Sir,

Sub: Pudukottai State - Rajah's College, Pudukottai - Absorption of staff - proposals submitted.

1845

In enclosing herewith a statement showing the particulars regarding the members of the staff working in the Rajah's College, Pudukottai, I submit the following proposals for their absorption in the Madras Government Service.

2. Unlike in other Government Colleges, there are three categories in the Rajah's College, Pudukottai (Professors, Lecturers and Assistant Lecturers). To bring in the staff of the Rajah's College on a par with the staff of other Government Colleges, they may be classified under two categories ~~only~~ (viz) Lecturers and Assistant Lecturers only. The posts of Professors of the Rajah's College may be classified as Lecturers (Gazetted) under the Madras Government and the post of Lecturers and Assistant Lecturers in the Rajah's College may be classified as Assistant Lecturers (Non-Gazetted) under the Madras Government. Applying this principle, the staff of the Rajah's College may be absorbed as follows:-

3. **Principal**:- Serial No. 1 in the statement (Sri K.Venkatarama Sarma) may be absorbed in the post as he is qualified.

Lecturers: Serial Nos. 2 and 3 (Messrs. V.K.Viswanatha Iyer and K.R.Panchapakesa Iyer) who are permanent Lecturers may be absorbed as Lecturers in the Madras Educational Service as they are found qualified.

G.O. 2054 25.6.49

Serial No. 4 (Sri P.V.Ramachandra Iyer) is officiating purely as a temporary measure as Professor of History from 4-7-49. He may be absorbed as Assistant Lecturer in the Madras Government and he may be transferred to some other Government College leaving the post of the Professor of History to be filled by a Lecturer in the Madras Educational Service.

Sub: Pudukkottai State - Rajah's College, Pudukkottai - Absorption of staff - proposals submitted.

In enclosing herewith a statement showing the particulars regarding the members of the staff working in the Rajah's College, Pudukkottai, I submit the following proposals for their absorption in the Madras Government Service.

Unlike in other Government Colleges, there are three categories in the Rajah's College, Pudukkottai (Professors, Lecturers and Assistant Lecturers). To bring in the staff of the Rajah's College on a par with the staff of other Government Colleges, they may be classified under two categories viz. Lecturers and Assistant Lecturers only. The posts of Professors in the College may be classified as Lecturers (Gazetted) under the Madras Government and the post of Lecturers and Assistant Lecturers in the Rajah's College may be classified as Assistant Lecturers (Non-Gazetted) under the Madras Government. On this principle, the staff of the Rajah's College may be absorbed as follows:-

Principal:- Serial No. 1 in the statement (Sri [illegible] Sarma) may be absorbed in the post as he is qualified.

Lecturers: Serial Nos. 2 and 3 (Messrs. [illegible] and A.R. Panchapakesa Iyer) who are [illegible] absorbed as Lecturers [illegible] are [illegible] qualified.

Serial No. 4 [illegible]

[illegible]

4. As already ordered in G.O.No.Ms. 32 Education dated 4-1-49 the designation of Serial No.5 (K) may be changed as Assistant Instructor in Electrical Engineering and the existing incumbent (Sri T.R. Sreenivasa Iyer) who is permanent may be absorbed in that post.

5. Among the Lecturers and Assistant Lecturers, certain persons (Serial Nos. 6,7,8,12 and 14) (K)1 K/2 are not qualified to officiate as Assistant Lecturers as per the Madras Educational Subordinate Services Rules. Though Serial Nos. 7,8,12 K/1 and 14 K/2 do not possess a 'class' they possess M.A. or B.A.(Hons.) degree with some experience in the college. They may be granted the necessary exemption from securing a 'class', as 'class' is not essential for satisfying the University requirements. No.6 K/1 (Sri J.Renga Iyengar) though only a B.A. II Class is a permanent Lecturer under the State Rules and he is already drawing pay in the scale of Rs.150-10-250. Hence he too may be granted exemption from possessing the necessary qualification and he may be absorbed as Assistant Lecturer.

H

Serial Nos. 9 and 16 K/1, K/2 (Messrs. R.Sundaresan and T.K. Sreenivasa Iyengar) are qualified for post of Assistant Lecturers as per the Madras Educational Subordinate Services Rules and so they may be taken in as Assistant Lecturers.

Serial No. 10 K/1 (Sri N.Kanakaraja Iyer) is a B.O.L with a II Class in Part II. In their Memo. No. 60298-A3 Education dated 16-12-49 Government have held the view that persons who have passed the B.O.L.Examination under the old or Transitory Regulations of the Madras University with I or II Class either in Part II or in Part III should be made eligible for appoinment as Lecturers in languages in the Madras Educational Service or as Assistant Lecturers in languages in the Madras Educational Subordinate Service. Hence Sri Kanakaraja Iyer may be absorbed as Assistant Lecturer in Tamil.

(Refer [illegible] file)

M

Both serial Nos. 11 K/1 and 13 (Messrs. A. Sreenivasaraghavan and T.S.Kuppanna Sastrigal) are qualified for the post of Assistant Lecturers in Sanskrit as per Madras Educational Subordinate Service Rules. But in G.O.No.Ms.32 Education dated 4-1-49 Government have sanctioned the post of one Assistant Lecturer in Sanskrit and 1 Pandit in Sanskrit. Sri A.Sreenivasaragavan (Serial No.11) is senior to Sri T.S.Kuppanna Sastrigal (Serial No.13) in the

College. Hence Sri A.Sreenivasaraghavan may be taken in as Assistant Lecturer in Sanskrit and the other may be posted as Pandit. If necessary, the willingness of Sri T.S.Kuppanna Sastrial may be ascertained before he is absorbed as Sanskrit Pandit.

K/2 P.A. Nataraja Pillai

K

It is reported that No.15 has "completed" his S.S.L.C. course and is therefore not an "eligible" S.S.L.C. It is therefore recommended that he may be exempted from possessing this qualification and he may be absorbed as Tamil Pandit as he is otherwise found qualified for the post.

K/2

Serial No. 17 (Sri P.V.Sreenivasan) is an Economics Honours graduate with a I class. Though he is qualified to hold the post of Assistant Lecturer in Economics, there is no post in which he may be absorbed because Government in their order No.32 Education dated 4-1-49 have not sanctioned any Assistant Lecturer's post in Economics. But, in the college, Economics is being taught as an optional subject for the B.A. class. Hence it is necessary to have an Assistant Lecturer in Economics. So one of the posts of Assistant Lecturers in History sanctioned in G.O.No.32 Education dated 4-1-49 may be designated as Assistant Lecturer in Economics and the existing incumbent (Sri P.V.Srinivasan) may be absorbed in that post.

6. Serial No.18 (Sri P.Nataraja Iyer) may be absorbed as Physical Director Grade I as he is qualified for the post as per the Madras Educational Subordinate Services Rules.

K/2

7. Serial No.19 (Sri P.K.Ramaswamy Chettiar) may be absorbed as Tutor in English as he is qualified as per the Madras Educational Subordinate Service Rules.

K/2

Serial Nos. 20 and 22 (Messrs.R.Venkatarama Iyer and R.Subramania Iyer) may be posted as Demonstrators in Chemistry and Serial No. 21 (Sri R.Vaithinatha Iyer) as Demonstrator in Physics as they are qualified to hold the posts.

8. "In their Memo. No.23130 B2/48-5 Education dated 22-6-48 Government have permitted the continuance of the posts required for the group certificates course in Electrical Engineering, though the list of posts sanctioned in G.O.No.Ms.32 Education dated 4-1-49 does not include the post for the group certific

course. The services of Serial No.23 are therefore required so long as the course is continued in the college and he (Sri E. Alagiriswamy) may be absorbed as teacher for the group certificate course in Electrical Engineering."

9. Serial No.24 (Sri P.V.Rajagopala Iyer) has not passed the Deputy Inspector's Test. Though it is usual to insist on the passing of Deputy Inspector's Test for the post of Head Clerks, this need not be insisted on as he is only the Head Clerk of a College. He may be absorbed as Head Clerk under the Madras Ministerial Service.

10 Nos. 25 to 31: These people will have to be absorbed in the following posts sanctioned in G.O.No.Ms.32 Education dated 4-1-49.

✓1 Typist. 25)	on the scale of Rs. 45-3-60-2-90.
30) ✓1 Lower Division Clerk.)	
✓1 Librarian. 26)	
✓1 Assistant Librarian. 27)	
✓1 Store keeper. 31) 28 & 29) Malayappan	
✓2 Laboratory Attenders.	Rs.24-½-(A)-32-1-35.

But, none of these persons are ~~not~~ qualified to hold their respective posts except No.26. It is therefore requested that Government may revise the above sanction as shown below as such revision will not involve extra expenditure to Government but will help the present members to come into their own:

1 Typist.	Rs.45-3-60-2-90	(to be recruited from out- (side as the present incum- (bent is not a Higher Grade (man.
2 Lower Division Clerks.	-do-	to be filled by Nos. 25 &30
1 Librarian.	-do-	(No.26 to be absorbed in the (post as he is qualified.
3 attenders-one each for) Library and Physics and) Chemistry Laboratories.)	24-½ (A)-32-1-35	(Nos. 27,28 and 29 (to be appointed.

In the above arrangement Nos. 28 and 29 may draw their own scales of pay which are higher than the Attender's scale. But Serial No.29 (Sri S.Malayappan) has only studied privately upto 4th year class in Ceylon and as much he is not qualified to hold the Attender's post. He may therefore be exempted from possessing the necessary qualification as he is a permanent attender.

(6) 9

No.31 (Sri K.Mangalam) may be discharged from service as a Stores Clerk is unnecessary in view of the additional lower division clerk.

2. Consistant with my above recommendations and in accordance with the privisions of the Madras Revised Scales Pay Rules 1947, the pay that should be fixed for each of these members is noted against them in Column 10 of the statement enclosed herewith and I request that the Government may be pleased to approve of those proposals as they are found in that Column.

I venture to make this request on the strength of the Government Order about the absorption of employees of the merged states. In the absorption of clerks and officers in the State Revenue Department the spirit of the Government Order MS 855 has been followed and Lower Division Clerks, Upper Division Clerks, Deputy Tahsildars and Tahsildars in State Service have been given corresponding posts in the Province provided they have the requisite qualifications in spite of the large difference between the scales of pay in the State and those in the Dominion for the respective posts.

I wish to state that my qualifications are far above those expected of a Lecturer in Government service. I was on the staff of a University College (Annamalai University) for four years handling B.A., and Honours classes before coming to the Rajah's College in 1947. I have experience in doing Research and I have secured a research degree (M. Litt).,

?

In such circumstances I would request you, Sir, to consider my qualifications and do me the bare justice of absorbing me as a Lecturer in the Provincial Service.

Copy of letter dated 20.1.50 from Sri K. Mangalam, Store Clerk, College Office Pudukottai to the Director through the Principal, H.H. The Raja's College, Pudukottai.

I beg to state the following for favour of kind consideration and favourable orders.

2. I was appointed as the store clerk of the Non Vegetarian section of the College Hostel during 1948--49 by the Ex Darbar, who were gracious enough to encourage me, as one belonging to the Scheduled Caste (Korava) and as one who returned from War-Service wherein I served for three years as Havildar Clerk.

3. Now that there was insufficient strength in the Non-Vegetarian section, I was ordered by the Director of Public Instruction to be continued in the College office for this year.

4. I submit that my colleague, another Hostel clerk and others in the clerical grade have been sanctioned Dearness allowance at Provincial rates for Pudukottai pay from 1.9.49 and I am the only individual who has not been favoured with such a bounty. I beg to request that the D.P.I Madras may be pleased to grant me such Dearness allowance which has been granted to others from 1.9.49. The Government Order for absorption says that unqualified men may also be given Dearness Allowance from 1.9.49; and many in the State got it.

5. I also beg to request that the Director of Public Instruction may be pleased to absorb me anywhere in any of the Government schools or offices at the time of absorption taking into consideration my War Service and my scheduled caste. I am a poor man, depending on the Government for appointment, recognition and security of service. I pray that I may be absorbed and my Dearness Allowance paid from 1.9.49; just like others, in these hard days, when the cost of living has risen high.

