Referred to the Spl.Officer for remarks.

2. It is not quite clear how the qualifications now proposed for Asst.Superintendents are higher than the ~~present~~ qualifications which have been already prescribed. For instance, it is observed that against Item(I) of the letter the qualification "S.S.L.C. declared eligible for the University course of study" proposed as the minimum general educational qualification for the post ~~of Assistant Superintendent, Government Press~~ is not necessarily higher than the present one viz., the 'Minimum Public Service Qualification' as the latter requires certain minima of ~~works~~ marks which may happen to be higher than the marks obtained by the "eligible" candidates. Moreover, the technical qualifications proposed by the Superintendent are vague as they do not specify exactly the degrees, diplomas, certificates etc., required and the institutions ~~in~~ from which they ~~have been~~ are to be obtained ~~acquired~~.

3. The Special Officer is requested to examine the question in the light of the above points and submit revised proposals.

The file relates to certain amendments proposed by the S.G.P. for raising the qualifications of Asst. Supdt. Govt. Press to be recruited in future. 2. Until the issue of G.O.21 Edn. dated 3-1-1948, selection to the posts of Asst. Supdt. Govt. Press was made by direct Recruitment by the M.P.S.C. Certain representations were made by the members of the Govt. Press Subordinate Service that they

they should be selected for appointment as Assistant Superintendent, Government Press by transfer. After careful consideration, the Government decided to modify the special rules relating to the Madras Stationery & Printing Service so as to provide for appointment to the post, of Asst. Supdt, normally by transfer and it was also provided that direct Recruitment ~~will~~ would be resorted to in filling these posts only if no qualified and suitable candidate was available for appointment by transfer.

pp22-23 cf (Y)

3 In G.O. 2064 Edn. dated 27-6-1949, the qualifications of the Asst. Supdts. were revised at the instance of the S.G.P. and these revised qualifications were given effect to also in the case of men promoted on transfer. The S.G.P. has now proposed further amendments to this G.O. so as to enable the Govt. to secure the services of higher qualified persons for the post of Asst. Supdts. in the Government Press.

pp9-11 cf (Y)

p1 cf

4 The S.G.P. has merely enumerated the higher qualifications for future recruitment to the posts of Asst. Superintendents. He has not stated whether by his proposed amendments he desires to do away with the present practice of appt. of Asst. Supdts. by transfer from the Govt. Press Subordinate service.

5 It may be noted ~~in~~ by this connection, that the Govt. Press Enquiry Committee is not impressed with the quality of the existing gazetted Assts. in the press with the exception~~s~~ of Mr. Siddique and Mr. Amalanathan who ~~had~~ were recruited direct as Asst. Supdts. The committee reports that others, who are all men who have risen from the Subordinate Service of the Press ~~and they~~ seem to be steeped in old traditions. The Committee has therefore recommended that the Gazetted Assistants who have not acquired probationary rights might be reverted and their places filled up by suitable direct recruits. The Special Officer for the Reorganisation of the Govt. Press, who has been appointed to implement the recommendations of the Committee and ~~he~~ is scrutinising the work of the press and of its Gazetted Assistants, ~~and he~~ may be able to give his final recommendations before the expiry of his special duty at the end of June 1950.

6 At present there are no ~~outs~~ long standing vacancies ~~except~~ and vacancy arise only when any Asst. Supdt~~s~~. goes on leave. The M.P.S.C. has already selected one candidate for filling up ~~the~~ any prospective vacancy of Asst. Superintendent in casual or leave vacancies. The proposed rules will only be applicable to future recruits and ~~that~~ for direct recruits only as it is unlikely that any of the persons in the Govt. Press Sub. Service will be suitable for transfer as Asst. Supdts. with the proposed qualifications. If the proposed qualifications are accepted, it should be definitely ascertained from the S.G.P. whether the rules in G.O.21 Edn. dated 3-1-1948 regarding the selection of Asst. Superintendents by transfer will also have to be modified. The S.G.P. may perhaps be asked to submit his remarks through the Special Officer. For orders.

I doubt see how these qualifications are higher than those now in force?

A kind perusal is invited to the statement showing the existing and the proposed qualifications is put up at flag (E). While the qualifications now in effect remain the same, preference seems to be given to ~~the~~ holders of higher diplomas or certificates confirming the same.

Secy's remark above —

In fact, against item (1) on page 1 of, "SSLC declared eligible for the University Course of study" need not necessarily be a higher qualification than

than the present one, namely, the minimum public service qualification as the latter requires certain minima of marks in the subjects in the SSLC which happen to be higher than the marks obtained by the "eligible" candidates.

If Secy approves, a reference will be made to the S.O

3 The qualification, suggested by the Special Officer on page 9 cf. may perhaps be accepted as they are specific. This will replace the existing qualifications prescribed in G.O.2064 Education dated 27-6-1949. It may be noted, that if the proposed amendments to the Special rules are accepted the "Note" to these rules on page 10 cf. of (W) will have to be suitably modified also. The S.G.P. may be asked to forward a draft of the revised rules to replace the existing rules approved in G.O.2064 Education dated 27-6-1949 embodying the recommendations of the Special Officer. For orders whether this may be done before consulting Public (Services).

X The S.G.P. has submitted draft amendments to rules issued in G.O.No.2064 Edn.dated 27-6-49 consequent on the proposal, of the Special officer on page 13 cf. They call for the following remarks.

2 The Special Officer has suggested the following qualifications for the Asst. Supt., Govt Press ~~costing system of accounts~~ in respect of the Costing System of

6/ Accounts :-

" A certificate of proficiency in the subject granted by the Govt. Central Polytechnic Madras or a diploma recognised by the Madras Government as the equivalent of the above."

X on p13 cf

This differs from the draft submitted by the S.G.P. which runs as follows:-

" A certificate of proficiency in the costing system of Accounts granted by the City and Guilds of London Institute, London, the London school of Printing and similar institutions".

K on p21 cf

p13 cf

3 It seems that the Special Officer's proposed amendments may be accepted as it is practical with the addition "that persons possessing a certificate of proficiency in the costing system of Accounts granted by the City and Guilds of London Institute, London or the London School of Printing will be preferred."

Thus the rule ~~may~~ as be recast will read as follows:-

" A certificate of proficiency in the costing system of Accounts granted by the Government Central Polytechnic, Madras or a diploma recognised by the Madras Govt.as equivalent of the above. Persons possessing certificate of proficiency in the subject granted by the City and Guilds of London Institute, London, or the London School of Printing will be preferred."

N

4 As regards the practical experience of the candidate, the draft rules proposed by the S.G.P. requires practical knowledge and experience.at the Govt.Press, Madras only whereas the Special Officer's proposal requires practical training for a minimum period of 5 years in any printing establishment in India U.K. or U.S.A. The Special Officer's proposal may be accepted as it is wider in scope.
