Honoured Sir,

42004

The petitioner most humbly and respectfully begs to bring the following for the consideration of the benign Government.

While holding the post of a Mechanic, II Grade, he was selected and appointed to officiate in the Grade of Senior Mechanic on Rs.30-2-60 (now designated as Head General Mechanic in the revised scale of Rs.70-4-110) in place of Sri S.Guruswamy who was promoted as a Temporary Fitter Maistry on Rs. 90.5.150.in a chain of arrangements made with effect from 1-4-1945. He had been contdeniously holding the post from the said date and has also drawn the increments accrued in the time-scale. But in the month of February 1949 his pay was reduced to half of What he had been drawing without any previous intimation whatsoever in the matter. Thereupon he submitted a petition to the Superintendent on 26th February 1949(copy enclosed) and two Reminders on 25-3-49 and 14-4-'49 (copies enclosed). As he could not get any reply or understand the reason for such a reversion he submitted a third reminders on 3-5-'49 (copy enclosed).

A

He was then given a reply No.S.B.C/Mis/49-50, dated 6-5-'49, which reads a follows:--

" He is informed that his officiating promotion as Head General Mechanic on Rs.70--110 made on 1-4-'45 is found to be not in order of strict seniroity. It has been decided by Government that all promotions made prior to 1-8-'46 should be revised provided he has put in a total service of two years within a continous period of three years on that date without any adverse remarks against his works. Hence he is reverted to his Substantive post and his senior Sri S.Angappachary promoted in his place." (A true copy of the above reply is also enclosed for the perusal of Government).

(3)

The petitioner is rather surprised to note why Government should have issued such an order after a lapse of nearly four years after his promotion. He is not aware of any petition or appeal having been submitted by any of his so-called seniors against his promotion. The post of mechnic, Grade I (Head General Mechanic) is a selection category under rule 4 of the Madras Government Press subordinate Service Rules and the probation prescribed on promotion to that post is only one year under the said rules. The petitioner has therefore completed his probation on 14-'46, i.e. prior to 1-8-'46 without any adverse remarks against his work until now. His selection to the post was made by the then Superintendent considering all aspects and his reversion on point of Seniority at this stage is rather drastic. The duties performed by the petitioner before and after the reversion remain the same.

R In the circumstances the petitioner humbly requests that he may be restored to his original post with effect from the date of reversion.

For which act of kindness the petitioner shall ever remain grateful.

Yours faithfully,

1464. B.R. Oesavalu

Sir,

I beg to bring the following for your kind consideration with the full hope that justice will be done.

I was selected and appointed to officiate in the grade of a Senior Mechanic (Now Head gGeneral Mechanic) on Rs.30--2--60 (now revised to Rs.70-4-110) in place of Sri S.Guruswamy who was promoted as Fitter Maistry. I was also given an increment in the revisied scale of Rs.70-110 from 1-4-1948. But in the month of February 1949 I was given only half pay. I could not understand why full pay was not given to me as usual and therefore approached the Pay Bill Clerk who did not give me any information on the matter. Then I approached the Engineer who also told me that he was not aware of anything. Thereupon I approached you and you were pleased to direct me to the Personal Assistant and if he could not give any satisfactory reply you wanted me to give everything in writing so that you would look into the case personally. Accordingly I saw the Personal Assistant who wanted me to go over to him afterwards so that he may give a reply after consulting the Service Clerk. Though I had been to the Personal Assistant half a dozen times I could not get any satisfactory reply.

When I went to the Accounts Section to receive the compensation sanctioned to me it was paid in the presence of you, the - Personal Assistant who before disbursing the same told me that I was reduced to a lower grade on account of Claims from Seniors to me, and that I need not petition in the matter since I got compensation. How can an Established Seniority be now disturbed after a period of Four years.

Sir, In this connection, I beg to bring to your kind notice that I was not in a position to understand what exactly the Personal Assistant meant. I have sustained a major injury in the discharge of my duties and I deserve every sympathy from my superiors. On account of this calamity I do not think any of the other Mechanics could have claimed seniority over me and that too after I have put in a Service of Four years in this grade.