I have the honour to state that the Headclerks in all Government Colleges are allowed the scale of Rs.80-110 and that there are no posts of Headclerks in the grade of Rs. 45-90 with a special pay of Rs.5/-for Supervisory work. Sri. P.V. 2. Excluding the post of Typist, there should be two lower division clerks in the college. With the opening of B.Com. Course, the work in the college has increased and the Principal has requested for another clerk. It is, therefore, essential that the post of a Lower Division clerk should be sanctioned in place of the store-keeper.

Sir,

I request that I may be permitted to submit a few facts in connection with my petition to the D.P.I. dated 4-1-1950. My plea was that I must be admitted to the Madras Educational Service when I am absorbed into Government Service. The following facts may kindly be considered with reference to that petition.

Transferred to C2 section
15/12/50
16/12/50

1. At the time of merger, in every First Grade Government College there were two Gazetted Posts in English. I was appointed Lecturer in English in the Raja's College in July 1947 next in seniority to the Head of the Department of English in the College (the posts in the Department being (i) Head of the Department (ii) One Lecturer (iii) & (iv) Asst. Lecturers). On the date of merger the Head of the Department (Mr. V.K. Viswanatha Iyer) and myself were eligible for absorption as Lecturers in Madras Government Service. If the services had been regularised then, we should have been appointed Lecturers.

(Y) / 6

2. In February 1949, a year after merger, the Madras Government applied "The Reduction in the Cadres of Services Rules" (G.O.No. Ms.466 Edn. dated 21-2-1949) to reduce the Gazetted posts in English in Government Colleges from two to one. By the enforcement of those

not [illegible] in the Raja's College,
Pudukkottai

26 36

rules, ~~xx~~ the supernumeraries were retrenched or reverted in the order of juniority, whether the candidates were direct recruits or promotees, their claims for reappointment to Madras Educational Service however being secured.

3. By the application of those rules I must be deemed to have been reverted from M.E.S. to S.E.S. in February 1949, eligible for reappointment to M.E.S. along with those who were reverted then.

4. After the merger, my case was due to be considered for appointment to M.E.S. before any candidate from S.E.S. was promoted to M.E.S. But recently two gentlemen in S.E.S. (Mr.M.Ramaramanan Unni and Mr.S.Ramaswami) have been promoted to M.E.S. I request that my seniority must not be prejudiced by these promotions.

5. I wish to stress the validity of my claim for appointment to M.E.S., even if my appointment as Lecturer by the Pudukkottai Darbar be considered as a case of Direct Recruitment. Mr.V.Gopalan Nair who was directly recruited to M.E.S. in August 1947 was discharged in March 1949 under G.O.No. Ms. 466 before the gentleman completed his probation and in April 1949, i.e., within two months of his discharge, he was reappointed to M.E.S.

6. In the light of these facts, I request that my claim be considered for appointment to a Lecturer's post in M.E.S. with fair consideration to my seniority in that cadre over the recent promotees.

Yours faithfully,

R. Sundaram.

Submitted to the Directoref Public Instruction, Madras for sympathetic consideration.

Mr. R. Sundararaju presented a similar petition for being absorbed in the M.E.S. ~~[illegible]~~ (Gazetted) on 4-1-50 and I submitted it to the Director of Public Instruction with my endorsement No A 369/49 dated 5-1-50. I solicit a kind reference to the same.

1-K / cf. 6

In the present petition he says that if he had been absorbed immediately after merger he had stood a good chance of being taken in the gazetted cadre as according to the rules then in force each First Grade Governement College should have two Gazetted Officers in the English Departmeent. (This rule seems to have been altered since providing for one Gazetted Officer only in the English Department According to G.O. No. Ms 466 Edn dated 21-2-49)

2. The attention of Government is invited to Director's letter No.387 C2/49 dated 12-1-1950 and para 5(3)(a) of the Secretariat's U.O. Note 1845.A-1 Education and Public Health dated 23-2-1950 wherein it was decided that the request of Sri R. Sundararaju for appointment as Lecturer in English in the Madras Educational Service should not be acceded to as there was only one gazetted post in the Rajah's College, Pudukottai for English and his appointment to another college would mean supersession of other senior departmental men. His present argument that he would have been appointed as the second Lecturer in English in the Rajah's College, Pudukottai if the absorption had taken place at the time of merger itself in April 1948, because there were then two posts of Lecturers in English in the Madras Educational Service in all First Grade Government colleges, is untenable as only in G.O.Ms.No.32 Edn., dated 4-1-1949 Government approved the Director's proposals for fixing the strength of the staff in the Rajah's College, Pudukottai under each category and for the absorption of the staff and at this time reduction of Madras Educational Service posts in English Unit had been given effect to in all First Grade Government colleges. The question of creating a second Madras Edl. Service post of Lecturer in English in the Rajah's College, Pudukottai did not arise and, therefore, there was no question of Sri Sundararaju's appointment as Lecturer in

Sir,

Ref: G.O.Ms.No.3206 Education dated 1-12-50 communicated to me in Director of Public Instruction's Roc.387 C.2-C6/49 dated 8-12-50

While thanking the Government for my absorption into the Madras Educational service and continuing me as officiating Principal, H.H.The Rajah's College, Pudukkottai, I have the honour to submit the following for their sympathetic consideration and favourable orders.

(a) My pay according to the Pudukkottai scale was Rs.330/- on 1-1-49 and my basic pay in the Madras Educational Service has been fixed as Rs.340/- the next higher stage. There is thus a benefit of Rs.10/- only in my basic pay. I am particularly unfortunate in this respect. My colleagues in the Gazetted service of the ex-Pudukkottai State such as the Chief Court Registrar, Sub-Judge, State Engineer etc. have all been benefitted by at least Rs.40/- in their starting ~~salary~~ basic pay on absorption.

(b) I have put in a total service of 29½ years till to-day. For 10½ years of this period I have been Principal. But my basic pay is only Rs.340/-. I believe this cannot stand any comparison with the basic pay of any Principal of a First Grade Government College with my service as Principal.

(c) I have been enjoying in the Pudukkottai service a scale which carried an annual increment of Rs.20/- whereas I can now get only a biennial increment of Rs.40/- as far as the basic pay is concerned. But for the special pay (which I learn is a duty allowance paid to Principals of I Grade Colleges) I will certainly be worse off now during the duration of my service which is only about one year.

Rs.50/-

(d) I am due to retire soon.

I earnestly request the Government to consider the above special disabilities which unfortunately have attached themselves to my case, treat my case as one really deserving of a special consideration and grant me at least 2 advance increments so that my basic pay may be Rs.340+80=Rs.420/- with effect from 1-1-49.

Your faithfully,

2. At the time of the merger of the Pudukottai State, there were two Assistant Lecturers in Sanskrit in the Rajah's College, Pudukottai. But only one post of Assistant Lecturer in Sanskrit and one post of Pandit in Sanskrit in the scale of Rs. 80-170 were sanctioned for the College in G.O.Ms. No. 32 Education dated 4-1-1949. Sri A. Srinivasaraghavan, who was senior to Sri T.S.Kuppanna Sastri in the category of Assistant Lecturers, was therefore recommended for absorption as Assistant Lecturer in Sanskrit in the post sanctioned for the College and the latter in the other post of Sanskrit Pandit, even though both of them were qualified for the post of Assistant Lecturer.-Vide my letter R.C. 387 C2/49 dated 5-1-1950. Kind attention is also invited to the Government U.O.No. 1845 A1. Education dated 23-2-1950 - para 5(3) b - and to my U.O.reply thereto No. 387 C2/49 dated 20-4-1950 wherein I informed the Government that I had no objection to Sri T.S.Kuppanna Sastri also being absorbed as an Assistant Lecturer but that in that case the post of Sanskrit Pandit sanctioned for the College might be converted into that of an Assistant Lecturer. Government however passed orders finally, absorbing the petitioner only as a Pandit in the scale of Rs. 80-170 - Vide G.O.Ms.No. 3206 Education dated 1-12-1950. In reply to a petition submitted by him Sri Kuppanna Sastri was also informed that it was not possible to comply with his request for absorption as an Assistant Lecturer or Grade I Pandit in the scale of Rs. 150-250, with effect from 1-1-1949 as there was no post sanctioned in which he could be absorbed as such.

Act need

3. As he is qualified for the post of Assistant Lecturer in Sanskrit Grade I, his claim for promotion from Grade II to Grade I will be considered when vacancies arise. Orders have already been issued promoting him as Assistant Lecturer in Sanskrit-Grade I, in the Government Arts College, Madras, under the emergency provisions, with effect from the date of re-opening of the College after the vacation.

2 Before absorption I was a permanent High School L.T. Assistant in the Brihadambal High School, Pudukkottai, officiating as an Assistant Lecturer in the Raja's College, Pudukkottai. In absorbing me as a second Grade Pandit, neither my permanent post nor my officiating post has been taken into consideration.

According to this my grade should be fixed on 1-1-49 at Rs.165/- in a grade not less than 75-5-125-10-175, according to G.O. Ms. 855 d/ 26-3-49. But I have been absorbed in the lower grade 80-5-120-10-170, as a II grade Pandit, which is not a corresponding post but a lower one to that I held at the time of Merger, in whatever way considered.

To

The Director of Public Instruction,

Through

The Principal,

Pudukkottai.

Sir,

According to the proceedings of the Director's Office, Not read R.O.C.--387 - C2-C6/49 dated 8-12-50, I have been absorbed in the Madras Provincial Service as an officiating second Grade Sanskrit Pandit in this College with effect from 1-1-49 and my pay has been fixed at Rs.170/- in the Provincial Second Grade Sanskrit Pandit's scale, 80--5--120--10--170. With reference to this order of my absorption, I beg to place the following facts before you for your kind consideration.

(2) 2 I am an M.A.,L.T.; Sanskrit; II Class, of the Madras University. On the date of merger I was officiating as an Assistant Lecturer in this College, having my lien on my permanent post as L.T. Assistant in the Brihadambal High School, Pudukkottai. My service as L.T. Assistant commenced from 21-6-'34 and my pay in that post on 31-12-48 was Rs.135/- in the Pudukkottai Scale 70--5--120--5--140. My officiating service as Assistant Lecturer commenced from 21-6-47, and my officiating pay on 31-12-48 was Rs.140/- in the Pudukkottai Assistant Lecturer's scale of pay, 100--10--150.

(3) 3 All the officiating Assistant Lecturers in the College, excepting me, though juniors to me in pay and service, have been absorbed as officiating Assistant Lecturers in accordance with paragraph 2(1) of G.O. MS. 855/26-3-49. I alone have

been absorbed as an officiating Second Grade Sanskrit Pandit, which post is not a corresponding post to that in which I was officiating at the time of merger, but a lower one in grade, rank and status. Evidently my superior claims to the post of an Assistant Lecturer have been overlooked. Though some of the Assistant Lecturers were not fully qualified to be absorbed as officiating Assistant Lecturers, they were exempted and absorbed, but I, who am fully qualified for being absorbed in the Provincial Service as an Officiating Lecturer or I Grade Sanskrit Pandit, have not been so absorbed. I have been continuously officiating as an Assistant Lecturer from 21-6-47, i.e., for the past 4 years. I am also senior to all the absorbed officiating Assistant Lecturers, for I have been drawing Rs.140/- in the scale of Assistant lecturers while they were drawing Rs.120/- and some, even Rs.110/-.

4 In this connection, I beg to submit as follows:-

(1) The grade in which I am absorbed is lower than the High School Assistant's grade 85--5--125-10-175 with the result that I am put to the shame of seeing my equals and even juniors becoming my seniors, which is extremely depressing.

(2) The II Grade Pandit's grade is lower in rank and status than the Assistant Lecturer's grade in which I was appointed by the Pudukkottai Darbar, by way of promotion from the Senior High School Assistant's Grade. Thus my absorption as II Grade Pandit is against the spirit of G.O.MS. 855/26-3-49.

(3) All the other Assistant Lecturers appointed by the Darbar have been kept on as Assistant Lecturers, but I alone am reduced to the status of a II grade Pandit, though my service is longer and my salary higher than that of any of them. While all of them are drawing their increments and marching ahead of me in rank and status, I feel small, like one who has committed a crime, and this for no fault of mine.

