In G.O.No.1256-Edn.&.PH dated 26th June, 1946, Government sanctioned supply of warm clothing for 62 coolies working in Krishna-devipeta, Chintapalle and Paderu and its substations. Again in G.O.No.1941-E.&.P.H. dated 4th September, 1947, Government sanctioned additional supply of warm clothing for six coolies. Out of the total supply, 12 coolies working in Paderu have been provided with warm clothing. Thus it may be seen that your presumption that the number 62 is a mistake for 6 is not correct.

As desired, a copy of G.O.No.1941-E.&.P.H. dated 4-9-47 is furnished herewith.

The Health Officer, Antimalarial Scheme Paderu reported that out of the sanctioned strength of 54 coolies for Paderu and 29 coolie only were employed and requested this Office the supply of warm clothing for them and for the five peons. Accordingly Government have

The Director of Public Health, Madras in his letter H.58142-2-1/45 dated 28-7-46 recommended the supply of only the following (1) One Jersey (2) One Cumby and (3) One Warm Coat to each of the Coolies employed in the Antimalarial operations at Krishnadevipeta, Chintapalli and Badra. Hence they were recommended for sanction at that time. But the Director of Public Health has in his letter 71915-2-L dated 27-3-50 recommended the supply of warm clothing in general and did not specify in detail what all should be supplied. As the recommendation was made in general by the Director of Public Health, a pair of serge trousers which forms part of warm clothing was recommended for supply.
