Basic Education - Planning courses for

FROM

THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS

The Secretary to Government,
Education Department, MADRASRoc.No.628 M/50 dated 26th September 1950.

Sir,

Sub:- Basic Education--Retraining courses for non-basic teachers in Elementary Schools during the summer 1951.

Ref:--G.O.Ms.No.1024 Education dated 29--3--50.

* * * * *

In the G.O. quoted above, Government approved my proposal for organising courses for retraining in basic education for a period of three months during the summer of 1950.

2. There are a large number of non-basic teachers serving in Basic Schools and Basic Training Schools who need retraining in Basic Education. Teachers serving in Elementary Schools in the neighbourhood of Basic Training Schools and Junior Deputy Inspectors who have to serve in these areas have also to be re-trained. In some cases teachers who are already basic trained have to be given facilities for further training in weaving and other handicrafts.

3. Therefore I have the honour to propose that, retraining courses in Basic Education may be conducted during the summer of 1951 also in 40 Basic Training Schools, each centre taking in 40 candidates. The retraining course may be for a period of 3 months commencing from about the middle of April 1951. Since the period is mainly covered by the summer vacation, teachers can be easily deputed, avoiding the need for appointing substitutes. Stipends may be allowed at the rate of Rs.18/- per mensem in addition to their usual pay and allowances, treating them as on duty. Teachers in schools under the management of local bodies and aided agencies and Government Servants may be selected according to requirements of each case.

The cost of the scheme is worked out below:

Stipends at Rs.18/- per mensem for 3 months for 1600 trainees - Rs.86,400/-

The services of the staff of the Basic Training Schools concerned will be utilised for the purpose of these courses and they will be treated as having not availed of the vacation.

4. I request Government to approve the above proposal. Since sufficient time has to be allowed for the Inspecting Officers to select suitable candidates for these courses, I request Government to issue early orders.

Yours faithfully,

R. V. Rudraffaswami

Read: From the D.P.I., No.628-M/50, dated 26-9-1950.

Order (Ms.) No. 3167 Edn., dated 29-11-50.

The Govt. approve the proposals of the D.P.I. that retraining courses in basic education may be conducted for a period of three months ^{Vacation} in ~~40 Basic training schools~~ during the summer of 1951.

2. Forty candidates will be admitted for the course in each centre. Junior Dy. Inspectors of Schools, teachers in Govt. institutions and those in schools under the management of local bodies and aided agencies may be selected for retraining. Candidates selected for retraining will each be paid a stipend of Rs.18/- p.m. for the period of retraining. Persons deputed from Govt. service will be paid travelling allowance according to M.T.A.Rules besides the pay and allowances admissible to them. They need not however be paid daily allowance. NOTE:- The proposals submitted by the D.P.I. cannot be considered as a Part II Scheme for 1951-52., as the Director requests early orders sufficiently in advance so that time may be allowed for the selection of suitable candidates for the retraining course. The proposals may therefore be appd. Draft order above is for approval. Finance may see before circulation.

Fin (Exp. C).

The number of teachers proposed for retraining in basic education for a period of 3 months from about the middle of 1951 is 1,600/- The expense to Govt. involved in the grant of stipends to them at the rate of Rs. 18 per mensem each works out to Rs. 86,400/- The Dir. of Pub. Instruction has not given detailed justification for training a large no. of teachers in a single batch involving an extra expense of nearly Rs. 1 lakh. Already during the period April to June 1950, 960 teachers were given retraining in basic education for a period of 3 months. This Dept. may suggest that 500 teachers alone may be given retraining in basic education in the summer vacation of 1951. The extra expense Govt. will then be Rs. 43,200/-

2. As the proposal is a scheme of new expense, it will have to be placed before the Standing Fin. Committee & the Cabinet if the expense exceeds Rs. 50,000/- If the suggestion at A' above is accepted, it would be sufficient to take orders in circulation including H.M. (Fin) & H.C.M.

submitted by the Director

The proposal in this file is, to go conduct

retraining courses in basic education for teachers, in 100 basic hq. schools, for a period of three months during the summer of 1951. The total no. teachers to be retrained will be 1600, at the rate of 160

in each centre. This Dept. proposed to accept the proposal. Finance Dept. also agreed to the proposal. But they suggest that the no. of teachers to be retrained should be reduced to 500, so as to bring down the cost to Govt., to Rs. 43,200 and to avoid the matter being referred to the S.F.C. and the Cabinet. For orders, whether the suggestion of Finance may be accepted.

The file may be circulated to H.M. (Exp), H.M. (Fin) and H.C.M. for orders.

G.O. cited above in error for '800' (20 centres, each centre
taking in 40 teachers). Kindly let me know whether my presumption
is correct.