Further, I am able to carry on my duties in spite of the injuries sustained by me and the Surgeon who treated me also has not declared me unfit.

I therefore humbly request you to look into the case personally and restore me to my original Post or give me in writing the reasons for reduction to a lower grade to enable me to appeal to the Government if necessary.

Yours obediently,

Mechanic, Govt.Press, Madras.

Endt.No.SBC/Mis/49-50 dated 28th June 1949.

The petitioner was a permanent Assistant Mechanic in the time scale of pay of Rs.35-2-55-EB-1-65/45. He was promoted to officiate as senior Mechanic in the time scale of pay of Rs.30-2-60 (now designated as Head General Mechanic, the time scale of which is Rs.70-4-110) from 1-4-1945 while two of his seniors were awaiting promotion to the same grade. In para 3 of G.O.No.2127 Edn., dated 8-11-1946, Government have issued orders to the effect that promotions shall be made strictly according to seniority. Therefore I have adopted a rule by which all promotions made prior to 1-8-1946 be revised, provided the incumbents have put in a total service of two years within a continuous period of three years on that date without any adverse remarks against their work and conduct. In view of these, I have reverted the petitioner to his substantive post and promoted the senior over him to officiate in that grade with effect from 1-2-1949.

(H) N

Moreover, he has sustained a permanent loss of twenty per cent of his earning capacity due to crushed injury of left hand as a result of an accident in the course of his duties for which he was paid a sum of Rs.980/- as compensation under the Workmen's Compensation Act and therefore due to physical inability of a permanent nature he will not prove himself fit for further promotion also.

Sir,

Sub: Government Press Establishment - Sri B.R. Kesavalu, Senior Mechanic - Petition against reversion.

Ref: Government Memo.No.42004 C2/49-3 Edn., dated 25-7-1949.

I have to state that Sri B.R. Kesavalu was acting as a Senior Mechanic from 1-4-1945 to 31-1-1949 in one of the temporary posts sanctioned in G.O.No.105 Edn., dated 23-1-1945 and G.O.No.Ms.444 Edn., dated 21-3-1945. The post he was holding at the time of his reversion was not a permanent one and therefore the question of his confirmation therein does not arise.

As already stated in my office Endt.No.SBC/Mis/49-50 dated 28-6-1949, I have reverted him to his substantive post in accordance with orders issued by Government on the grievances of Government Press Workers in para 3 of G.O.No.2127 Edn., dated 8-11-1946 as on 1-8-1946 since on that date he had not completed the prescribed period of probation under the proviso to Rule 6 of the Madras Government Press Subordinate Service Rules.

Respected Sir,

I most humbly and respectfully beg to state that I was promoted as a Senior Mechanic on Rs.30-2-60 with effect from 1-4-45. In Feb. 47, Government revised the scale of pay of Senior Mechanics to Rs.70-4-110 and I was drawing a pay of Rs.70/- in the above scale from 1-1-1947. I also got one increment on 1-1-48. In February, 1949, my pay was reduced and so I submitted a petition to the Superintendent, Government Press, Madras, on 26-2-49 and then three reminders on 25-3-49, 14-4-49 and 3-5-49. As I was not satisfied with the reasons given for my reversion in reply ~~to~~ No.S.B.C./Mis./49-50, dated 6-5-49, I submitted a petition to your Honour on 30-5-49, to which no favourable orders have been yet received.

p l LF

I beg to state that even after my reversion I am asked ~~to~~ by my superiors to do actual work which I was doing prior to my reversion and I am doing the same work. As such I am a loser by Rs.32/- per month, apart from the O.T. differences.

Hence, I request your Honour to consider my case favourably and restore me to my original post, with effect from the date of my reversion.

Awaiting for your favourable orders.

In reply to Government telephonic message cited above, I furnish the following particulars:-

(1) Sri B.R. Kesavalu was promoted as Senior Mechanic on Rs.70-4-110 from 1-4-1945.

