MEMORANDUM NO. 46480/H.49-7 EDN. DATED 20/5/50

Sub: Endowment - L.W.T.C., Madras - N.B. Hostel Scholarship Fund -

Ref: Letter from the D.P.I., No.915 E3/49, dated 4-4-50.

1/25/5 p21-22 f

The attention of the D.P.I. is invited to the draft scheme submitted with his letter cited.

p 26 cf

Legal note p 4 n.f.

Ck. No.3 of the Scheme: The provision that ~~one~~ one scholarship in each year which shall be equal to the annual interest shall be awarded at the beginning of each succeeding year to a poor student suggests that the scholarship will be awarded in January of each calendar year but it is not clear whether this is the intention or whether the scholarship is to be awarded at the beginning of each school year in June or July. The D.P.I. is requested to clarify this point.

ibid

It is also presumed that the intention underlying the last portion of the clause is that the scholarship will be awarded to that student who in ~~that~~ the opinion of the headmistress is of good conduct and obtains the highest no. of marks in the annual examination, the choice of the student being subject to the approval of the administrator. The D.P.I. is requested to state whether the presumption is correct.

p 26 cf

Legal note p 5 n.f

Cl.No.7 of the Scheme: It is not clear what is meant by "withdrawal of the recipient from the school". It is presumed that it refers to discontinuance of study of the recipient. The Cl. does not provide for the ~~failure~~ forfeiture of the scholarship for mis-conduct.

The intention underlying the last portion is not clear. If a student is detained in the same class for a second year which will of course be after the end of the annual examination ~~Cl~~ i.e. in March or April, it is not clear how the scholarship can be awarded to a deserving pupil at the beginning of that year. Apparently, what is meant is the beginning of the next school year and if so it may be so stated.

P.T.O.

30

Again in a case where a student discontinues his studies during the course of a school year after receiving the first instalment of the scholarship, it is not clear whether the second instalment can be paid to some other student or the award of the scholarhsip should await the commencement of the next school year. The D.P.I. is requested to clarify these points.

He is requested to send a very early reply ~~in the matter~~ on the points raised above.

The scheme calls for the following remarks:-

Clause 4: The provision that one scholarship in each year which shall be equal to the annual interest shall be awarded at the beginning of each succeeding year to a poor student suggests that the scholarship will be awarded in January of each calendar year. But it is not clear whether this is the intention or whether the scholarship is to be awarded at the beginning of each school year, that is to say, in June or July.

A

It is presumed that the intention underlying the last portion of the clause is that the scholarship will be awarded to that student who, in the opinion of the headmistress, is of good conduct and obtains the highest number of marks in the annual examination, the choice of the student being subject to the approval of the administrator. The words "and approved by the administrator aforesaid" are not however quite appropriate in the place where they occur. Those words may therefore be omitted and the following sentence added, namely:-

x Also p 3 ante

8/5

"The selection, by the headmistress, of the student to whom the scholarship shall be awarded shall be subject to the approval of the administrator of the Fund."

p. 3 ante

Clause 8: It is not clear what is meant by "withdrawal of the recipient from the school". If the intention is to refer to discontinuance of study, it may be so stated.

The clause does not provide for the forfeiture of the scholarship for misconduct. Education may consider whether provision in this respect may not also be made.

The intention underlying the last portion is not clear. If a student is detained in the same class for a second year, which will of course be after the end of the annual examination, that i in March or April, it is not clear how the scholarship can be awarded to a deserving pupil at the beginning of that year. Apparently, what is meant is the beginning of the next school year and if so, it may be so stated.

Again, in a case where a student discontinues her studies during the course of a school year after receiving the first instalment of the scholarship, it is not clear whether the second instalment can be paid to some other student or the award of the scholarship should await the commencement of the next school year.

Subject to the above remarks, the alterations indicated in red ink on the draft notification may be made.
