Doubts have arisen on certain points regarding the working of the Library Act and I therefore request clarifications on the following:-

1 ~~(3)~~ How is the initial expenditure on forms stationery and other contingencies to be met? Can it be met from the Library Fund of the Local Library Authority. Arrangements for meeting the expenditure until such time when the Local Fund referred to the Sec. 13 of the Act is raised need to be indicated.

2 ~~(4)~~ Can service Postage stamps be used for correspondence from the office of the Local Library Authority. If so, provision has to be made for the same.

3 ~~(5)~~ Is there any provision for keeping a permanent advance by the Secretary to meet contingent expenses, and if so how much?

Government have sanctioned a special advance of Rs.200/- for Contingent expenditure for each Local Library Authority pp7-8 (J) in G.O.Ms.No.2423 Education dated 29-8-50. With reference to para 3 of the Government memo cited above, I may state that in order to carry on the work quickly and efficiently the Local Library Authorities must have staff, accommodation and furniture. For the next six months the Local Library Authorities may have to spend a minimum of about Rs.3,000/- to Rs.4,000/- on rent, furniture, establishment, travelling allowance etc. without which it may mean postponing the starting of the work by a period of anything between 2 to 8 months.

2. In view of the circumstances stated above, I recommend that Rs.1,000/- which seems to be a fair minimum necessary for two or three months, may be sanctioned to the Local Library Authorities as an advance which will be deducted later on from the amount that will be due to them in accordance with Section 13 (3) of the Madras Public Libraries Act 1948. For the reasons given above. Government are specially requested to pass early orders on this subject.

Sir,

The Madras Public Libraries Act 1948 - Local Library Authority in the districts--permanent advance--expenses regarding.
Reference:-My letter dated 20th September, 1950.

p9 ante —

In continuation of my letter cited above, I hasten to make good an omission. In connection with the details referred to in the letter for which a Local Library Authority in a district will have to meet the following recurring and non-recurring expenses, a rough reckoning of which is furnished below:-

For the year 1950-51.
(October 1950 to
February, 1951)

RECURRING	1. Librarian	..	Rs. 75 plus 24 plus 7 = Rs. 106 0 0	.. Rs.
	2. Clerk	..	Rs. 45 plus 22 plus 7 = Rs. 74 0 0	
	3. Peon	..	Rs. 18 plus 18 plus 5 = Rs. 41 0 0	271 x 5 .. Rs. 1,355/-
	4. House Rent	..	Rs. 50 0 0	
Non-Recurring.	5. Tables, Chairs, Shelves and books		Rs. 250 0 0	
	Travelling Allowance (Lump sum).		500 0 0	750/-
			Total ..	Rs. 2,100/-

~~Remark~~ Before the close of the year, however, funds can be expected to the credit of the Local Library Authority by way of cess collections and it is for this reason I recommended a modest amount of Rs. 1,000/- only.

2. An early reply to the letter cited above, for which this letter is a supplement, is requested.

R.C. No.161-N/50 Dated 3rd March, 1951.

Sir,

Subject: LOCAL LIBRARY AUTHORITIES - Special Advance to the District Educational Officers to meet preliminary expenses - Extension of time for refunding.

p19c.7 Ⓜ Ⓛ

Reference: (1) G.O. Ms. 2423, Education dated 29-8-1950.
(2) G.O. Ms. 3184, Education dated 30-11-1950.

***

In the first of the references cited above, Government sanctioned a special advance of Rs.200/- to the District Educational Officers of each district for meeting the preliminary expenses, on account of the Local Library Authority of the district. It was also stated that the amount drawn should be recouped from the "Library Fund" maintained under Section 13 of the Madras Public Libraries Act 1948, and repaid to Government within six months of its drawal. To this effect, a circular was issued to the District Educational Officers, who are the Secretaries of the Local Library Authorities to furnish the Director information about the date of drawal and refund of the special advance. Meanwhile, many of the District Educational Officers requested that Rs.200/- sanctioned may be enhanced, and calculating the approximate need of each Local Library Authority, Government

p.t.o.

p111 of (L) was addressed to sanction an advance of Rs.1,000/- in my letter R.c. No.149-N/50 dated 26-9-1950. This advance was sanctioned in G.O.
p196 of (L) Ms. No.3184 Education dated 30-11-1950, subject to the conditions
(M) laid down in G.O. Ms. No.2423 Education dated 29-8-1950.

2. In this connection, I may state that from reports received from the District Educational Officers, it is seen that not much has so far accrued to the credit of the Library Fund in most of the districts and as such, it may not be possible for the Secretaries of the Local Library Authorities to repay the amount already drawn by them. Besides some of the major Municipalities and panchayats in the districts have been exempted from the levy of cess during 1950-51 and these local bodies will therefore be collecting the cess only from 1-4-1951, which is likely to be realised about the end of the first half-year.

3. In view of the facts referred to above, I request that Government may be pleased to extended the period of six months to one year.

Government in their Memo. cited above had ordered that the special Advance of Rs.200/- sanctioned in G.O.Ms. No.2493 Edn. dated 29-8-1950 and which was later raised to Rs.1000/- in G.O.Ms.No.3184 Edn. dated 30-11-50 should be repaid to Government within a year of its drawal. This amount was drawn in full by only a few of the District Educational Officers, while some others drew only a portion of it. Some did not draw it at all. However in many cases the District Educational Officers have not been able to refund this special Advance in time due to delay in the issue of cheque books to them, by the Treasury Officers. I am therefore enclosing herewith a list of such of the *District Educational Officers who have not refunded the special Advance drawn by them. A further report will be submitted to Government after the District Educational Officers repay the advance. They are being reminded.