(2) He met with the accident on 20-5-1948 and other treatment he rejoined duty on 1-9-1948.

(3) He was doing the duties of Senior Mechanic on Rs.70-4-110 even after 1-9-1948 i.e., even after the accident until his reversion from 1-1-1949.

(b) Sri B.R. Kesavalu is an excellent mechanic and is well up in repairing Printing and Binding Machines including the latest type of printing machines like Rotary and self feeding (automatic) machines. On the other hand Sri Angappa Achari is an ordinary mechanic and his skill is not of a high order. Sri B.R. Kesavalu is better fitted to hold the post of Head General Mechanic than Sri Angappa Achari

(c) However I would like to bring to the notice of the Government that the petitioner has been promoted as Senior Mechanic on Rs.70-4-110 from 1-2-1950 giving prominence to merit and confirmed in the post from 1-5-1950.

In the letter cited it is stated that Sri. Kesavalu was promoted as Senior Mechanic on Rs 70-4-110 from 1.4.45 and continued in that post ~~till~~ until his reversion from 1.1.49. It is observed that the above statement is not supported by the entries in the service register. Page 6 of the Service register, shows that Sri. I submit that Sri B.R. Kesavalu, permanent Mechanic on Rs.15-28 was promoted to officiate as Mechanic Grade I on Rs.28-55 from 1-4-1945. The time scale of pay of this post of Mechanic Grade I on Rs.28-55 was revised as Senior Mechanic on Rs.70-4-110 in the general revision of scales of pay, 1947 and he is therefore, reckoned to be in the category of Senior Mechanic on Rs.70-4-110 from 1-4-1945.

A

From the officiating post of Senior Mechanic, he was shown as on other duty as Fitter (scale of which was Rs.28-55 upto 31-12-1946 and Rs.40-70 from 1-1-1947) from 1-4-1945 to 31-12-1947 and this is noted in the foot note on page 6 of the Service Book. His reversion from the post of Senior Mechanic is only from 1-1-1949 and not from 1-2-1949 as noted in the Service Book. Necessary alteration has been made in the Service Book and attested.

From the S.G.P. Endt.No.SBC/Mis/49-50 d-28-6-49.

Sub: Petition against reversion.- I Grade Head Mechanic to II Grade --- Mechanic - Sri B.R. Kesavalu.

Sri B.R. Kesavalu brings to the notice of Govt. that he was appointed to officiate in the grade of Senior mechanic now designated as Head General Mechanic in the scale of 70 - 4 - 110 with effect from 1-4-45. and that he had been continuously holding that post from that date and/also had drawn ~~the~~ increments ~~approved~~ in the ~~time~~ scale. In February 1949, he was reverted to ~~be~~ the substantive post of Mechanic. In this connection the petitioner, states that the post of mechanic, Grade I (Head General Mechanic) is a selection category under rule 4 of the Madras Govt.Press Subordinate Service Rules and he has completed probation of one year on 1-4-46 without any adverse remarks. He also states that the selection to the post was made by the then Superintendent considering all aspects. He, therefore, requests that he may be restored to the original post with effect from the date of reversion.

4 Regarding the capacity of Sri Kesavalu, attention is invited to the remarks of the S.G.P. at 'M' on page 40 cf In view of this, it appears that the reversion of Sri Kesavalu from the Head Mechanic's post in Feb. 1949 may be held to be irregular and he may be restored to that post retrospectively from 1-4-1945.

5 Though Sri Kesavalu has been promoted as Head Mechanic from 1-5-50, the question arises how the period from ~~1-5-1950~~ 1-~~11~~-1949 to 30-4-50 will have to be treated when he was under reversion. ~~The irregular~~ The irregular action of the S.G.P. is due to no fault of the petitioner but to a wrong interpretation by the S.G.P. of G.O. 2127 Edn. d/ 8-11-46 As ~~as~~ in the case of Sri Nambessan and disposed of in G.O. 1546 Edn. d 1-5-50 the same concession may perhaps be shown to ~~him~~ this petitioner also i.e. to treat the period of reversion as if he were on duty as Head Mechanic and to pay the emoluments during the period by creating a supernumerary post of Head Mechanic. The case of the petitioner is briefly summarised in the note of the Education Department on pp. 6-7 ante. This Department may also ~~advice~~ agree that the concession regarding arrears of pay and increment during the period of reversion granted to Sri ~~Sri~~ Nambissan may be given to Sri Kesavalu also. Education will no doubt consult Finance on this point.