(4) I am not to suffer, if sanction has been obtained for only one Assistant Lecturer's place in Sanskrit in the Rajah's College, instead of the previous 2 places. The merger of the State is an extra-ordinary affair, and the extra-ordinary step of getting 2 Assistant Lecturers' places sanctioned would have redressed my grievance. Or, sanction might be obtained for a I Grade Sanskrit Pandit's place in this College in view of the qualifications of the Assistant Lecturers already working here; I will be satisfied if I am given the I Grade Pandit's grade. Or, what has been done in the other departments may be done with regard to me. In the Revenue department those qualified were taken as Thahsildars, Deputy Thahsildars etc., irrespective of 'places' in Pudukkottai. Only a fraction of them could be absorbed in Pudukkottai. The others were given the grades as on 1-1-49 and kept on till they could be absorbed elsewhere. The same may be done in my case also.

(4) 5 Therefore, I request that the order of my absorption as Second Grade Sanskrit Pandit be revised, and I may be absorbed as an Officiating Assistant Lecturer, or preferably, as an Officiating First Grade Sanskrit Pandit, with effect from 1-1-49. I hope to have justice at your hands.

Yours faithfully,

Pudukkottai,

It may be seen from the particulars furnished above, that in case Sri S.R.Sigamany who is an Assistant Lecturer in English is given seniority with effect from 23-6-1946 i.e. the date on which he was appointed as Assistant Lecturer in the Pudukkottai State in the scale of Rs.100-10-150/- he becomes senior to Sri R. Sundararaju who was appointed as Lecturer in English in the higher scale of Rs.150-10-250 with effect from 21-6-47. If Sri Sigamoney is given seniority with effect from 1-12-47 (i.e. the date from which he was appointed as Lecturer in English in the scale of Rs.150-250) he becomes junior to Sri R.Sundararaju. It is only fair that those who were in the scale 150-10-250 should be considered senior to those on the scale of Rs.100-10-150. Hence I suggest that the seniority of those persons who were appointed in the scale of Rs.150-250/- may be determined with reference to the date from which they were holding that post continuously in that category and that the seniority of those Assistant Lecturers who were in the scale of Rs.100-150 may be determined with effect from 1-1-1949 (i.e. from the date of their absorption in the Madras Educational Subordinate Service. If the above recommendation is accepted, then the seniority of the undermentioned officers who were working as Assistant Lecturers in the scale of Rs.100-150 under the ex-Pudukkottai State will be reckoned with reference to 1-1-1949 the date of their absorption in the Madras Educational Subordinate Service instead of from the dates noted against their names:-

p. 9 infra

Sub:-Fixation of Seniority of certain Assistant Lecturers - Request for reconsideration of orders passed in the Case of the Petitioner by the Director of Public Instruction in the Proceedings quoted above.

I beg to submit that I was appointed as Assistant Lecturer in English in the Rajah's College by the same Durbar Order and under the same conditions on the same day 23-6-1946 as Messrs P.V. Ramachandra Iyer, P.D. Kannudurai, A. Srinivasaraghavan, who were appointed as Assistant Lecturers in History, Mathematics and Sanskrit respectively.

2. From that date 23-6-46, all the four of us have been holding these posts continuously and drawing our annual increments regularly.

3. I find that all the other three assistant Lecturers mentioned in para 1 have been given their seniority from 23-6-46, while I have been given my seniority only from 1-12-48 in the Directors' Proceedings quoted above.

4. I am not aware of any order to the effect that the period of my service alone from 23-6-46 to 30-11-48 will not be counted for seniority as stated in para 2 of the Director's Proceedings quoted above. — p. 9 infra

5. I further submit that I am the only Assistant Lecturer in English in this college, who has been holding this post continuously from 23-6-46. The other two Assistant Lecturers in English in this College are (1) Sri R. Sundara Raju, who was first appointed one year after my appointment as Assistant Lecturer - i.e. only in June 1947 and (2) Sri G.D. Gopalaratnam Iyer, who was first appointed as Assistant Lecturer two years after my appointment as such i.e. only in July 1948 and whose post was created temporarily by the Director of Public Instruction, Madras as it was after the merger of the Pudukkottai State with the Madras State in March 1948 - because of increased strength in Intermediate Classes and consequent need to have more sections for teaching English and because of the opening of the B.Com. Course. (1947)

7. I submit that the facts stated above may be verified by a scrutiny of the service registers of all the Assistant Lecturers mentioned in this petition and it will be seen clearly that there has been some confusion or error in fixing 1/12/48 as the date from which my seniority as Assistant Lecturer is to be reckoned.

8. I request that the fixation of my seniority from 1-12-48, as ordered in the Director's Proceedings quoted above, may be revised and that my seniority be fixed to take effect from 23-6-46 as in the case of the other Assistant Lecturers mentioned in para 1.

The Principal is informed that with reference to Rule 35(a) (i) of the General Rules for the Madras State and Subordinate Services, the Seniority of any person in a service or post of the merged territory of Pudukkottai who is absorbed in a service or post under the Government of Madras shall be determined as follows:-

(i) If he is absorbed in a post similar to that which he was formerly holding in the service of the merged territory of Pudukkottai, his seniority shall be determined by the date from which he was holding the former post continuously. According to the above rule, the seniority of the following Assistant Lecturers is determined with effect from the date from which they were regularly appointed as Assistant Lecturers in the Rajah's College, Pudukkottai, and this is also included in the list of non-gazetted officers (corrected upto 1-1-1954) which is now under print:

Name	Date of regular appointment as Assistant Lecturer
1. xx	
2. xx	
3. Sri S.R. Sigmani, Assistant Lecturer in English	1-12-1948.
4. xx	

2. The Principal is also informed that the seniority of Sri S.R. Sigmani, Assistant Lecturer in English is determined with effect from 1-12-1948, i.e., the date from which he was regularly appointed as Assistant Lecturer in English in the Rajah's College, Pudukkottai. The period of his service as Temporary Assistant Lecturer from 23-6-1946 to 30-11-1948 has not been included for purposes of determining his seniority, as he was promoted only as Temporary Assistant Lecturer in English during that period.

3. In this connection his attention is invited to the instructions contained in the Govt. Memo No.17478.A/52.3 Education dated 25-6-1953 copy communicated in the Director's Proceedings C.No.838.C.11/52, dated 26-7-1952 and he is informed that Sri S.R. Sigamany should have addressed the Director in the first instance if he had any grievance, and if he is not satisfied with the Director's Orders, then only he can address the Government through the Director. He should not have addressed his petition to the Secretary to Government in the first instance itself.

Memo. No. 64854 E1/56-3 Edn. Dated: 21.11.56

Sub:- M.E.S.S.- Former Pudukottai State employees -Fixation of seniority in the category of Assistant Lecturers.

Ref:- From the D.P.I., Roc No. 1791 C3/51 dated 15-6-56 and 25-8-56.

In 1950, on the recommendation of the D.P.I., the posts of Lecturers (Rs. 150-250) and Asst. Lecturers (Rs. 100-150) in the former Pudukottai State were treated as a single group for purposes of absorption of their incumbents as Asst. Lecturers in the M.E.S.S. The pay drawn by the Officers concerned was duly ~~considered~~ taken into account while ordering their absorption and the consequent fixation of their pay. The present proposal of the D.P.I. to fix the seniority of the Officers absorbed as Asst. Lecturers with ref. to the pay drawn by them prior to their absorption, in effect, means that the posts should be treated as two different groups for the purposes of fixation of seniority. It has been pointed out that the seniority of the Officers and the pay drawn by them need not necessarily ~~necessarily~~ go together and that the proposal is a departure from the principle laid down in G.O. Ms. No. 1734 Pub. (Ser), dated 31-3-50, and involves relaxation of Rule 35 (e) of the General Rules. The Director is requested to ~~justify his proposal~~ after his further remarks in the light of the objections referred to above.

Dear Sir,

Please permit me to address this letter to you with regard to a former Pudukottai State Employee now employed in the Rajas' College - Pudukottai. A L.A. question of mine is also pending with regard to this same subject.

Not in this Section
May be in Pub ([illegible])

I have, in numerous similar instances brought the injured cases to Govt. who have always been good enough & kind enough to redress such grievances in the interests of justice & fair play.

Last year after repeated representation from me seniority of Lecturers & Asst. Lecturers were fixed in the Rajas College Pudukottai. In that fixture a patent & glaring injustice had occurred to an individual - Mr. S.R. Sigamony, asst. Lecturer in English. He & 3 others entered Education dept of the Pudukottai State at one and the same time. When seniority was fixed the seniority of all should have been fixed at one & the same period but unfortunately the 3 had been fixed correctly in relation to their dates of appointment but not the seniority of Mr. S.R. Sigamony. My L. Assembly questions pertains to this point.

Cf. para 1 on p7 and 6

I am bringing these facts to your notice on my own since as the representative of the People of Pudukottai, the

90

entire absorption matter of the former Pudukottai State staff was put through successfully through my L. Assembly questions thanks to the sympathy & consideration of the then Chief Minister - Revered Rajajee. This is one case pending and I am sure you, with your eagerness to render justice will not fail to remedy the injustice probably innocently arisen - to Mr. S.R. Sigamoney. The then Chief Minister had asked me to write to Govt about such cases. I am therefore, bringing this matter to your kind & sympathetic notice. Thanking you.

Sir,

Sub: Appeal for revision of D.P.I.'s ROC No.74 C3/55 dated 30-4-57 and G.O. Ms.2038 dated 17-11-58 - Plea for reconsideration of my seniority as Asst.Lecturer and Lecturer.

Ref: 1. D.P.I.'s ROC.74.C3/55 dated 30-4-1957
2. G.O.Ms.2038 d/17-11-1958
3. G.O.Ms.855 d/
4. Service Books of (a) R.Sundararaju,Lecturer in English Ooty,
(b) S.R.Sigamani,Lecturer in English Govt.Training College,Vellore.

Under the protection of service conditions offered to the former employees of the Pudukottai State by the Madras Government by their G.O.Ms.855, soon after merger, and on the strength of the rules governing seniority of officers in Madras State Service, I beg ~~to~~ leave to appeal for revision of the Director of Public Instruction's ROC.No.74.C3/55 dated 30-4-57 declaring Mr S.R. Sigamani senior to me in the cadre of Assistant Lecturers and G.O.Ms. 2038 dated 17-11-1958, regularising the appointment of Mr S.R.Sigamani as Lecturer from 30-8-57 and my appointment as Lecturer in English, from 31-8-57, thus declaring me junior to Mr S.R.Sigamany.

I was senior to Mr S.R.Sigamani in the Pudukottai State service by six months and naturally I continue to be senior to him. A scrutiny of the service books of the two will clearly indicate my seniority over the other official.

I request that the following facts be considered for the revision of the D.P.I.'s ROC.No.74.C3/55 dated 30-4-57 and G.O. Ms.2038 dated 17-11-58.

1. I was appointed Lecturer in English in Raja's College, ~~Pudukottai by the Pudukottai~~ Du

Pudukottai by the Pudukottai Durbar on 21-6-1947, in the scale 150-10-250, by direct recruitment.

2. At the time I was appointed as Lecturer, Mr Sigamani was already in State employ in the same college in a lower ~~gr~~ cadre as temporary Assistant Lecturer on the grade 100-10-150. He was promoted temporarily as Assistant Lecturer in June 1946 on 100-10-150 from his position as High School Assistant.

3. I may be permitted to state that I resigned my post as Lecturer in English at the Annamalai University to take up service in Pudukottai State and the Durbar considered my experience in collegiate teaching and my research qualification (M.Litt. by thesis) justifiable factors for appointing me on Rs 150-10-250, while Mr Sigamani was in service in the same department on a lower cadre of Rs 100-10-150.

4. When I was appointed to the cadre of Lecturer on 150-10-250, Mr Sigamani was expecting his increment from Rs 100 to 110 as an Assistant Lecturer on the grade Rs 100-10-150.

5. Subsequently, on 30-12-47, that is, six months after my appointment, Mr Sigamani was promoted to my cadre and grade, as Lecturer on 150-10-250.

6. Thus I was Lecturer in English in the State Service from 21-6-1947 and Mr Sigamani was promoted to this cadre only on 30-12-1947, and hence he became my junior by six months and nine days. Since then he has continued to be my junior.

