EDUCATION DEPARTMENT.

FROM

THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS.

To

The Secretary to Government, Education Department,
Port St. George, MADRAS.

Re. No. 958 K2/50 dt. 11/9/50.

Sir,

Sub:-Colleges - Presidency College Madras - Economics
Department - Conversion of one post of Assistant
Professor into that of Additional Professor.

In connection with Part II of the Budget Estimate for 1951-52, I have the honour to submit for the favourable consideration of Government proposal for the conversion of one of the posts of Assistant professors in the Economics Department in the Presidency College Madras, into that of Additional Professor with effect from the beginning of the next academic year that is 1951-52.

2. As early as in 1948 the Principal, ^{Presidency} College, submitted a proposal for the employment of an additional Professor of Economics. It was considered that an additional Assistant Professor would suffice for the Department at that time and Government, sanctioned the employment of an additional Assistant Professor in Economics with effect from 1949-50 vide this office letters Rc.No. 1662 K2/48 dt. 30-8-48 and 24-9-48 disposed of in G.O. No. 949 Edn. dt. 1-4-49. The strength of Economics classes in the College since 1940-41 is noted below.

1940-41	96.
1941-42	101
1942-43	90
1943-44	90
1944-45	99
1945-46	105
1946-47	124
1947-48	164
1948-49	210
1949-50	207
1950-51	239

Present strength of staff
1 Professor
4 Asst Professors

The University has sanctioned considerable increase in the Economics Department both in Pass and Honours this year and it is reported that IV Honours and Post Graduate I together alone have a strength of 48 students.

3. The strength of Economics classes, during recent years, has more than doubled and it is, therefore, essential that there should be two Madras Educational Service members on the staff of the Department. At present the following departments in the College have ~~now~~ two members each.

1. English.	596
2. Mathematics.	348
3. Physics.	375
4. Chemistry.	405
5. Botany.	254
6. Zoology.	269
7. History & Political Science.	130

P.T.O.

The University General Inspection Commission has pointed out that in an Honours College, it is desirable ~~it~~ in the case of some subjects to have two persons in the professional grade for teaching the Honours Course, one of them will be the Head of the Department. Government have also sanctioned the conversion of posts of Professors into that of Chief Professors. It can not be said that Economics is in any way less important than the 7 subjects mentioned above which have 2 Madras Educational Service members on the staff. I am convinced that the Economics Department in the Presidency college which provides for both Honours and post Graduate studies should have an additional member in the ~~max~~ professional grade to ensure the required efficiency, particularly in view of the increasing demand for the subject. I recommend the conversion of one of the posts of Assistant Professors in Economics into that of Additional Professor of Economics.

4. The additional cost to government on account of the above proposal will be as follows:-

1951-51.

1 Additional Professor (230-700)	230	
Less		
1 Assistant Professor (150-250)	150	
	80 X 8	640
Difference in Dearness Allowance 46-34	12 X 8	96
		736
		Rs. 700

Ultimately:-

Difference in pay =	449 1/3 - 205 5/9 X 12 =	2,925.
" in Dearness (0) Allowance.	70 - 42 = 28 X 12 =	336.
		Rs. 3,261
		or Rs. 3,300/- per annum.

5. I am including the necessary provision in Part II of the Budget Estimate for 1951-52.

Yours faithfully,

M. V. Krishna Rao

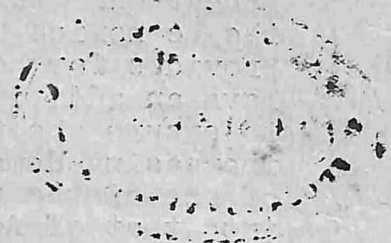

For Director of Public Instruction.

Part II Scheme for 1951-52

Finance (Estt 8pl)

The proposal of the D.P.I. is that ~~the~~ one of
the posts of Assistant Professors ^{of Economics} in the Presidency
College, Madras may be converted into that of
Additional Professor in the Madras Educational
Service with effect from the beginning of the
next academic year. The extra cost involved
is Rs 3,300 per annum. Edu have supported the
proposal.

para 1 of
Part 3 of

2. The main reason urged in support of the
proposal is that the strength of the Economics
Classes is on the increase, and that an additional

member of the Professorial grade is required to ensure greater efficiency. It is also reported that the following departments in the College are having two members of the Madras Educational Service each:-

1. English	Strength 596	para 3 imp 1/4
2. Mathematics	348	
3. Physics	375	
4. Chemistry	405	
5. Botany	254	
6. Zoology	269	
7. History and Politics	130	Economics strength 237

3. It will be seen from the above ^{statement} that the strength of all the branches excepting No. 7. is more than that of the Economics Branch. Regarding 'History and Politics', two members of the M.E.S. have been appointed presumably to be ~~in~~ ^{two subjects viz} in charge of each of the ^{two subjects viz} Politics and History. The case for an additional member in the M.E.S. for the Economics branch does not seem to be convincing with reference to the strength ~~of the Economics classes~~ ^{of the Economics classes}. It does not also seem that the conversion of one post of Asst. Professor to that of an Additional Professor will in ~~any way~~ ^{necessarily} contribute to greater efficiency, since in educational institutions, efficiency would seem to depend more on the actual incumbent chosen for the work rather than the grade in which he is put. It cannot therefore be considered that the proposal is ~~essential for the proper functioning of the Department~~ ^{imperative necessity}. Finance may therefore suggest that the proposal may be negatived.

in the M.E.S. with effect from the next academic year. The extra cost involved is Rs 3,300 per annum. The Fin Dept suggest that the proposal may be negatived as the case for an addl member in the M.E.S. does not seem to be convincing with reference to the strength of the classes and that in any case it cannot be considered that the proposal is imperatively necessary.
