ELEMENTARY EDUCATION - Aided - Savithi Vidyasala Hindu Girls' Elementary School, Tiruchirappalli - Improvements to playground.

From the D.P.I. No. 11333-B2/46, dated 24-5-50, 28-6-50, 11-7-50 and 16-9-1950.

In 1947 the D.P.I. proposed the payment of a grant of Rs 2,579/- to the Savithi Vidyasala Hindu Girls' Elementary School, Tiruchirappalli, for the acquisition of a site for use as playground and the Government accepted the proposal and sanctioned the amount. The proposal was renewed by the D.P.I. in 1948 as the amount sanctioned in 1947 was not utilised. He then recommended the payment of a grant of Rs 8,301/- to the school for the acquisition of a site and improvements to the playground. The question whether the cost of improvements to playgrounds should be admitted to aid from out of the special allotment of Rs 1 lakh in the budget estimates for the acquisition of playgrounds to elementary and secondary schools was considered by the Government and it was decided that it should not be allowed. Accordingly, a grant of only Rs 2,579/- was sanctioned to the school in G.O. No. 750 Edn., dated 16-3-49, towards the cost of acquisition of the playground alone.

The D.P.I. now reports that the land could not be utilised as a playground without raising its level and making certain improvements on it and that consequently a scheme relating to its improvements was approved by him at an estimated cost of Rs 7,200/- He recommends that a grant of Rs 3,600/- may be paid to the schools as a special case and that the expenditure may be met from the allotment of Rs 1,25,000/- under buildings remaining after the resumption of grants ordered in G.O.No. 469 Finance dated 26-6-1950. The proposal may be ^{accepted} ~~approved~~. The file may be sent to Finance department for remarks.