7. Both of us were recognized as Asst.Lecturers in the Madras Educational Subordinate Service when the merger of the Pudukottai State took place and were allowed to continue on the grade given to us by the Native State and I reached the maximum of Rs 250/- in the grade on 21-6-57 while Mr Sigamani reached the maximum only on 30-12-1957, six months afterwards.

In the light of these facts, readily verifiable from our Service Books, it will be clearly seen that I am senior to Mr Sigamani, right from the date of my first appointment to the State Service.

When I was temporarily promoted as Lecturer in English in the Madras Educational Service and posted to Govt. College, Kumbakonam on

17-12-56, before Mr Sigamani was promoted, I thought that the Government had been pleased to recognize my seniority. But in ~~August~~ May 1957, The Director of Public Instruction, Madras, by communication No.Roc. 74.C3./55 dated 30-4-57 informed us that I was confirmed in the category of Assistant Lecturer with effect from 5-7-1947 and that Mr S.R.Sigamani was confirmed with effect from 21-6-1947, thus declaring Mr Sigamani as my senior as Assistant Lecturer.

I petitioned the Director of Public Instruction immediately requesting him to consider the decision, but I was informed that it could not be done. By that time Mr Sigamani was still Assistant Lecturer and I thought that the question of seniority might be decided in my favour at the time of regularising my appointment as Lecturer in English.

But the Government by their order Ms 2038 dated 17-11-1958 have regularised my service only from 31-8-1957 - eight months and fourteen days after the date of my promotion - to make me junior to Mr S.R.Sigamani by one day. (He was promoted as Lecturer on 30-8-1957).In between the date of my temporary promotion, 17-12-1956 and the date from which my appointment has been regularised, 31-8-1957, about ten officers were promoted to the cadre of Lecturers in the Educational Department and all of them become my seniors in the cadre. By the seniority given to Mr S.R. ~~Sigamanixxxix~~ Sigamani over me, I have been made junior to ten others as well.

It appears that the Government have been pleased to recognize the service of Mr S.R.Sigamani as an Assistant Lecturer in the Pudukottai State (corresponding to Assistant Lecturer, Grade II of the Madras State Service) as equivalent to Assistant Lecturer, Grade I of Madras State Service. I beg to state that in showing him consideration, the Government may be good enough not to overlook my interests and not to make my junior in Pudukottai Service to be my senior in Madras State Service.

This is not correct

I request that by considering the facts submitted ~~to~~ by me and by scrutiny of our Service Books, the Government may be pleased to do me bare justice by

> recognizing my seniority over Sri. S.R.Sigamani as Assistant Lecturer and as Lecturer

and to show me the consideration which the Government have been pleased to show all persons who are temporarily promoted and later regularised, by

> regularising my appointment as Lecturer in English in category 4 of class III of Madras State Service with effect from 17-12-1956 - the date of my temporary promotion to the post.

Yours faithfully,
R. Sundararaj

GOVERNMENT OF MADRAS
Abstract.

States - Banganappalli and Pudukkottai - Merger - Staff - Absorption in Madras Services - Instructions issued.

--:oOo:--

Public Political Department,
G.O. Ms. No. 855

Dated 26th March 1949

O R D E R:

The Government of India have given an assurance to the Rulers of the merged States that as far as possible all permanent members of the public services in the States would be absorbed on conditions which will not be less advantageous than those which they were receiving before the merger. They are therefore bound normally and otherwise to ensure that the guarantees are fulfilled both in letter and in spirit and have accordingly directed that their guarantees with reference to permanent public servants should be scrupulously observed; that wherever it becomes necessary to terminate the services of any person for no fault of his or because of his unsuitability or otherwise he should be paid adequate compensations; that it will be unfair if an attempt is made to settle less favourable terms with any of the employees who may have no option but to accept them for fear of loss of career; and that every effort should be made to utilise such talent as are available as there is an allround shortage of experienced personnel having knowledge of local conditions.

2. Auxillary to the Government of India's instructions the Madras Government have laid down the following principles regarding the absorption of the members.

1. persons occupying specific posts in the States who possess qualifications similar to those possessed by occupants of corresponding posts in Madras should be retained in service. There is however no need to consider posts of similar title in the merged States as equivalent. The criteria should be the area of jurisdiction and to some extent the pay drawn in the State before absorption.

2. Persons possessing inferior qualifications but occupying posts which under the Madras Government required superior qualifications entitle them in Madras and if they refuse they may be retired or discharged on payment of compensation for loss of career.

should be offered alternate posts to which their qualifications

3. Those who have no qualifications may be retired on compensation for loss of career. Wherever considered necessary those unqualified persons may, however, be retained in service on their previous pay scales. They will be governed by ~~an~~ and retired under the State Rules and should not be regarded as members of any of the Madras Government Services.

4. Persons who do not possess the requisite department qualifications will be given two years time from 1st January 1949 to acquire the qualifications prescribed for the posts in whcih they are absorbed. Till they get themselves so qualified they may be allowed to draw only the premerger rates of pay and allowance. They will be deemed to have been regularly absorbed only after they qualify themselves within the prescribed period, they may be retired on proportionate pensions or compensation as laid down in paragraph 10 below or if they so elect, they may be retained in service on their previous pay scales and governed by and retired under State rules.

~~96~~ 112

3. The Board of Revenue has asked the Collectors concerned to re-examine all cases in the light of the following instructions:-

1. All permanent staff must be continued till absorbed in Madras services or retrenched. If retrenched, 3 months' notice is necessary and suitable compensation for loss of career must be paid.

2. Temporary staff if supernumerary to requirements, should be disbandoned after one month's notice.

3. All State servants must continue to receive the same rates of pay which they were receiving before.

The Collectors have been asked to consult other District Officials with a view to ascertaining to possibility of absorbing any of the surplus staff in the corresponding departments and to send revised proposals in the light of the above instructions and to furnish:-

(a) a list of persons to be retrenched showing whether they are permanent or temporary (b) a list of persons to be absorbed and who may continue to be employed and(c) a list of persons who are surplus to the requirements of the merged area but who could be absorbed proposals have been called for their absorption into Madras Service with details of relevant rules to be relaxed.

4. The details called for by the Board of Revenue referred to in the foregoing paragraphs all be received in the administrative departments of the Secretariat concerned either through the Board of Revenue or thbough the Heads of Departments concerned. Departments of the Secretariat will take the necessary action for the absorption of such staff adopting the above mentioned general principles by relaxing, if necessary, the relevant rules in consultation with the public (services) Department. They may also leave it to the Head of the Department concerned or to the Board of Revenue to take necessary action for the absorption of the non-pensionable staff having due regard to the principles already enunciated, if they consider it necessary. The staff unqualified persons referred to in paragraph 2(iii) excepted shall after they have been absorbed be deemed to belong to the corresponding services under this Government and be governed by the rules in force in this Province. Their previous qualifying services in the State should count for purposes of pension etc.

5. In fixing the pay of the State employees in the time scales of pay of posts to which they are appointed in which they are absorbed care should be taken to implement the assurances of the Government of India referred to in paragraph 1 above. Fully qualified staff when taken into posts in the subordinate services under this Government should be brought on to the time scales of pay of the posts and should be allowed the benefits of advance increments in the manner prescribed below and as laid down in G.O. No.78 Finance, dated 6th February 1947:-

(a) The pay of every permanent State employee should be fixed in the appropriate scales of the corresponding post to which he is appointed at the stage next above his pay in the State service.

Sub: M.E.S.S. - Rajah's College Pudukkottai Asst. Lecturers of the former Pudukkottai State -absorbed in the M.E.S.S. - Fixation of Seniority -Clarification requested.

...

(1) Rule 35(e)(i) of the General Rules for the Madras State and Subordinate Services lays down that the seniority of any person in a service or post of the merged territory of Pudukkottai who is absorbed in a service or post under the Govt. of Madras shall be determined as follows:-

(i) If he is absorbed in a post similar to that which he was formerly holding in the services of the merged territory of Pudukkottai, his seniority shall be determined by the date from which he was holding the former post continuously.

(2) In submitting a petition from a certain Asst. Lecturer regarding the refixation of his seniority in the category of Asst. Lecturers, the Principal, Rajah's College, Pudukkottai reports that when the Rajah's College, Pudukkottai was raised to First Grade Status (Junior B.A. class was started in June 1946 and Senior B.A. in June 1947) the Darbar created three grades of teachers:-

1. Professors on Rs. 200-400
2. Lecturers on Rs. 150-250
3. Asst. Lecturers on Rs. 100-150

(3) The undermentioned persons were appointed as Assistant Lecturers in the scale of Rs. 100-150 with effect from the date noted against each:-

1. Sri P.V. Ramachandran	23-6-1946.
2. Sri A. Srinivasaraghavan	23-6-1946
3. Sri T.K. Srinivasan	15-9-1947.
4. Sri P.V. Srinivasan	21-8-1947.
5. Sri G. Vaidyanatha Iyer	14-7-1935
6. Sri S.R. Sigamany	23-6-1946
7. Sri P.D. Kannudurai	23-6-1946
8. Sri G.D. Gopalaratnam	5-7-1947
9. Sri J. Renga Iyengar	1-7-1931.

(4) In this connection I may also state that Sri P.V. Ramachandran (No.1. in the list above) was later appointed as Lecturer with effect from 21-6-1947 in the scale of Rs. 150-10-250. Sri G. Vaidyanatha Iyer, Sri J. Renga Iyengar and Sri S. R. Sigamany were appointed as Lecturers with effect from 1-12-1947 in the scale of Rs. 150-10-250. Sri R. Sundararaju was appointed for the first time as Lecturer in English in the Rajah's College, Pudukkottai with effect from 21-6-1947 in the scale of Rs. 150-10-250. All these ten persons (including Sri R. Sundararaju) some of whom were working as Lecturers in the scale of Rs. 150-250 and others as Asst. Lecturers in the scale of Rs. 100-150, were on absorption in the M.E.S.S. placed in the category of Asst. Lecturers in the scale of Rs. 150-250. The seniority of these Asst. Lecturers has to be fixed.

(5) It may be seen from the particulars furnished above that in case Sri S.R. Sigamany who is an Asst. Lecturer in English is given seniority with effect from 23-6-1946 i.e. the date on which he was appointed as Asst. Lecturer in the Pudukottai State in the scale of Rs. 100-10-150 he becomes senior

p.t.o.

120

to Sri R. Sundararaju who was appointed as Lecturer in English in the higher scale of Rs. 150-10-250 with effect from 21-6-47. If Sri Sigamany is given seniority with effect from 1-12-47 (i.e. the date from which he was appointed as Lecturer in English in the scale of Rs. 150-250) he becomes junior to Sri R. Sundararaju. It is only fair that those who were in the scale 150-10-250 should be considered senior to those on the scale of 100-10-150. Hence I suggest that the seniority of those persons who were appointed in the scale of Rs. 150-250 may be determined with reference to the date from which they were holding the post continuously in that category and that the seniority of those Asst. Lecturers who were in the scale of Rs. 100-150 may be determined with effect from 1-1-1949 (i.e. from the date of their absorption in the M.E.S.S.). If the above recommendation is accepted, then the seniority of the undermentioned officers who were working as Asst. Lecturers in the scale of Rs. 100-150 under the ex- Pudukkottai State will be reckoned with reference to 1-1-1949 the date of their absorption in the M.E.S.S. instead of from the dates noted against their names:-

Name	Date.	
1. Sri A. Srinivasaraghavan.	23-6-1946	1-1-49
2. Sri T.K.Srinivasan	15-9-1947	
3. Sri P.V. Srinivasan	21-8-1947	
4. Sri P.D. Kannudurai	23-6-1946	
5. Sri G.D. Gopalaratnam	5-7-1947	

(6) The seniority of the undermentioned persons will count from the date from which they were holding the post of Lecturer in the scale of Rs. 150-10-250/- continuously.

Name	Date.
1. Sri P.V. Ramachandran	21-6-1947
2. Sri R. Sundararaju	21-6-1947.
3. Sri S.R. Sigamany	1-12-1947.

Ref: From the Director of Public Instruction ROC.No. 1791 C3/51 dated 15-6-1956 and 25-8-1956.

