The Syndicate has resolved that expenses incurred towards election of representatives to the Senate of the Madras University should be borne by the concerned Local Bodies, vide copy of letter A836 dated 2-3-50 of the Registrar, University of Madras, enclosed.

Hitherto this expenditure was met out of University funds The reasons for changing the procedure and throwing such liability on the local bodies are not apparent. As a matter of fact the representatives of the local bodies concerned are only selected and sent to the Syndicate to give assistance, suggestions and guidance to the University in their administration. I therefore feel ~~tha~~ that it is reasonable that the election expenses should be met by the University.

In this connection I also desire to bring to the notice of Government that the financial position of the local bodies are not sound enough to bear such liabilities. I therefore request that the Government may be pleased to issue necessary orders to the University not to change the procedure in regard to the payment of election expenses.

University of Madras,
Chepauk, Madras.

Sir,

Sub:- University - Madras - Senate - Election of representatives from the local bodies' constituency - Meeting of expenditure.

Ref:- Your letter No. A.2988 dated 1-8-50.

I am directed to state that under Statute 9 of Chapter XIX of the Madras University Calendar for 1948-49, Volume I, the Collector or the Deputy Collector holds the elections to the Senate of the University, functioning as the agent of the University. The Madras University has so far been making all the arrangements, and meeting the expenditure. I am to add that the Andhra and the Annamalai Universities also have been meeting the expenditure on the conduct of elections from the local bodies' constituency to the Senate. There does not, therefore, appear to be any case for asking the local bodies to bear this expenditure. The Government would therefore advise that the University may continue to bear the expenditure on the election to the Senate from the local bodies' constituency as hitherto-fore.

I am to request that this advice may be brought to the notice of the Syndicate of the University.

Yours faithfully,

Under Section 14 (a), Class III - Other Members of sub-section (6) of the Madras University Act, the Senate ~~of~~ the Madras University is to consist of 2 ~~representatives from the~~ members for each district one elected by the members of the District Board from among themselves and the other by the Municipal Councils of the Municipalities in the district from among themselves. Up till the end of 1949-50, the expenditure incurred in the holding of elections to the Senate from the local bodies constituencies was met by the University. Now the Syndicate of the University has resolved that on and from 1-4-50 all such expenditure should be met ~~from~~ by the local body concerned, as it is a privilege of the local body concerned to send its representatives to the Senate of the University.

It may be mentioned that the Andhra/and the Annamalai University ~~xxx Axxx~~ Acts ~~both~~ contain similar provisions for the election of representatives from the local bodies to ~~their~~ Senates. These Universities have not intimated any change in the ~~meeting~~ incurring of the expenditure on such elections. It is not clear why this University alone should change the procedure from the current year. The Examiner of Local Fund Accounts who ~~is the authority~~ audits the accounts of the Universities and the District Boards and Municipalities may be consulted on the recent decision of the Madras University Syndicate. The file may perhaps be sent to the Examiner of L.F.Accounts u.o.for remarks at an early date.

The file relates to the question regarding the meeting of the expenditure incurred ~~by the Madras University~~ in connection with the election to the Senate of the University from the local bodies constituency. Up till the end of 1949-50, such expenditure was borne by the University. With effect from 1.4.50, the Syndicate of the University has resolved that the expenditure should be met by the local body concerned. The District Board, Salem, and the Municipalities of Kumbakonam, Tirupattur, and Palni have represented that as the representatives chosen by them are sent ~~for~~ to assist the University in its administration, the expenditure on the conduct of their election should be met by the University as hithertofore. The Registrar of the University was consulted in the matter and he has stated that the Syndicate considered the letter of the President of the Salem District Board, and other ~~Municipalities and~~ district boards and municipalities on the subject and has resolved that the decision already arrived at by the Syndicate, viz. that the local bodies concerned should meet the expenditure on election from the local bodies to the Senate, should be reiterated and that the Collectors of the districts have also informed accordingly. As the Annamalai and the Andhra Universities Acts also provide for election by the local bodies to the Senate~~s~~ of the University concerned, the Registrars of those two Universities were consulted as to the practice obtaining in those Universities in the matter. The Annamalai University has stated that the expenditure involved in the conduct of election to the Senate from the local bodies constituency is met by the University. The Registrar of the Andhra University states that ~~xxx~~ with reference to G.O.No.1163 Law (Edn) dated 25.6.26, the expenditure incurred by the Collectors in connection with the elections by the local

local bodies to the Senate of the Andhra University is to be borne by the University, and that all special expenses such as Travalling allowance of members of local bodies for journeys in connection with such elections are to be borne by the local bodies concerned. Each University is an autonomous body. The decision of the Syndicate in such matters is final. Govt. cannot interfere in the matter. However, for the purpose of uniformity in principle, it is for consideration, whether the practice prevailing in the Andhra University may be ~~mentioned~~ ~~to~~ brought to the notice of the Madras University and the Registrar of the University be requested to place the matter before the Syndicate for a reconsideration, if possible & necessary, on the subject, ~~andxifxxxx~~ L.A. ~~and Finance~~ may see prior to circulation.

The views of the local bodies in this matter seem to be reasonable. When the Annamalai and the Andhra Universities bear the expenditure on the elections, there does not seem to be any reason why the Madras University should follow a different principle in this matter. The autonomy of the Universities is always respected. It does not appear that this autonomy will be interfered with if the Govt. advise the Madras University formally through the Registrar that the procedure followed by the Andhra University, which was also the procedure followed by the ~~Madras~~ University in the past may be adopted.

It is for consideration whether having regard to the principle adopted by the Andhra and the Annamalai Universities, Govt. may advise the Madras University also to adopt that principle in respect of the incidence of cost of elections.

table on p141 of the Calendar

Attention is invited to the Statutes of the Madras University regarding Elections on pp.139-142 of the Madras University Calendar Vol. I. It is seen that elections to the Senate of the University from the local bodies constituency are held under the directions of the Vice-Chancellor by the Collectors of the District or any Gazetted Officer not below the rank of a Deputy Collector or empowered by the Collector on his behalf. As observed by H.M. the Collector is only the Returning Officer. The University does not appear to be entitled under the rules to say that the local bodies should meet the expenditure. The

P.T.O.

ndicate only considers that it is a privilege of the nstitution, Association or the Body concerned to have a epresentative on the Senate and that they should meet the lection expenses, if any.

5/11/50

The Collector or the Deputy Collector, as the case may be, is only the officer who holds the election under the direction of the Vice Chancellor under Statute 9 of Chapter XIX. This certainly implies that the University is responsible for the election, that the Collr. or the Deputy Collr. acts only as the Returning Officer and that the University should make all other arrangements including the printing of ballot papers. The Madras University has upto 1.4.50 been bearing the expenditure in connection with these elections from the District Boards & Municipalities (one member from the Dt. board & one member from all Municipalities in the District). There seems to be no justification at all to make the local bodies to bear these expenses, however small. The University's view is not supported by any rule or law.