The Madras Public Libraries Act, 1948-Local Library Authorities - Working of - Certain doubts-Clarification of -

---

cf

From the D.P.I. No.109/N-50 dated 24-7-1950.

--

The D.P.I. brings to the notice of Govt. certain doubts that have arisen in the working of the Local Library Authorities under the M.P.L. Act, 1948 for orders. They are:-

p 2 cf

(1) How is the initial expre. on forms and stationery and other contingencies to be met and, if it can be met from the Library Fund, wherefrom are such expenses to be met till the Library Fund is actually raised.

cp query (1) on p 2 cf

(2) Whether the Secy. of the Local Library Authority is allowed to keep a Permanent advance to meet contingent expenses under the provisions of the Act, and if so how much.

cp query (2) on p 2 cf

(3) Whether Service Postage Stamps can be used for correspondence from the office of the Local Lib. Authority, in which case, provision should be made for the same.

cp query (3) on p 2 cf

Item (1) above:

After the formation of the Local Library Authorities and the Library Fund, the contingent expenses of the L.L. Authority may be allowed to be met from the Fund; but till then, and especially in the transitory period between the bringing into force of the Act., and the raising up of the Fund, the cost will have to be borne by the Govt. in the first instance, to be recouped by the Local Library Authority as soon as the Library Fund is raised. It has been suggested in another file that the incidental expenses for printing ballot papers, notices etc., and contingent expenses connected therewith may be met initially by the officer conducting the election which will subsequently be recouped from the Library Fund of the L.L. Authority concerned. L.A. agrees with this view. A similar

(C 2024/7/50) file sent to L.A/ Legal/

See below

Secretaries of the L.L. Authorities may perhaps be authorised to meet such contingent expenditure from their ~~permanent~~ funds ad~~vances~~ and to recoup it subsequently from the L.L. Fund, as soon as it is raised.

Item (2) above: There is at present no provision in the rules for a Permanent Advance to the be kept by the Secretary of the Local Library Authority. The Secretary of the Local Library Authority may be permitted to have some ~~permanent advance~~ amount to meet expenses connected with contingencies etc., from the Library Fund. Until then the procedure in item (1) above may be adopted.

Item (3) above: The Local Library Authorities are quasi-public bodies, and hence service postage stamps need not be used. They may, however ~~be meet~~ be authorised to meet expenses on account of postage from their Library Fund.

LA & Fin. may see for remarks.

JD
1/85

Point (1) above - ~~As regards~~

These are new bodies and have to begin everything from the very beginning - The DEO is the Secretary and Convenor of the body - As regards the initial expenses to be incurred in connection with election of members and the organization of the Library Authority for the district under Sec 5 of the Act, it has been suggested by me separately in another file (which has gone to Finance for remarks on the suggestion) that the DEO may be given an advance of about Rs 200/- initially which will be adjusted later towards the Contribution payable by Govt under Sec 13 (3) of the Act, for which a provision of Rs 2 Lakhs has been made in the budget. That amount should be sufficient for initial expenses. Orders to be issued on that file will cover this point.

-E/2-3

(20 M)

E/6.

✓

Point (2) on p. 1 ante

The DEO who has been appointed as the Secretary and Convenor of the Library Authority should certainly have a permanent advance as he will be responsible for the control of the staff of and be in general charge of the office of the Local Library Authority. The Director should be able to suggest what that amount should be - He should first offer specific remarks and may now be consulted -

Rule 42 (2) on p. 7 of Ⓐ

Point (3)

4

Point (3) on p 1 ante.

As regards the use of service of postage for the Correspondence of the Library Authority, it is suggested that this Authority being a statutory one, the ~~procedure of this~~ the practice followed by other (similar) bodies, e.g. the Dt. Bd. or the Munl. Cl., may be adopted – L.A. may kindly indicate what is the practice in the ~~ca~~ of the local bodies in this regard.

In paragraph 3 of Memo. on p.5 cf, the D.P.I. was requested to submit concrete proposals as to the amount of permanent advance that may be sanctioned to each Secretary of the Local Library Authority to meet contingent expenses under the provisions of the Act.

2 The D.P.I. states that in order to carry on the work quickly & efficiently the Local Library Authorities must have staff, accommodation & furniture & for the next six months the Local Library Authorities may have to spend a minimum of about Rs 3000 to Rs 4000 on rent, furniture, estt. T.A. etc without which it may mean the postponing the starting of the work by a period of anything between 2 to 8 months. So he requests that a minimum of Rs 1000 ~~as advance~~ for two or three months may be sanctioned to the Local Library Authorities (25) as an advance which will be deducted later on from the amount that will be due to them in accordance with Section 13(3) of the M.P.L. Act. p7 cf

3 In G.O. 1624 Edn. dt 29.5.50, the Govt. sanctioned the appointment of a L.D. clerk on a scale of Rs 45-90 in each of the 24 offices of the D.E.Os selected as p13 cf

The staff will be presumably housed in the D.E.O's office. A. The estimated expr. on rent, furniture estt & T.A. with detail has not been given. If the proposal of the D.P.I. is accepted an advance of Rs 25,000 will have to be sanctioned for 25 units at the rate of Rs 1000 each. The expenditure will have to be adjusted later towards the contribution payable by Govt. under Section 13(3) of the Libraries Act for which a provision of Rs 2 lakhs has been made in the budget. p6 Ⓔ