--

In 1950, on the recommendation of the Director of Public Instruction, the posts of Lecturers (Rs. 150-250) and Assistant Lecturers (Rs. 100-150) in the former Pudukkottai State were treated as a single group for purposes of absorption of their incumbents as Assistant Lecturers in the Madras Educational Subordinate Service. The pay drawn by the Officers concerned was duly taken into account while ordering their absorption and the consequent fixation of their pay. The present proposal of the Director of Public Instruction to fix the seniority of the Officers absorbed as Assistant Lecturers with reference to the pay drawn by them prior to their absorption, in effect means that the posts should be treated as two different groups for the purposes of fixation of seniority. It has been pointed out that the seniority of the officers and the pay drawn by them need not necessarily go together and that the proposal is a departure from the principle laid down in G.O.Ms.No. 1734, Public (Services) dated 31st March, 1950, and involves relaxation of rule 35(e) of the General Rules. The Director ~~ø~~ is requested to offer his further remarks in the light of the objections referred to above.

With reference to the Government Memorandum cited, I may state that the statement of Sri R. Sundararaju now Additional Professor of English, Presidency College, Madras that he is senior to Sri S.R. Sigamony in the category of Assistant Lecturers in English is not correct (vide G.O.Ms.No. 3206 Education dated 1-12-1950). (x) p28 cf In their order mentioned above Government ordered the absorption of the members of the staff of the Rajah's College, Pudukkottai in the Madras Service. Their seniority in the category of Assistant Lecturers was not fixed in the above G.O. Under Rule 35 (e) of the General Rules for the Madras State and Subordinate Services and with reference to Government Memorandum No. 64854 E1/56-3 Education dated 21-11-56, (x) p73 cf their seniority in the category of Assistant Lecturers in the Madras Educational Subordinate Service was fixed and orders were issued in my proceedings ROC.No. 1791 C3/51 dated 8-4-1957, (x) p80 cf a copy of which was already submitted to Government. In this connection I invite your attention to the Government Memorandum No. 64854 E1/56-3 Edn. dated 21-11-56 (x) p73 cf and state that the posts of Lecturers (Rs. 150-250) and Assistant Lecturers (Rs. 100-150) in the former Pudukkottai State were treated as a single group for purposes of absorption of the incumbent of these posts as Assistant Lecturers in the Madras Educational Subordinate Service and their seniority in the category of Assistant Lecturers in the Madras Educational Subordinate Service was fixed with reference to their date of first regular appointment as Assistant Lecturer/or Lecturer in the former Pudukkottai State Service. As per the orders issued in the above proceedings the following is the seniority list of Assistant Lecturers of the former Pudukkottai State absorbed in the Madras Educational Subordinate Service:-

NAME OF OFFICER	DATE OF SENIORITY
1. Sri J. Ranga Iyengar Assistant Lecturer in Chemistry	1-7-1931
2. Sri G. Vaidyanatha Iyer, Assistant Lecturer in Logic	17-7-1937

p.t.o.

88.140

72

~~125~~ 141

Name of Officer	Date of Seniority
3. Sri P.V. Ramachandran, Assistant Lecturer in Economics.	23-6-1946
4. Sri A. Srinivasaraghavan, Assistant Lecturer in Sanskrit	23-6-1946
5. Sri S.R. Sigamany, Assistant Lecturer in English.	23-6-1946
6. Sri P.D. Kannudurai, Assistant Lecturer in Mathematics.	23-6-1946
7. Sri R. Sundararaju, Assistant Lecturer in English.	21-6-1947
8. Sri G.D. Gopalaratham, Assistant Lecturer in English.	5-7-1947
9. Sri P.V. Srinivasan, Assistant Lecturer in Economics	21-8-1947
10. Sri T.K. Srinivasan, Assistant Lecturer in Mathematics.	15-9-1947

The claim of Sri R. Sundararaju to be placed senior to Sri S.R. Sigamany is not tenable in as much as his seniority has already been fixed with reference to their date of regular appointment in the cadre and as he is junior to Sri S.R. Sigamony in the category of Assistant Lecturer in English in the Madras Educational Subordinate Service.

If, however, Government consider that the date of appointment of Sri S.R. Sigamony in the category of Assistant Lecturer in English in the Madras Educational Subordinate Service should be reckoned with effect from the date of his appointment as Lecturer in English in the former Pudukkottai State Service (i.e. with effect from 1-12-1947 only) and that Sri R. Sundararaju be considered as senior to Sri S.R. Sigamony, the following will be the seniority list of Assistant Lecturers in English (commencing from Sri R. Sundararaju):-

1. Sri R. Sundararaju	21-6-1947.
2. Sri R. Subramanian	26-6-1947
3. Sri G.D. Gopalaratnam	5-7-1947
4. Sri T. Narasinga Rao	11-7-1947
5. Sri S.R. Sigamony	1-12-1947.

Such a change does not appear to be warranted and this change will also affect the seniority of the ~~officer~~ several Officers already serving as Lecturers in English in the Madras Educational Service.

If the contention of Sri R. Sundararaju is to be accepted , Sri S.R. Sigamani will become junior not only to Sri R. Sundararaju but also to the following officers in the category of Assistant Lecturers in English in the Madras Educational Subordinate Service:-

1. Kumari Lucy Thomas 18-7-1946 A.N.

p.t.o.

73

2. Kumari Meherunnisa	29-5-1947.
3. R. Sundararaju	21-6-1947.
4. R. Subramanian	26-6-1947
5. G.D. Gopalaratnam	5-7-1947
6. T. Narasinga Rao	11-7-1947
7. S.R. Sigamani	1-12-1947.

The refixation of seniority does not appear to be correct in view of the fact that Government have already ordered that in fixing the seniority of officers absorbed as Assistant Lecturers the posts of Lecturers (Rs. 150-250) and Assistant Lecturers Rs.(100-150) in the former Pudukkottai State be treated as a single group for purposes of absorption of their incumbents as Assistant Lecturers in the Madras Educational Subordinate Service.

PUBLIC (POLITICAL) DEPARTMENT

The proposal of the Director of Public Instruction in this file which has been supported by the Health, Education and Local Administration Department is to re-fix the seniority of certain Assistant Lecturers of the Pudukkottai State now absorbed under this Government with reference to the scale of pay drawn by them prior to their absorption. The proposal suggests a departure from the principle laid down in G.O.Ms.1734, Public (Services), dated 31-3-1950 and involves relaxation of Rule 35(e) of the General Rules for Madras State and Subordinate Service. It will be seen that the Director of Public Instruction himself proposed in 1950 to treat the Lecturers and Assistant Lectures of that State as a single group for purposes of absorption and he now wants to treat them as different groups for the purpose of re-fixing their seniority apparently in the light of the representation from an Assistant Lecturer at p.7 c.f.

Moreover, the pay drawn by the individuals concerned ~~were~~ was duly considered while ordering their absorption and consequent fixation of pay. ~~and~~ The seniority and the pay drawn by individuals need not necessarily go together. Ex-Pudukottai State Personnel in Rajah's College, Pudukottai - Absorption in Madras services.

The D.P.I. has sent up proposals for the absorption in the Madras Edl. Dept. of the officers of the former Pudukottai State who are now employed in the Rajah's College, Pudukottai.

2. Principal. The Pudukottai scale is Rs.250-20-450. In the M.E.S., there are no special posts of Prls. Only Lecturers are posted as "Prls. and Senior Lecturers" and are given pay in the Lecturers' scale of Rs.230-30/2-260-40/2-500-50/2-700, and, in addition, a duty allce. of Rs.50. Being an M.A.(Hons.)-II Class, Sri K.Venkatarama Sarma is qualified accg. to the M.E.S. Special Rules. He is a permanent Lecturer. Therefore, as recommended by the D.P.I., he may be absorbed in the M.E.S. and his pay fixed at Rs.340 (the stage in the M.E.S. scale next above his pay of Rs.330 in the Pudukottai scale) plus Rs.50 duty allowance. As laid down in the general order at "T"/4, para 11. the absorption and the fixation of pay in this case as well as in the other cases dealt with below may be made effective from 1-1-1949.

3. The general principle, enunciated by the D.P.I., to classify the existing teaching staff of Professors (Rs.200-10-400), Lecturers (Rs.150-10-250) and Asst.Lecturers (Rs.100-10-150) into two main categories - Lecturers in the M.E.S. (Rs.230-700) and Asst.Lecturers in the M.E.S.S. (Rs.150-5-200-10-250 plus Rs.5 for L.Ts.), may be followed. Professors are to be included in the Lecturers' category and ~~the~~ Lecturers and Asst.Lecturers in the Asst. Lecturers' category.

They may therefore be absorbed as M.E.S. Lecturers. They possess the degree of M.A. or Hons.-I or II Class, prescribed for the posts. They may be allowed pay at Rs.260 and Rs.300 resply., the stages in the M.E.S. scale next above their pay in the Pudukottai scale (Rs.230 and Rs.280). The above follows the Dir.'s proposals.

(3) Sri P.V.Ramachandra Ayyar occupies the third post. HISTORY. He is a permanent School Asst. and acting Lecturer on Rs.150-250. He was apptd. as Prof. only by this Govt. from 4-7-49, i.e., after the State's merger, on the specific understanding that the appt. was purely temporary. Though he is qualified for a Lecturership (Hons. - II class) in the M.E.S., the D.P.I. has said in L.F. that he has got ~~only~~ barely three years' collegiate teaching experience whereas only men with far longer experience are apptd. as Lecturers in the M.E.S. and that such men are available in the M.E.S.S. Therefore, Sri Ramachandra Ayyar need not be absorbed as M.E.S. Lecturer. He may be taken in in the M.E.S.S. as Asst.Lecturer.

The Dir. suggests that the officer may be transferred to some other Govt. college, an M.E.S. Lecturer from elsewhere posted in his place. The posting suggested may be agreed to. But Sri Ramachandra Ayyar's ~~This~~ transfer is unnecessary now unless the officer himself is anxious to get out of Pudukottai. There are two posts of Asst.Lecturers in History. One is proposed (para 5(3)(d) below) to be converted as an Economics post. In the other post, Sri Ramachandra Ayyar may be continued. The Dir. may be told accordingly.

(V)/5

As to Sri Ramachandra Ayyar's pay, the Pudukottai scale for Lecturers is, as stated already, Rs.150-10-250. The M.E.S.S. Asst.Lecturers' scale is Rs.150-5-200-10-250 plus Rs.5 for L.Ts. The latter is a lower scale in that the rate of increment up to the stage of Rs.200 is only Rs.5 whereas in the former the rate is Rs.10. Sri Ramachandra Ayyar was drawing Rs.160 in Pudukottai scale. The next ~~xxx~~ stage in the M.E.S.S. scale is Rs.165. For one year and odd of his service as Lecturer in Pudukottai, he is eligible for an advance increment of Rs.5/- - para 5(e) of "T"/3. In the aggregate, he will get Rs.170 plus Rs.5 as he is an L.T. In all probability, the officer will like to ~~xx~~ have his pay fixed in this manner. If, however, for the reason A above, he or any of the ~~xx~~ other Asst.Lecturers dealt with below (para 5(2)-(7)) wants to remain on the Pudukottai scale, they may be allowed to do so.

Sri T.R.Srinivasa Ayyar, who is permanent. This post may be brought on to the M.E.S.S. and included in the category of Asst. Instructors in Elec. Engg. on Rs.180-10-280. Sri Srinivasa Ayyar possesses the prescribed qualfn. of B.E.degree. (3) Of the 12 officers, the following five clearly possess the qualification prescribed for Asst.Lecturers in the M.E.S.S., viz., I or II Class M.A. or Hons., and they may be absorbed:-

He is not an L.T. In his letter copy at C.F.6, he has requested that in view of his high qualfns. he may be taken in as a Lecturer in the Provl. Service (M.E.S.). This request cannot be granted as, first, there is no more than one gazetted post in the Pudukottai college for English - his subject and secondly, his appt. to an M.E.S. post in another college will mean supersession of other senior deptl.men.

It is unlikely that the officer will be willing to take up a post ~~on lower pay and~~ of lower status. Leaving the willingness or otherwise of the officer apart, the point whether the Unty. does not now insist on one of the teachers being a B.O.L., is not clear. The DPI says that he may be absorbed as an L.D. Clerk and that the typist's post may be filled by a higher grade man from outside. This would mean throwing out of service Sri K.Mangalam whose case is dealt with below. Accg. to the rules, if a higher gra candidate is not available, one who has passed the lower grade may be apptd. In view of this provison, Sri Swaminatha Sarma may be retained in the typist's post itself. He may be given two years' time to pass the Higher Grade. Until he passes the examn., his pay may be Rs.45, the fixed pay admissibl to Lower Grade typists. After he passes the Higher Grade examn he may be given the scale of Rs.45-3-60-2-90 (L.D. scale) plus typewriting special pay of Rs.10. The question of transferri him as a clerk in another office may be left to be considered on merits in due course if he does not pass the examination.

