C.No.1928 I4/50 dt. 17/9/50.

Sir,

Sub:-Educational Exhibition, 1950-Organisation- Proposals Submitted.

I have the honour to state that the educational ~~exhibitional~~ exhibition organised by the department and conducted during 1948-49 and 1949-50 in conjunction with the All India Khadi and Swadeshi Exhibition and the Engineering college Exhibition proved to be of great educative and publicity value and attracted a large number of public.

2. In view of the need for an educational setting for the exhibition and of the disabilities experienced on account of the long duration of the Teynampet Exhibition and the diversion of the visitors to other parts of the exhibition both at Teynampet and in the Engineering College, I request that Government may be pleased to permit the Director to run its annual exhibition this year independently of the Engineering College and Tamil Nad Congress exhibitions. I may however state that the Department will at the same time take part in the Tamil Nad Congress Exhibition on a restricted scale by taking one or two booths, so that the diversion of a large number of students and teachers is avoided and only one or two persons are put in charge of the booths.

3. The annual educational exhibition may be organised this year in the Teachers' College, Saidapet, placing the Principal in charge of it.

4. A sum of Rs.13,000/- was sanctioned by Government last year towards the expenses in connection with the arrangements to be made by the department vide: G.O.Ms.No.3640, Edn, dt.25-1 (Rs.10,000/-) and G.O.Ms.No. 3997, Edn., dt. 30-12-49(Rs.3,000/- For this year, I request that Government may be pleased to sanct a sum of Rs.10,000/- in the first instance to be placed at the disposal of the Principal, Teachers' College, Saidapet.

5. The expenses to be incurred by aided Educational Institut for participation in the exhibition including conveyance charges may be treated as an admissible item of expenditure for purposes of teaching grant and Government Institutions may be permitted to incur the expenditure from the provision under Contingencies.

6. I request early orders of Government.

Ref. Your D.O. No.28886-G/50-3, Education dated 6--11--1950.

It is proposed to hold the Educational exhibition this year at two places, namely, at Teynampet along with the All India Khadi and Swadeshi Exhibition and at the Teachers' College, Saidapet. It is not proposed to participate in the Engineering College Exhibition which will be purely technical and organised by the Engineering College. Information as to whether the Engineering College Exhibition will be held this year and its duration, if held, etc. is not available.

2. At Teynampet all the sections represented by the special Officers of the D.P.I.'s office will be exhibited, namely, Citizenship Special Officer, Basic Education Officer, Adult Education Officer and the Special Officer for Libraries as also the Educational Officer of the Corporation of Madras. All the elementary schools in the city will take part in the Teynampet exhibition and there will be film shows in the evenings. Physical Education activities will also be demonstrated at Teynampet.

3. At the Teachers' College, Saidapet, the exhibition will be more of educative value to teachers and parents generally but chiefly to the teachers, where the various schemes relating to the reorganized scheme of secondary education etc. will be fully explained; of course the public will not be prohibited from visiting the exhibition. This will be under the charge of the Principal, Teachers' College, Saidapet. Film shows will also be arranged. Tentatively it is proposed to open the exhibition at Saidapet on the 8th January 1951 when the college will be having Pongal holidays. — (30th Dec to 14th Jan 51) — (College Calendar)

4. As regards particulars regarding the past exhibitions, I invite your attention to Government Endorsement No.78196-C2/48-1, Education dated 4-11-1948, wherein the Director was asked to participate in the All India Khadi and Swadeshi Exhibition of 1948-49. As desired by the then Hon'ble Minister for Education, a Committee was formed for arranging suitable programme. A sum of Rs.7000/- was sanctioned for the purpose in G.O. MS.3069, Education dated 4-12-1948 and an additional sum of Rs.3000/- was sanctioned in Government Memo. No.85817-C2/48-8, Edn. d/26-1-1949. I may also invite your attention to Government Memo No.85817-C2/48-3, Edn. d/10-12-1948 wherein it was suggested that the preparations for the exhibition may be so made that the charts and other exhibits can be retained as a permanent exhibition in the Teachers' Colleges and also taken to exhibitions in other places. A good show of exhibits of various kinds connected with Basic Education, Adult Education, Citizenship Training, Social Studies, Crafts and other items of reorganisation of secondary education was arranged and the educational exhibition held in that year was the first of its kind and was called "Vidyanagar." The second exhibition was during the last year 1949-50 and the Education Department participated in two places, namely, Teynampet and Engineering College, Guindy. The souvenir published by the department in connection with the second educational exhibition is enclosed for reference.