The petitioner has stated that, while holding the post of a Mechanic, II Grade, he was selected and appointed to officiate in the grade of Senior Mechanic on Rs.30-2-60(now designated as Head General Mechanic in the revised scale of Rs.70-4-110) in a chain of arrangements with effect from 1-4-45, and that, in the month of February 1949, he was reverted to the substantive post of Mechanic.

A on p 7 of

The S.G.P., who was requested to state why the petitioner was not declared to have completed his period of probation satisfactorily as Senior Mechanic after his period of probation was over, replied to Government in August 1949, that, as the petitioner was acting as a Senior Mechanic from 1-4-45 to 31-1-49 in one of the temporary posts sanctioned in G.O.105 Educated dated 23-1-45 and G.O.444 Education dated 21-3-45, and as the post, he was holding at the time of his reversion, was not a permanent one, the question of his confirmation did not arise. The S.G.P. has further stated that, in accordance with the Orders in para.3 of G.O.No.2127 Edn. dated 8-11-46, he was reverted to his substantive post from 1-1-49.

Public(Ser), whose remarks were invited, regarding X on p.7 above, agree with the views of Education that the case of the petitioner is similar to that of Sri T.P.V.Nambissan, disposed of in G.O.3199 Education dated 18-10-49, and that a similar treatment may be accorded to the petitioner in the present case also.

Education have stated that the irregular action of the S.G.P. in having reverted the petitioner from 1-1-49 is due to no fault of the petitioner, but due to a wrong interpretation, by the S.G.P., of G.O.2127 Edn. dated 8-11-46, and they propose to treat the period of reversion as if he were on duty as Head Mechanic, and to pay him the emoluments during the period of reversion by creating a supernumerary

post of Head Mechanic.

Attention is invited to the Orders issued in G.O. 1546 Edn dated 18-5-50 on p.5 C.F. and the notes of this Department on pp.2-4 N.F. and the Orders in circulation on p.9 N.F, of (Y). In the case of Sri Nambissan, this Department noted that supernumerary posts were usually created when permanent posts were abolished and ~~that~~ when the permanent incumbents could not be absorbed substantively in other posts, and that ~~since~~ service in a lower post ~~could not be absorbed substantively in other posts and that since in a lower post could~~ would not count for increment in a higher post. The Chief Secretary held the view that, as the reversion was irregular, it was only fair that the petitioner (Sri Nambissan) should not be made to suffer and the above views were accepted in circulation.

X on p 4 of of (Y)

A on p 7 of of (Y)

p 9 of of (Y)

The present case ~~also~~ seems to be ~~quite a~~ similar ~~one as~~ to that of Sri Nambissan, and the reasons put forward by this Department against the proposal on pp-2-4 N.F. of (Y) hold good in the present case also. But in view, however, of the fact that a similar concession has already been shown to Sri Nambissan, Finance may perhaps agree to the present proposal to allow the petitioner, Sri B.R. Kesavalu, the pay and allowances as Head General Mechanic during the period of reversion viz. from 1-1-49 to the end of ~~April~~ January '50 and also the benefit of counting the above period for increment.

The draft order below may be accepted subject to the following remarks:-

(i) The correct designation of Grade I Mechanic is now Head General Mechanic and not Senior Mechanic and this is indicated in pencil.

(ii) It seems also necessary to create a Supernumerary post of Head General Mechanic for the period of reversion of Sri Kesavalu, if the post had been filled by another person during that period. Para 4 of draft may be amplified subitably, if necessary