ASSISTANT SECRETARY
22 APL 1950

1 PARA 4(3): p.2 ante

'A' on Page 2 of the Secretariat note is correct, but giving the contemplated option of choosing the scales of pay is not desirable, as that would place restrictions in the matter of transfers and promotions of the incumbents concerned.

2 PARA 5(3)(b): p.3 ante

The University does not insist on the appointment of a B.O.L. degree holder, where there are two posts in the language Department. But the University insists that where there are two posts in the language Department, one should be filled by a Hons. or M.A. candidate. This Office proposal that one Lecturer in Sanskrit should be absorbed as Assistant Lecturer in Sanskrit and the other as Sanskrit Pandit was submitted in accordance with the ~~the~~ sanctioned posts for the College, viz. one post of Assistant Lecturer and one post of Pandit. If Government are willing to absorb both the (Sanskrit) incumbents as Assistant Lecturers in the Madras Educational Subordinate Service, there is no objection to it. But in this case, the post of the Sanskrit Pandit sanctioned in G.O.No.Ms.32, Edn. dated 4-1-'49 will have to be converted into one of Assistant Lecturer in Sanskrit.

Sri N.Kanakaraja Ayyar possesses the B.O.L. degree of the Madras University under the Transitory Regulations. The words "Tamil Sangam, Madura" mean that he possesses the Pandit's certificate awarded by the Madura Tamil Sangam in 1930.

pp. 4-5 ante 4 **PARA 5(5):**

Sri P.A.Nataraja Pillai holds the Vidwan Certificate awarded by the University of Madras in 1939. He is eligible for the scale of pay of Rs.80--5--120--10--170 under G.O.No.78, Fin. dated 6-2-'47.

5 **PARA 5(7):**

p. 5 ante

Sri J.Renga Ayyangar possesses a second class B.A. degree and he will be handling only the Intermediate Classes because there is no Chemistry for the B.A. degree Examination in the College. Under the University regulations, a second class B.A. degree holder can handle Intermediate Classes. Hence it was recommended to Government that he might be granted exemption from possessing the necessary qualifications as prescribed in the Madras Educational Subordinate Service Rules.

p. 6 ante 6 **PARA 8:**

Regarding the absorption of Sri E.Alagiriswamy in Class I of the Madras General Subordinate Services, it is reported by the Principal, Engineering College, Guindy, that the only appointment that can be thought of for him is that of a Mechanic. The Principal, however, doubts whether Sri Alagiriswamy would fit in as a Practical Mechanic as he was in the teaching line for many years. The Principal has, therefore, suggested that the Director of Industries may be addressed to find out whether he would be able to absorb him in any of the Polytechnics.

M

The strength of the course from 1944-'45 is given below:-

	Class I	Class II
1944-'45	10	6
1945-'46	6	3
1946-'47	6	2
1947-'48	8	4
1948-'49	..	7

168 ~~74~~ ~~98~~

86 ~~75~~ 169 +11 +53

No new admissions were made in the first year class in 1948-'49 and there were only 7 students in the second year class in that year. It appears that the proper place for this course is in a Polytechnic and not in an Arts College. The teacher, Sri Alagirisamy is not a permanent servant, but only acting. I consider that there is no need for this course in the College and so it may be abolished. The existing incumbent can be absorbed in a Polytechnic as suggested by the Principal, Engineering College, Guindy.

pp.7-8 ante

7 PARAS 9(4) AND 9(7):

Sri K.Mangalam joined the Establishment of the College only on 17-1-48 (i.e.) just before the merger of the Sate into this Province and is the junior most of all the staff except No.22, Sri R.Subramania Ayyar in the statement submitted with the Director's letter Rc.No.387-C2/49, dated 5-1-50. Further, the post of a Store clerk in which he is at present working is considered unnecessary. However, since he is of the Harijan community, his name has been referred to the Divisional Inspectors, Coimbatore and Mathurai for appointment. Both of them are willing to absorb this candidate as an Attender in the Offices subordinate to them. In these circumstances, Government may kindly accept the Director's proposal as it is or they may implement their suggestion in Para 9(7) of their U.O.Note by appointing him as a Lower Division Clerk.

Sl.1-5

p.8 ante

The Director has no further remarks to offer on Para 9(4) in the light of the above.

p.7 ante

8 PARA 9(6):

p.8 ante

It is considered that Sri P.K.Nilakantasastri cannot be absorbed as an Accountant not because of his qualifications, but because there is no post like 'Hostel Accountant' in any College (which post he is now holding in the Pudukkottai College

Government may, therefore, approve of the suggestion to appoint him as a Lower Division Clerk only.

In Jany.-Feby. last, the D.P.I. sent up for Govt.'s approval proposals for the absorption in the Madras services of the staff of the former Pudukottai State employed in the Rajah's College, Pudukottai. They were noted on in detail at pp.7-8 ante. The cases of certain officers required clarification and were therefore refd. back to to the Dir. He has since offered his further remarks.

para 1, p. 9 ante

The Dir. says that though the view expressed in this para p.2 ante is correct, the Asst.Lecturers shd. not be given the option of choosing ~~either~~ this Govt.'s scale of Rs.150-5-200-10-250 or the Pudukotta[i] scale of Rs.150-10-250 - as that would place restrictions in the matter of transfers and promotions - that all officers shd. be placed only on this Govt.'s scale. Most of the officers will elect of their own accord to come under this Govt.'s scale only, as an advance increment and also the L.T. allce. of Rs.5 would be admissible to them in that case. The unwilling officers ~~should not~~ cannot be compelled as i[t] has been ruled that no attempts shd. ~~not~~ be made to absorb them on conditions less favourable than thos[e] obtaining in the former State. Considering these, the view already taken p.2 a[nte] requires no modification.

The remarks of this department will be offered after the information desired by the department is available.

'A' on p.8 above. In the statement furnished by the D.P.I. at (K) in item No.27 in the case of Sri Sankaralingam, the D.P.I. has given the scale of attender as Rs 24-½-32-1-35. This is obviously incorrect. The correct scale of pay of attenders is Rs 24-1-32-½-35.

p.38 (K)

Education have agreed to the proposal to fix his pay at the stage next above his present pay in the scale of Rs 24--35. He will therefore be entitled to Rs 28 on 1-1-49 instead of Rs 27 as suggested by the D.P.I.

2. Sri J. Renga Ayyangar, Asst.Lecturer.

In view of the amendment, since made, of para 2(iii) of G.O.855-Pub.(Poll.), d/- 26-3-49, it seems that, by a relaxation of the rules, this officer has to be absorbed and continued as a member of the Madras Service (M.E.S.S.). When this is being done, there is no special reason to prevent him from getting, in the matter of pay, the next-above stage, an advance increment and the L.T. allowance of Rs.5 admissible under this Govt. (This Govt.'s scale is not higher than the Pudukkottai scale.) He may be allowed Rs.230 plus Rs.5 for L.T. qualfn. This will also obviate the issue of special ad hoc rules to govern his case.

Public (Political-A) Department.

The position as stated by Education at 'M' on p.19 ante is quite different from the position as could be envisaged with reference to existing orders:--

Sri J.Ranga Ayyangar is a permanent Lecturer in the Chemistry Department of the Raja's College, Pudukkottai. As he possesses only the B.A., degree (Second Class), the Education Department originally proposed his retention in service on the Pudukkottai State Scales of pay only under ~~Please see~~ paragraph 2(iii) of G.O.Ms.No.855, Public (Political), dated 26-3-1949. Attention is, however, invited to the views of the D.P.I. at paragraph 5 & (7) on p.10 ante. Education now propose to retain him in services under the provisions of para 2(iii) of G.O.No.855, Public (Political), dated 26-3-1949 by relaxing all rules and granting him the Madras Scales of pay. The amendment recently issued to para 2(iii) of the G.O. in question contemplates only the relaxation of service rules in respect of an unqualified state employees so as to enable him to be retained under this Government on state scales of pay and this relaxation will not in any way entitle him to the benefits of Madras scales of pay which are allowed only to fully qualified state staff--please see paragraph 5 of G.O.Ms.No.855, Public (Political) dated 26.3.1949. But if Education consider that he should be entitled to Madras Scales of pay on absorption, a special case should be made out.

[Previous note of this dept. on p.19 ante.]

The draft order below may be perused. It will be seen from the statement at Ⓚ below that most of the members of the staff of the Rajah's College, Pudukottai have exceeded the age limit prescribed for the posts in which they are proposed to be absorbed. Therefore relaxation of the age rule in their favour will also be necessary for the purpose. Edn. may be requested to add a provision in para 3 of the draft to the effect that that rule is also relaxed in favour of the officers concerned.

It is presumed that the case will be circulated to H.C.M. also.

The file may be returned to Edn.

Consequent on the merger of Pudukkottai in this State, the members of the staff of the Rajah's College, Pudukkottai, have to be absorbed in corresponding posts in the Madras Edl. and other concerned services. The D.P.I.'s proposals in this regard were examined in detail in consultation with Public and Finance. The M.P.S. Commission was also consulted, as the posts to which some of the officers ~~had~~ are to be apptd. were within its purview. It has now agreed to the appointments in such cases being made without the usual statutory reference to it. Final orders may now be issued. (Relaxation of service rules in favour of many officers is nec.) The draft order below which has been accepted by Public and Finance may be circd., for approval, to H.M.(E.&L.), ~~H.M.(P.W.),~~ H.M.(Fin.) and H.C.M. The Annexure to the draft sets out details about the post in which each officer is to be absorbed and the pay to be granted to each.

Sir,

Sub:- Pay - Fixation of pay of certain members of the staff of the Rajah's College, Pudukkottai - Test - audit objection.

Ref:- G.O. Ms. No.3206 dated 1st December, 1950.

-o-

(H) pp 28-32 · pp. 5-7 infra

In submitting herewith extracts of the remarks of the Test Audit Staff of the Accountant-General's Office, Madras, who checked the initial pay fixation of the members of the staff of the Rajah's College, Pudukkottai, I have the honour to state as follows:-

2. The fixation of pay approved by Government in their orders quoted above, in respect of the following persons has been objected to by the Audit Department.

1. Sri Swaminatha Sarma - Accountant cum Typist.

(H) p 32 cf · p. 5 infra

Pay fixed at Rs.48/- on 1/1/1949 in the scale of Rs.45-3-60-2-90. Pay to be refixed at Rs.45/- on 1/1/1949 with date of next increment raising the pay to Rs.48/- p.m. 1/10/1949 as per the notes of the Audit Staff.

2. Sri P.V. Rajagopala Iyer, Head Clerk.

(H) p 32 cf · p 5 infra

Pay fixed at Rs.92/- on 1/1/1949 in the scale of Rs.80-3-95-5-110. Pay to be refixed at Rs.80/- only on 1/1/1949 with date of next increment 1/7/1949 as per the audit notes.

3. Sri S. Sankaralingam. Attender - Grade I.

(H) p 32 cf · pp. 5-7 infra

Pay fixed at Rs.28/- in the scale of Rs.24-1-32-½-35 on 1/1/1949. Pay to be refixed at Rs.27/- on 1/1/1949 with date of next increment raising the pay to Rs.28/- 2-10-1949 as per the audit notes.

4. Sri P.K. Ramaswamy Chettiar - Tutor.

(H) p 32 cf · p. 7 infra

Pay fixed at Rs.85/- on 1/1/1949 in the scale of Rs.80-5-120-10-140. Pay to be refixed at Rs.80/- p.m. on 1/1/1949 with date of next increment raising his pay to Rs.85/- p.m. 20/7/1949.