2. An estimate of the expenditure that is likely to be incurred in running the exhibition in the Teachers' college, Saidapet, as furnished by the Principal, is given below:

(1) Decoration including extra provision for urinal, water supply etc.	Rs. 1,000/-
(2) Preparation of posters, statistical charts, etc and printing of programme indicating day to day activities and the like	3,000/-
(3) Advances to conveners	1,000/-

(5) Volunteers employed for explaining exhibits for actual demonstration	1,000/-
(6) Miscellaneous.	500/-

I think that it should be possible to reduce the expenditure on some of the items and I hope that we would be able to get some collections by way of sales of programmes and tickets for admission, if levied.

Education - Exhibition - 1950

p 1 cf. From the D.P.I. No. 1928 L4/50 of 17.9.50
p 15 cf. From the Genl Secy, All India Khadi, Swadeshi & Industrial Exhibition. No. Ex. 50/51/8 of 11.10.50

During Dec.-Jan, 2 big exhibitions are held in the City viz, the All India Khadi, Swadeshi & Industrial Exhibition at the Teynampet Congress grounds under the auspices of the Tamil Nad Congress Committee and the Engg College Exhibition at Guindy. The various depts of the Govt, including Edn generally participate in the Congress exhibition. This year also it is proposed to hold the Congress exhibition and the General Secretary of the Tamil Nad Congress Committee has requested the various Govt Depts, particularly the Edn Dept, to participate. p 15 cf.

p/1.2 2. Last year the D.P.I. proposed that ~~the Edn Depts need not participate in the Congress exhibitions and the usual practice and that~~ the Edn Dept exhibition might be held in the Engg College, Guindy, in conjunction with the Engg College exhibition. The Govt did not agree to the proposal. They decided that the educational exhibition should be held as usual in conjunction with the Congress exhibition ~~and~~ but that some items ~~[illegible]~~ should be held in the Engg College exhibition. ~~[illegible]~~ p/11 p/17

3. The D.P.I. has now proposed in his letter at p 1 cf. that the annual educational exhibition to be held this year may be held during Christmas in the Teachers College, Saidapet independently of the Congress and the Engg College exhibitions. The Edn Dept will at the same time take part in the Congress p 1 cf.

38

para 2, p1 cf

exhibition on a ~~[illegible]~~ restricted scale by taking one or two booths. The reasons given by him are the need to have an educational setting for the exhibition and to avoid the disabilities experienced on account of the long duration of the Congress exhibition and the diversion of the visitors to other parts of the exhibition.

4. If the above proposal is approved, there will be 3 exhibitions viz, the Congress, the Engg College and the educational, about the same time. Besides, the Park Fair Exhibition at the S.I.A.A grounds is also likely to be held at about the same time. As there will be so many different diversions the educational exhibition at Saidapet may fail to attract the expected crowd and may go off unappreciated. It cannot but be said that its success in the previous years was to a great extent due to the fact that it ~~[illegible]~~ was held in conjunction with the Congress exhibition. The Edn Dept by participating in 3 exhibitions at the same time may be put to much unnecessary strain. The total expdre is also likely to be large — more than the estimated Rs 10,000 or the Rs 13,000 spent last year. It will be also difficult to arrange for bus transport for the edl exhibition at Saidapet when there are other exhibitions at the same time, though electric trains will solve the problem to some extent, and inadequate transport facilities may defeat the purpose of holding ~~the~~ exhibition separately. In addition to all these, the objections pointed out last year when the DPI proposed holding the exhibition in conjunction with the Engg College exhibition, hold good against the present proposal also — Vide HM's minute on p 30 n.f. Ⓟ and the remarks at A on p 31 n.f. Ⓟ

