, is arranged to be held at Tanjore on July 29 and 30 with Sri K.S. Ramaswamy Sastri, Honorary Organiser of Adult Education for Tamilnad, as President.

The Conference this year is all important for various reasons and from all viewpoints. In the first place, the Government of India have taken to Adult Education as one of their primary objectives and every State Government has been taking effective steps to follow up the lead given by the Central Government. The State-wide Adult Education Week held in February last has revealed the immense potentialities of the movement and the readiness of the people to take to Adult Education earnestly and in a sustained manner. The Government of Madras have taken special interest in the promotion of Adult Education and have chalked out a programme for the purpose. It is understood that the Government of India have allotted about six lakhs of rupees for expenditure on Adult Education, and expect the Government of Madras to spend a like amount in three years. Thus the Adult Education movement has received due official recognition and it is now for Adult Education enthusiasts who would be gathering at the coming Conference to think out and formulate a full and definite programme of Adult Education activities in the State. The Conference will also deal with major questions of policy, such as, the problem of co-ordinating the unofficial and official agencies for regulated work.

An Exhibition will be held during the Conference days, which will be an epitome, so to say, of Adult Education activities carried on so far by the Association. All organisations and individuals interested in Adult Education are requested to send materials to make the Exhibition full and rich.

A Reception Committee has been formed at Tanjore with Sri V. Nadimuthu Pillai, Member of Parliament and President, Tanjore District Board, as its Chairman. The Committee has undertaken to make the Conference a success in all possible ways and to insure comfort to delegates and visitors. Boarding and Lodging would be free to all the delegates who come from outside centres.

The official language of the Conference will be English. Speakers, however, will be entitled to use their own regional languages, if they so desire. Arrangement would be made to translate their speeches.

The membership of the Conference would be open to all. Members are entitled to receive all the publications of the Conference free of cost.

Fees:- Patrons Rs.100/-, Donor Rs.50/-, Institutions Rs.15/-, Reception Committee member Rs.10/- and delegate Rs.5/-. This membership fee will include fee for the membership of the South Indian Adult Education Association, Madras, as well as the cost of boarding and lodging during the Conference days.

In view of the momentous nature of the Conference and the various issues that await decision there at, we appeal to all Educational institutions, Social service organisations and Local bodies to depute one or more representatives to attend the Conference and participate in its deliberations. We also appeal to other well-wishers and sympathisers to support the cause of Adult Education by rendering financial help.

We have enclosed a provisional programme of the Conference for your information. The final and full programme will be made available early on the Conference day.

Dear Sri Ayyangar,

I am writing this to thank you for the interview you were kind enough to give yesterday forenoon to me and my friend Sri S. Airavatham, Editor de facto of our official monthly journal "Adult Education Review."

We cannot be too grateful to you for the cordial welcome you gave us and for the patient and sympathetic hearing you gave to our plea for a substantial contribution from the Government of Madras towards the expenses incurred on the Seventh South Indian Adult Education Conference held at Tanjore on 29th and 30th July 1950.

You were good enough to inquire how the Conference was helpful to the Adult Education movement, and we availed ourselves of the opportunity to explain, as best we could, the dynamic part that Conferences of the kind did play.

I may here further explain and emphasize that a broad-based, growing, intensive and essentially democratic activity gathers force mainly through conferences. The objective is non-party, the ideal has an inherent appeal.

The policy of the State - that is, both the Central and Madras Governments - is avowedly one of eradicating Adult Illiteracy within a brief spell of four or five years. Adult Education Conferences are, in effect, carrying out that policy. This aspect is now universally acknowledged and appreciated.

And so, it is just no more than a legitimate request that we are making that the Government of Madras be pleased to make their contribution towards the expenses of the Conference. They were pleased to contribute Rs.1,000/- for the Conference with Dr. F.C. Laubach last year. I request that in view of the growing value of the Adult Education movement the contribution be substantially increased.

Thanking you once again, and with very best regards,

Sri S.A. Ayyangar, I.C.S.,
Secretary to Government of Madras,
Department of Education, Madras.

Yours sincerely,

expenditure ^{on} Adult Education. It is stated
that the amount has been ear-marked for
expenditure on Adult Education by
local associations in the several districts.

3. In connection with the
Conference at Tanjore the L.A. Dept. have
issued orders permitting local bodies to
make contributions to the Association.
It is not known how much has been
received by the Association as contribution
from local bodies. The expenditure connected
with the Conference has been estimated at
Rs. 2500. In view of the facts that the
Association has a large surplus Rs. 23,000
with it ^{and} ~~and~~ that it may have received
contributions from local bodies and as the
Conference has already ^{been} over there appears
to be no need to sanction ^{any} contribution to

It is only fair that the Assoc should tell ^{Govt} how much they were able to collect and how much they had to spend in connection with the conference before they ask for a Govt contribution. For orders whether this information may be called for.