(X) H 2-3 · M

In the case of Nos. 1, 3 and 4 the audit objection is based on Rule 9(e) of the Madras Revised Scales of Pay Rules 1947 & para 5(e) of G.O. No. Ms.855 Public (Political), dated 26/3/1949. The pay of these three persons may therefore be refixed as suggested in the audit notes and the excess pay, paid to them recovered in easy monthly instalments. I am issuing necessary instructions to the Principal, Rajah's College, Pudukkottai in this regard.

p 5 infra · (H) p 32 cf

As regards the objection raised in regard to the fixation of pay of Sri P.V. Rajagopala Iyer, Head Clerk (since retired) I request that in the circumstances explained below, the pay as fixed in G.O. Ms. No.3206 Edn., dated 1/12/1950 viz., Rs.92/- ~~p~~ on 1/1/1949 may kindly be allowed to stand:-

3 From the Service Book of Sri P.V. Rajagopala Iyer, it is seen that he was first appointed on 5/4/1919. He drew pay in the scale of Rs.30-1-35 with effect from 1/7/1922. The scale of pay of the post was revised into Rs.30-1-40 with effect from 1/7/1926 and again into Rs.25-1-35-1½-50 from 1/1/1931. He reached the maximum in that scale viz Rs.50/- on 1/7/1938 and continued to draw the same pay till the scale of pay of the post was again revised into Rs.50-3-65 with effect from 1/7/1946. The designation of the post was also changed from 'Writer' to 'Head Clerk' from 1/7/1946. His pay was fixed at Rs.53/- in the above scale from 1/7/1946. From the year 1920 onwards, Sri P.V. Rajagopala Iyer has been doing the duties of the Head Ministerial Officer of the College except for the short period of about two years during which he worked as Clerk in the Chief Court, Pudukkottai during 1937-1939. According to the entries in his service Book, except for the revision of the scale of pay of the post held by him, he was never promoted to a higher post nor reverted to a lower post at any time in his service, even though the designation of the post held by him has been noted in different forms as 'Writer' 'Head Writer', 'Clerk' 'Head Clerk' etc.

4 In Proceedings Rc. A.6-5322-39, dated 27/7/1939 of the Ex-Darbar, Pudukkottai (copy enclosed) the posts of clerks in the various offices under the State were divided into two divisions, the scales of pay of the lower division and upper division being Rs.25-25-1-35 and Rs.35-1-45 respectively. This was given effect to from 1/8/1939 vide Darbar Proceedings R. Dis.8323/39, dated 7/8/1939 (copy enclosed). From 1/8/1939, Sri Rajagopala Iyer is considered to be in the Upper Division, as may be seen from the printed civil lists of the Pudukkottai State. Copies of the Civil Lists as on 1/1/1939, 1/8/1939, ~~11~~ 1/1/1940, 1/7/1946 and 1/7/1947 are enclosed for perusal and return. The contention of the Audit Department that he was promoted to the Upper Division scale only from 1/7/1946 and that the service from 1/7/1946 alone should be taken into account for purposes of calculating the advance increments, is not therefore correct. The objection by the Audit Department seems to be based on the Darbar's Proceedings Rc. No.A.8-6282 of 1930 dated 5/10/1930 (copy enclosed) according to which all posts of Clerks in the scale of Rs.50/- and below were considered to be in the lower division. These orders have been superseded by the Proceedings of 1939 referred to above.

p.7 infra

p.11 infra 30

p.9 infra

(H) p30NF

5 The grant of four advance increments to the Head Clerk was recommended in view of the fact that he was doing the duties of the Head Ministerial Officer of the College, ever since 1920, even though the designation and scales of pay of the post have been changed from time to time. The recommendation made by me seems to be quite in order, in view of the orders issued in Government Memo. No.4415/51-1, Public (Political-A) dated 12/11/5 according to which the total service in the relevant post in State Service can be taken into account for purposes of calculating advance increment, irrespective of the scales of pay attached to the post from time to time. According to these orders, the Head Clerk is eligible for four advance increments, as he has been working as Head Ministerial Officer from 1920.

6 Sri Rajagopala Iyer has already retired from service with effect from 11/8/1951. The refixation of his pay as suggested in the audit notes will cause great hardship to him, as he will have to refund a large amount and it will also affect his pension. A representation (dated 13/3/1952) received from the retired Head Clerk in this regard is also submitted herewith. In the circumstances stated above, I request that the pay of Sri P.V. Rajagopa Iyer, as already fixed in the G.O. quoted above, viz. Rs.92/- on 1/1/1949, may be allowed to stand.

1. SRI S. SWAMINATHA SARMA, Accountant-cum-Typist.

Service from 20/10/1945 to 31/12/1948 Officiating. Drawing Rs.37/- from 1/10/1948. Pay fixed @ Rs.48/- from 1/1/1949. The following remarks are offered.

(a) The General qualification of the Government servant is not furnished either in the Pay fixation statement or in the Service Register.

(b) It is not understood how an entry Rs.48/- from 1/1/1949 is made in the Service Register when the pay fixed is noted as Rs.45/- in the Pay fixation Statement.

(c) The fixation of pay @ Rs.48/- from 1/1/1949 is not correct.

The pay drawn on 1/10/1948 Rs.37/- in the state scale. He must be started on Rs.45/- on 1/1/1949. One increment can be given under rule 9(e) of G.O. 78 Fin. 6/2/1947. But this could be given only from 1/10/1949 since the last increment was drawn on 1/10/1948 in the state scale.

(d) Early action may be taken to effect the recovery of over payment to the individual.

The fixation of pay and subsequent increments may be revised accordingly and entered in the Service Register.

2. SRI P.V. RAJAGOPALA IYER, Retired Head Clerk.

From 1/7/1948 Rs.59/- in 50-3-65 scale. ~~abos~~ Absorbed in the scale of Upper Division Clerk 80-3-95-5-110. Pay fixed @ Rs.92/- from 1/1/1949.

Following remarks are offered:

(x) The pay of Sri P.V. Rajagopala Iyer should be fixed at Rs.80/- minimum in the scale 80-110. He is not eligible for any advance increment under G.O.855 since the total period of his service as Upper Division clerk is less than 4 years from 1/7/1946 to 31/12/1948. Period from 1/7/1938 cannot be taken into account for arriving at the total service for purposes of advance increments for reasons noted below:

~~Sri P.V. Rajagopala Ayyar - Retd. Head Clerk - contd.~~

Prior to 1/7/ 1946 he was drawing pay in the Lower Division clerk scale 25-1-35-1½-50. From 1/7/1938 to 1/7/1946, he was drawing Rs.50/- the maximum in the L.D.C. scale. Only from 1/7/1946 he was promoted to the Upper Division scale Rs.45-3-60.

One increment can be given to P.V. Rajagopala Ayyar from 1/7/1949 vide G.O.78 Finance / 6/2/1947 as the service from 1/7/1948 can be counted for an increment in the Madras scale.

Early action may be taken to revise the fixation of initial pay and subsequent increments and to recover the excess paid to the individual.

3. SRI S. SANKARALINGAM, absorbed as Attender Grade I.

Pay has been fixed at Rs.28/- p.m. 1/1/1949. It should be as follows:-

Pay drawn on 31/12/48 Rs.26.

Subject:- Salaries - clerical service - Scale - Revision.

...

With effect from October 1, 1930, the entire clerical service in all the offices in the State except the Darbar office will be divided into two divisions an upper one comprising all places carrying a pay of over Rs.50/- and a lower one comprising all those carrying a scale of Rs.50 and below. The darbar are pleased with effect from that date to revise the scale of pay of the clerical service in the lower division by abolishing the different grades of pay now in vogue in the several offices from Rs.25 to Rs.50 inclusive and introducing in their place a uniform time scale of pay of Rs.25-25-1-35 (bar: account and Revenue Tests) 1½-50. But the pay of the several posts in the upper division in the several departments will remain unaffected for the present.

(i) All clerks now in the lower division will be given the revised time scale from 1st October, and started in that scale on the permanent pay they are now drawing. If their present permanent pay does no fit in any stage of the time scale, they will be started in the next higher stage of the scale;

(ii) As a result of the introduction of this time scale all acting arrangements now existing in the several offices will cease with effect from October, 1, 1930;

(iii) Graduates will, as at present, be started on Rs.30/- in the time scale.

Sir,

I request that the following facts may be sympathetically viewed and early orders may issue.

2 An increment which is due to me from 1.1.51 was sanctioned by the Director in January 1952 (Vide Director's Pros. Rc.No.925-C8/50 dated 23.1.52. It has not yet been drawn and paid to me. not read

3 After merger in March 1948, the fixation of pay was made in December 1950 i.e. after 2 years and 9 months. All information with regard to the past service required about each individual were supplied. The Service books were also sent. Evidently the fixation of pay should have been made according to rules after scrutinising the records by the experienced officers. I was doing the duties of a Head Clerk in the Rajah's College, Pudukottai from April 1920 to 31.12.48 except for a period of about two years from May 1937 when I worked in the Chief Court. In the Pudukottai State in all departments there was no distinction among clerks as Upper Division or Lower Division till 1938, and there were no time scales of pay. When such distinction was made, my post in the College was made an UpperDivision one. In my case from the scrutiny of my service book, it may be seen that my pay as Head-writer of the College (my designation was such instead of Head Clerk) I was given a higher salary than the clerks of my similar status in other departments in consideration that my work as Head writer of the college was more responsible , onerous and heavy. Till 1928 when the Unversity commission visited the College, they insisted on the separation of the High school classes from the College. The Ex-Darbar ordered that the accounts and correspondence relating to the college section should be maintained by the Head Clerk i.e. by me. A certificate issued to me in 1940 by the Ex-Principal(copy enclosed) will show that I was doing the duties of a Head Clerk for a very long time for more than 16 years

p.t.o.

DIRECTOR OF PUBLIC INSTRUCTION
25 MAR 1952

I represented all these facts and the present Government pleased to fixmy pay as Rs.92/- in the scale of Rs.80-110 from 1.1.49(Vide G.O.No.Ms. 3206(Edn.) dated 1.12.50 and I was granted the annual increments due to me on 1.1.50 and on 1.1.51. All arrear salary except the increment due to me on 1.1.51 has already been drawn and disbursed to me.

4 Now after 1½ years after December 1950 when the fixation was made, it has been remarked by the Test Audit in February 1952 that the fixation made in my case is wrong and my pay should have been fixed only as Rs.80/- in the scale of 80-110 from 1.1.49 and that I am not eligible for any advance increments and that a sum of Rs.317.14.0 should be recovered from me as it is paid in excess. It is nothing but a cruel blow without any consideration how a poor clerk like me can bear it and how I can repay such a large amount when the whole family starve for thepast 8 months without getting even an anticipatory pension. One of my daughters who sufferred from T.B. succumbed to it last month. The study of the other children have been held up . I don't think I will have any chance to get any pension at the hands of this Government.

5 I humbly beg to submit that in consideration of the above circumstances my pay has already been correctly fixed by the Government in G.O.Ms.No.3206(Education) dated 1.12.50 taking into account of all my previous services as Head Clerk and if it had been fixed wrongly , I request that no recovery need be made as I have already retired from service and I am unable to meet both ends.

Yours obediently,

P.V. Rajagopalan

Sir,

At least- Anticipatory pension- prayed for- immediate sanction

I request that the following few lines may be sympathetically considered and favourable porders be passed and communicated to me as early as possible this month itself.

2 After having worked as Head Clerk, Rajah's College, Pudukottai for about 27 years, I retired from service after superannuation from July 1951. My pension application was sent to the Director of Public Instruction, Madras, as early as in April 1951 for preliminary verification. It was returned to the Principal saying that it may be sent through the Sub Collector, Pudukottai, as he alone is authorised to sanction the pension. The Sub Collector, Pudukottai returned it saying that the pension application was not at a final stage as one increment due to me on 1-1-51 was not sanctioned then and I could not have the anticipatory pension also. The increment due to me on 1-1-51 was sanctioned in January 1952 but it was not drawn and paid to me saying that the fixation of pay already made in my case was not correct and I will be granted an anticipatory pension pending final decision about the fixation of pay. The anticipatory pension also has not yet been sanctioned. The Government were pleased to fix the pay after scrutiny of all records pertaining to service by able and experienced officers and it is a cruel blow to me to say that the fixation made in my case is wrong.i.e. after retirement . Thus it may be seen neither my pension nor an anticipatory pension has been fixed even after lapse of nearly a year after retirement.

