R.C.No.1039-12/48 dated 30th October, 1950.

SIR,

Schools--Secondary--Introduction of crafts--purchase of
equipment--Payment of grant--Sanction--Requesting.
Reference:-G.O.Ms.No.2315-Education dated 6.7.1949.

Government in their orders cited above were pleased to permit the incurring of an expenditure not exceeding Rs. 500/- by each secondary school during 1949-50 for the purchase of equipment for the teaching of craft subjects introduced in connection with the scheme for the re-organisation of Secondary Education and sanction was accorded for the payment to managements of schools a grant not exceeding Rs.250/- towards one-half of the expenditure actually incurred therefor. From the reports received from the subordinate officers and from various heads of institutions, it is found that some of the managements were unable to cash the grant bills sanctioned for the above purpose within the end of the financial year 1949-50 as a result of which the amount has lapsed. Full particulars regarding the amount that may be required by the various officers for sanctioning grant for this year 1950-51 have been called for and they are awaited. Kind attention is, in this connection, invited to Government Memorandum No. 23740-B/50-2 Edn., dated 29.8.1950, wherein sanction was accorded for the payment of grants for the purpose during the current year in the case of 3 City schools which could not draw the grant before 31.3.1950. Pending provision of funds, I request that Government may be pleased to authorise me to incur an expenditure of Rs. 1,00,000/- for the above purpose in respect of aided and local body schools. As regards Government institutions the inspecting officers will be permitted to incur the expenditure pending provision of funds in the Final Revised Estimate. I request that Government may authorise the Divisional Inspectors of schools to sanction the equipment grant for crafts in the case of secondary schools for boys (aided and local Bodies) and the Inspectresses of Girls' Schools in the case of girls schools. These officers may be authorised also to sanction the payment of advance grant upto Rs.200/- to each school and sanction the final payment of the grant.

Sanction may also be accorded for the payment of grant to the extent of Rs.250/- or half the cost of the craft equipment actually purchased during 1949-50 whichever is less in respect of both aided and local body schools; that in respect of schools where the indents for craft materials were approved for less than Rs. 500/- during the previous P.T.O.

Page 2.

year and were sanctioned equipment grant of less than Rs.250/- supplemental indents may be entertained and the balance of grant sanctioned; that in respect of Government institutions where craft materials have not yet been purchased in full, further purchases can be made provided the total amount does not exceed Rs. 500-0-0. As regards the recurring expenditure for the teaching of crafts, I recommend that the amount may be treated as admissible items of expenditure for purposes of grant and included in the Financial Statements in the ~~xx~~ usual way by the managements of secondary schools (both aided and local bodies).

I request very early orders of Government as necessary instructions have to be issued to the subordinate officers well in time so that the applications may be called for, scrutinised and grant sanctioned sufficiently in advance so as to enable the managements to cash the bills before the close of the financial year.

Yours faithfully,

J. O. Pantanahie

Purchase of equipment - Payment of grant not claimed - Orders passed.

Read: G.O.Ms.No. 2315 Education, dated the 16th July '49.

From the Director of Public Instruction, R.C.No.

1039-L2/48 dated the 30th October 1950.

ORDER MS.NO. 3110. EDUCATION, dated 21-11-1950.

The Government authorise the Director of Public Instruction to reallocate ^(in full or in part as the case may be) in the current year

the grant sanctioned in para 1 of G.O.No.2315 Education dated the 16th July 1949, to the managements of non-Government Secondary Schools which purchased the equipment required for teaching of crafts during 1949-50 but did not at all ~~claim~~ draw the amount, or drew only a portion of it before the close of that financial year-

They also approve the proposal of the Director that the Divisional Inspectors of Schools and the Inspectresses of Girls' Schools may be authorised to sanction the payment to the managements of non-Government ^{secondary} schools for boys and girls respectively of advance grants upto Rs.200/- (Rupees two hundred) for each school and also of balance of the grant as may be finally found to be due to each school.

P.T.O.

2. The Director is requested to instruct heads of Government Secondary Schools ^{who have not made the} ~~where the~~ purchase of the equipment ~~has not been made~~ in full, to arrange for the further purchase of the equipment required. It should be ensured that the total expenditure on equipment should not exceed Rs.500/- for each school.

