Sir,

Sub: Khadi - Requirements of Government Press - supply by
Superintendent of Stationery, Madras on annual indents
authorisation - requested -

Ref: G.O.(MS) No.2356, Edn., dated 20-7-49. *purup* (T)
* * *

I submit that khadi of different varieties purchased on the
above G.O. has been completely exhausted. An indent for my requirements of
khadi for 1950-51 as detailed below* has been sent to the Superintendent
of Stationery, Madras as the Stationery Office is the Central Agency for the
supply of khadi to all Government Departments and Local Bodies - vide copy of
his letter No.L.Dis.30398-50 dated 14-8-50 enclosed.

The Superintendent of Stationery says, that Government sanction is
necessary for the supply of khadi if it is intended for use in place of other
kinds of cloth which were not obtained previously from the Stationery Office.
As khadi is required for all binding purposes in place of mill made cloth
(long cloth, bleached, unbleached and khaki drill) which was obtained
previously from the Textile Commissioner, Bombay, on indents for textiles, the
Superintendent of Stationery has been requested to arrange for the urgent
supply of the cloth since it is required very urgently for binding purposes
informing him that Government sanction would be obtained for the supply of
khadi to Government Press. In the circumstances explained above, I request
that the Superintendent of Stationery may please be authorised to supply
khadi of different varieties to Government Press for binding purposes on this
office annual indents for stationery from 1950 onwards. In this connection,
it is pointed out that sending of indents to the Provincial Firka
Development Officer, Madras for the supply of khadi will be discontinued.

* Khadi bleached 45" yards 10,000.
" unbleached 45" yards 5,000.

The stationery office is the central agency for the supply of khadi to all Government departments and local bodies and indents should be sent to this office. If khadi is required in place of other kind of cloth previously obtained from this office no fresh sanction is necessary. If however, it is required for purposes for which it was not obtained from this office, sanction of Government would be required.