5. In the circumstances the DPI's proposal does not seem to be acceptable.

As was done last year, the educational exhibition may be held in conjunction with the Congress exhibition. The Dept may also participate in the Engg College exhibition. A sum of Rs 10,000 may be sanctioned for the purpose. The expenses to be incurred by aided educational institutions for participation in the exhibitions, including Conveyance charges, may be treated as an admissible item of expdre for purposes of teaching grant and Govt institutions may be permitted to incur the expdre from the provision under Contingencies, as was done in the previous year. E. No. 35924 G/50 from the D.P.I. No. 1928-L4/50 d/ 13.11.50 — pp 23-24 c.f.

Please see the D.O. to the D.P.I. at pp 21-22 c.f. and the D.P.I.'s reply at pp 23-24 c.f. The Educational Exhibition is proposed to be held at 2 places only – at Teynampet along with the Congress Exhibition and at the Teacher's College, Saidapet. It is not proposed to participate in the Engg College Exhibition, which will be purely technical and organised by the Engg College. — para 1, p 23 c.f.

2. The D.P.I. first proposed to hold the Saidapet Exhibition during Xmas holidays. — p 7 c.f. He has now stated that it is tentatively proposed to open the exhibition on the 8th Jan '51 during Pongal holidays. — p 23 c.f. The Teacher's College, Saidapet, will be closed for the Pongal holidays from 30th Dec to 14th Jan '51 and the College work will not therefore be affected by holding the Exhibition. This exhibition seems ~~to~~ to be intended chiefly for teachers (though the public at large will not be excluded) and the main items of exhibition will be those related to the Secondary edn. — para 3, p 23 c.f. ~~[illegible]~~ The other Sections of the Dept, viz, elementary, basic, library, physical edn etc ~~are proposed to~~ will participate in the Congress Exhibition. — para 2, p 23 c.f. Ordinarily the Congress Exhibition is held from the middle of Dec and continues till the middle of Jan.

3. The difficulties and objections ~~for~~ holding a separate exhibition at Saidapet have been pointed out in para 4 of the note on p 2 ante. However, the D.P.I.'s intention seems to be to make the Saidapet Exhibition more useful to the teachers and to the parents, which may not be possible of ~~be~~ achievement ~~of~~ in the midst of the general ~~exhibition~~ mela at Teynampet. Sub: EXHIBITION - Educational Exhibition at the Teachers' College, Saidapet - Payment of daily allowance to the Officers deputed to the Exhibition - Requesting.

N/27-28 4

Ref: G.O.Ms.No. 3165 Edn., dated 28-11-1950.

In the G.O. cited above, permission was granted to hold the Educational Exhibition this year in the Teachers' College, Saidapet. The Exhibition was held for eight days from the 8th to 15th January 1951 both days inclusive and the response from the public was very satisfactory.

2. The College was closed for Pongal holidays and the members of the staff who were detailed for Exhibition duty had to come to the College specially for the Exhibition and were on duty between 2 p.m. and 7 p.m. every day. They were therefore obliged to incur some expenses towards conveyance and tiffin charges and also had to forego the holidays, while other Government servants posted for duty at the Exhibition in addition to their normal work had to incur similar expenses. In this connection, I invite the attention of Government to G.O.No.24, Finance dated 9-1-50 wherein Government were pleased to sanction daily allowance to all Government servants attached to offices situated in Madras who were deputed to take part in the All India Khadi and Swadeshi Exhibition at Teynampet and the Engineering College Exhibition, Guindy, subject to certain conditions mentioned

therein and as clarified further in Memo No.20755-CSR, Finance dated 4-7-50. I therefore request that Government may be pleased to sanction daily allowance to all Government servants deputed to the Educational Exhibition in the Teachers' College, Saidapet, for all days at the rates that would have been admissible to them under the rules had they been absent on tour outside Madras.