3 I have a large family to support . The children are sick. They have to be educated. One of my daughters being sick succumbed to it. It should be thought of how I can get on in these hard days even without an anticipatory pension for so long a time. I have incurred debts to a large extent which I cannot pay. A family of seven members have to starve without peace of mind. I deem it a punishment for ~~having~~ my loyal and humble service discharging the heavy and onerous duties for about 27 years.

4 My requests (1) that the fixation of my pay in my case was made with due consideration of my past service (2) that my pension

be fixed immediately and if it will take some time to fix my pension permanently that ~~my~~ an anticipatory pension may be fixed immediately so that the family may at least be half starved are pending in the Office of the Director of Public Instruction or in the office of the Accountant General Madras.

5 I solicit your kind and early attention and pray for immediate and early orders on my requests and grant an anticipatory pension at least before the end of this month.

6 Kindly excuse this scribbling and pray for your kindness to relieve this family from its sufferings.

In G.O.Ms.No. 3206, dated 1st December 1950, the pay of the undermentioned staff of the Rajah's College, Pudukottai, on 1-1-1949, was fixed as follows:-

Item no 29 (H) p 3 CF
Item no 28 do
Item no 26 do
Item no 20 do

1. Sri S. Swaminatha Sarma, Lower Division clerk, Rs. 48 in the scale of Rs.45-90.
2. Sri P.V. Rajagopala Ayyar, Upper Division clerk, Rs. 92 in the scale of Rs.80-110.
3. Sri S. Sankaralingam, Attender, Grade I, Rs. 28 in the scale of Rs.24-35.
4. Sri P.K. Ramaswamy Chettiar, Tutor, Rs.85 in the scale of Rs. 80-140.

H 5-11 CF

The Accountant-General has raised certain objections and they have been examined below.

(1) Sri Swaminatha Sarma, Accountant cum Typist :- He was appointed as typist on 20-10-1945. He has passed only the Lower Grade and not the Higher Grade examination in Typewriting. He was drawing Rs. 37 in the Pudukottah scale with effect from 1-10-48. He was absorbed as a Lower Division Clerk and his pay on 1-1-49 was fixed at Rs. 48 ~~on 1-1-49~~ in the Madras scale of pay of Rs. 45-3-60-2-90. The A.G. has stated that the fixation of pay at Rs. 48 from 1-1-49 is not correct, that he must be started on Rs. 45 on 1-1-49 and that his next increment could be given only from 1-10-49 since the last increment was drawn on 1-10-48.

(2) Sri S. Sankaralingam, Attender - Grade I:- He was drawing Rs. 26 on 31-12-48. His pay was fixed at Rs. 28 in the scale of Rs. 24-1-32-½-35. The A.G. has stated that his pay should be fixed at Rs. 27 from 1-1-49 and next increment sanctioned with effect from 2-10-49.

(3) Sri P.K. Ramaswamy Chettiar - Tutor:- He was drawing on 31-12-48 Rs. 70 in the Pudukottai scale of pay of Rs. 60-5-75. His pay on 1-1-49 was fixed at Rs. 85 in the Madras scale of pay of Rs. 80-5-120-10-140. The A.G. has stated that as he drew the last increment in the

his pay on 1-1-49 may be fixed at Rs. 80 and the next increment sanctioned with effect from 20-7-49. p 7 CF

(4) Sri P.V. Rajagopala Iyer, Head Clerk:- He was first appointed on 5-4-1919. He drew pay in the scale of Rs. 30-1-35 with effect from 1-7-22. The scale was revised into Rs. 30-1-40 with effect from 1-7-26 and again into Rs. 25-1-35-1½-50 from 1-1-31. He reached the maximum on 1-7-38 and continued to draw it till the scale was revised to Rs. 50-3-65 with effect from 1-7-46. His pay was fixed at Rs. 53/- in the above scale. Sri P.V. Rajagopala Iyer was doing the duties of the head ministerial officer though the designation of the post was noted in different forms as Writer, Head-writer, Clerk, Head Clerk. He was drawing Rs. 59 on 1-7-48. His pay on the Madras scale of Rs. 80-110 was fixed at Rs.92 with effect from 1-1-49. The A.G. has stated that the pay of Sri Rajagopala Ayyar should be fixed at Rs. 80 in the scale of Rs. 80-110 as he is not eligible for any advance increment since the whole period of his service as U.D.C. from 1.7.46 to 31.12.48 is less than 4 years ~~from 1-7-46 to 31-12-48.~~ He also added that the period from 1-7-38 cannot be taken into account for arriving at the total service for purposes of advance increments and that one increment could be given from 1-7-49 as the service from 1-7-48 can be counted for an increment in the Madras scale.

He also added that from 1-8-39 Sri Rajagopala Ayyar is considered to be in the U.D.C. scale as may be seen from the printed civil lists of the Pudukottai State; that the ~~contention~~ of the Audit Dept. that he was promoted to the U D.C. only on 1-7-46 and that the service from 1-7-46 alone should be taken into account for purposes of calculating the advance increments, is not correct, and that the grant of four

advance increments to the Headclerk was recommended in view of the fact that he was doing the duties of the Head Ministerial Officer of the College ever since 1920 even though the designation and scales of ~~the~~ pay of the post have been changed from time to time. As Sri Rajagopala Ayyar has already retired from 11-8-51 and as the refixation of his pay as suggested by the A.G. will cause great hardship to him the Director has stated that the fixation of payment of Rs.92 from 1-11-49 may be allowed to stand. // In the circumstances stated by the D.P.I. this dept. may agree with the views of the Directors. In the case of no 1 to 3, the pay as suggested by the A.G. may be refixed and the excess pay drawn may be recovered in easy monthly instalments.

2. In G.O.Ms.No.3206 Education dated 1.12.50 Sri S.Malayappan was absorbed as an Attender Grade I in the Madras General Subordinate Service since he does not posses the qualifications prescribed for the post of Attender the relevant rules were relaxed in his favour. Prior to the merger, he was drawing pay in the Scale of Rs.30-1-40. As this scale was more advantageous to him than the Madras Government Scale of Rs.24-35 admissable to Attenders Grade I, he was permitted to remain in the Pudukottai scale ~~on~~ (Rs.30-1-40) He now requests that he may be absorbed either as a Mechanic or as a Store-keeper.

p3 supra

3. Sri Malayappan is not qualified for the post of Mechanic or Store-keeper. He is reported to have studied privately upto IV year class standard of Ceylon. Further there is no post of store keeper or Mechanic sanctioned for the Rajah's College, Pudukottai. The posts of Store-keeper and Mechanic are sanctioned only for colleges where science subjects are taught upto the degree standard. The petitioner was working as an Attender, prior to the merger. He has been absorbed as an Attender and has also been allowed to retain the Pudukottai scale which is more advantageous than the Madras Government scale. There is therefore, no ground for complaint that he has been absorbed on conditions which are less advantageous than those which he was receiving before the merger.

(W) H 28.32

p3 supra

4. In the circumstances the request of the petitioner appears to be unreasonable and need not be complied with. On a similar representation received from him, some time back, he was already informed that his request could not be complied with.

Through

Proper channel.

Sir,

Sub: Merger - Pudukkottai State - College Laboratory attender - Fixation of pay - appeal submitted.

...

1. I most respectfully beg to submit the following for your kind consideration and favourable orders.

2. I am a permanent attender in the Chemistry laboratory of H.H. the Rajah's College, Pudukkottai with 23 years of service. I have been absorbed as attender, Grade I in the Madras General Subordinate Service and ordered to continue in the pre-merger scale of pay 30-1-40.

3. Though the post I have been holding is designated as attender, I am doing the duties that are done by mechanic and a store-keeper in the laboratories of the Government Colleges of Madras State. The criterion for determining the similarity and correspondence of posts in the erstwhile state ~~and~~ posts in the Madras state service is the nature of duty performed in the respective posts and not mere designation especially in cases where the duties attached to those posts are vastly different from each other.

4. With reference to the nature of duty performed the post of attender in the Pudukkottai state college laboratory should be taken to correspond to that of a store keeper or a mechanic in a Government College laboratory and not that of attender in the Madras General subordinate service. I should therefore be absorbed as a storekeeper or as a machanic, my pay fixed in the appropriate stage in the scale of pay attached to those posts and allowed weightage for my 23 years of my service in the post.

5. The following is an illustration of the point in question. The scale of pay attached to the post of Lower Division clerk was 25-1-35 as against Rs. 30-1-40 attached to the post of laboratory attender. When the scale of Lower Division Clerk has been revised to 45-3-60-2-90, it is but just that the pre-merger scale of pay Rs. 30-1-40 should suitably be increased, my pay therein fixed at the appropriate stage and weightage allowed.

6. After the merger, cost of living has considerably risen and all state servants have been absorbed in higher scale of pay to meet the increased cost of living consequent on the merger. It is therefore but just that the old Pudukkottai state scale of pay in which certain persons have been asked to continue should be correspondingly increased to bring them in a line with the Madras State scale of pay.

7. Further ~~as~~ I have been ordered to continue in the old Pudukkottai State scale. My pay is 30-1-40 -40. I therefore pray that I may be either absorbed as a store-keeper or a mechanic and given due weightage in the post or the premerger state scale of pay be suitably revised and due weightage give in that scale.

Yours faithfully,

S.Malayappan

M.E.S.S. - Sri R. Sundararaju, formerly Asst. Lecturer in English and now Lecturer in English Request for refixation of seniority

p.21 y

Ref:- From the D.P.I. Roc.No.103 C3/59 dated 6-8-1959 and 10-12-1959.

-------=0=-----

Sri R. Sundararaju, now Addl. Prof. of English Presidency College, Madras, was an employee of the former Pudukottai State. Before that State was merged with Madras, Sri Sundararaju was acting as Lecturer in English (in the Rajah's College, Pudukottai) on the scale of Rs.150-250. He was absorbed as Asst. Lecturer in the M.E.S.S. on Rs.150-250

p.3 y

No.9 at (X)/p.125

No.6 at (X)/p.80

Sri S.R. Sigamany, another officer of the ex-Pudukottai State, who was serving as Asst. Lecturer on Rs.100-150 was also absorbed as Asst. Lecturer in the M.E.S.S. (on Rs.150-250) and declared senior to Sri Sundararaju. Sri Sundararaju now requests that he should be treated senior to Sri Sigamani. His petition at pp.~~39~~ 3-9 C.F. may be seen.

pp.3-9 C.F.

Notes at (X)/pp 83-84 y

Attention is invited to the notes at pp.81-85 and the Memo at p.73 of (X). The posts of Lecturers (Rs.150-250) and Asst. Lecturers (Rs.100-150) in the former Pudukottai State were treated as a single group for purposes of absorption of their incumbents as Asst. Lecturers in the M.E.S.S. on Rs.150-250. The seniority of the officers was determined by the date of first appointment to the group taken as a whole. Therefore, the claim of Sri Sundararaju for seniority over Sri Sigamani is not tenable. His petition may be rejected. Public (POll.) and Public (Services) may see

I think it was a mistake to have rejected the DPI's suggestion in 1958. Will its acceptance now upset seniority considerably? How many people will be affected

The DPI has stated that the claim of Sri R. Sundararaju to be placed senior ~~to~~ Sri S. R. Sigamany is not tenable inasmuch as his seniority has been fixed with reference to their date of regular appointment in the cadre and that he is junior to Sri S.R. Sigamany in the category of Asst. Lecturer in English in the M.E.S. ~~Since~~ If the ~~the~~ contention of Sri R. Sundararaju ~~adduced~~ in his petition at pp. 3-5 c/f is accepted, it will affect the seniority of several officers already serving as Lecturers in English in the M.E.S., as ~~detailed~~ pointed out by the D.P.I. at pp. 45-47 c/f. In the circumstances, the petition of Sri Sundararaju at pp. 3-5 c/f may be rejected. For orders. Public (Poll.) and Public (~~Poll~~ Services) may see.

It appears to me that the decision of 57 is a wrong one. Is it too late to go back upon it?

The notes on pages 1-3 above may be perused.

W.r.t. 'A' on p 2 ante it may be stated that it does not seem desirable to accept the contention of the petitioner inasmuch as it will upset the seniority of several officers in the M.E.S as pointed out by the D.P.I. This deptt may therefore, agree to the petition being rejected. Attention may in this connection be invited to the minutes of CM extracted in the note at (E). The file may be returned to E & P.H.
