Stationery - Glue - Purchase by Superintendent, Government Press Madras authorisation requested

Glue is as an article of general supply in the Stationery Manual for binding purposes. This article is mainly intended for supply to Superintendent Government Press Madras. The Superintendent Government Press, Madras was asked to state whether Government could be addressed to authorise him to purchase his requirements of glue from the year 1951-52. He has consented.

I therefore request that Government may be pleased to authorise the S.G.P. Madras to purchase his requirements of glue himself from 1951-51. There are only a few other offices who indent for glue in small quantities for binding purpose. These offices may be asked to purchase their requirements from their contingencies in the local market. If approved the item will be deleted from the Manual. I request early orders of Government in the Matter.