3. The expenditure involved in the current year should be met by reappropriation.

4. The question of recognising the recurring expenditure on account of the teaching of crafts in non-Government ^{secondary} schools as an approved item of expenditure for purposes of grant will be considered separately.

In paragraph 2 of the letter cited, it
has been recommended that the recurring expenditure
on account of the teaching of expts in non-government
Secondary schools may be treated as ~~an~~ ^{an admissible} ~~approved~~ item
of expenditure for purposes of grant and that it may
be included in the financial statement of the institution
concerned. It is presumed that the ^{intention} ~~purpose~~ is to
take the expenditure on the employment of additional

to be incurred every year for the teaching of crafts, into account for purposes of payment of teaching grant to these schools. The D.P.G. is requested to say whether the presumption is correct and if not, to specify the items of expenditure which are sought to be recognised for purposes of payment of teaching grant. The Director is also requested to furnish an approximate estimate of cost involved in the proposal.

Sir,

Sub: Schools--secondary--Teaching of crafts--Recognition of expenditure for purposes of payment of grant.

Ref: Government Memo No. 39420 B/50-1 Education dated 8-12-1950.

I submit that the presumption of Government conveyed in their Memo. referred to above is correct. In this connection it is submitted that the expenditure in question will be treated as an approved item and admitted for purposes of assessment of grant ~~Government~~ in the ordinary way under the provisions of sub-para of Rule 32(i) of the Grant-in-Aid Code. No special permission of Government is therefore necessary for this.

SCHOOLS - Secondary - Teaching of crafts - Purchase of equipment - Payment of grant.

From the Director of Public Instruction, R.O.No. 1039-L2/48 dated the 30th October 1950.

In G.O.No.2315 Edn. dated the 16th July 1949, the Government decided that the managements of secondary schools should be permitted to incur an expenditure not exceeding Rs.500/- towards the purchase of equipment required for the teaching of crafts under the reorganised scheme of Secondary Education, and that a grant not exceeding Rs.250/- should be paid towards one half of the cost of purchase of such equipment. The D.P.I. has now reported that some of the managements of non-Govt. Secondary Schools which purchased the equipment during 1949-50 were not able to cash the grant bills sanctioned within the ^{close} ~~time~~ ^(financial) of that year and that the amount provided in that year's budget has lapsed. The Director ^(therefore) proposes to ^{authorise} ~~arrange~~ for the payment of the grant to those managements during the current year. As there is no provision in the current year's budget, for the purpose, he requests that he may be authorised to incur an expenditure of Rs. ^(lakh) ~~1,00,000/-~~ pending provision of funds, by reappropriation, in the Final Revised Estimate for 1950-51. He recommends that the Divisional Inspectors of Schools and the Inspectresses of Girls' Schools may be authorised to sanction the payment to the managements of non-Government schools for boys and girls respectively and also to ^(approved in para 2 of the memo referred to above) sanction the advance grant of Rs.200/- ~~for~~ each school and the final payment of the grant. The Director's recommendation may be agreed to.

2. The Director also recommends that the managements of non-Govt. schools may be allowed a grant of Rs.250/- or half the cost of the equipment actually ^(during 1949-50) purchased whichever is less and that those which purchased

only a portion of the equipment and received a grant of less than Rs.250/- may be allowed the ^{balance} ~~remaining~~ grant towards the purchase of the remaining equipment during the current year. In the case of Government schools where the purchase of the equipment has not been made in full, he recommends that they may be permitted to make further purchase of equipment provided the total expenditure does not exceed Rs.500/- for each school. These recommendations may also be accepted.

3. In this connection, the Director has proposed that the recurring expenditure on account of the teaching of crafts in non-Government secondary schools may be treated as an approved item of expenditure for purposes of grant and that it may be included in the Financial Statement of the institution concerned. It is not clear as to what is meant by the 'recurring expenditure'. Presumably, the Director refers to the expenditure on the employment of additional staff for the teaching of crafts. This question may be taken up for consideration separately, in further consultation with the Director.
