Roc. No. 639 M/50 dated 3-10-50.

Sir,

Sub: Basic Education - retraining for graduate assistants in the Basic Training Schools - Pentapadu and Perianaickenpalayam - posts of Headmasters in the Basic Training Schools Pentapadu and Cuddalore - Conversion into Madras Educational service posts.

I have the honour to state that at Pentapadu, retraining ^{courses} for graduate teachers are being conducted. The trainees are formed out of the combined cadre of school assistants and Deputy Inspectors and teachers from aided schools. At present, the headmaster of the school is in the same cadre as those of the trainees from Government service. It is necessary to have the post of the headmaster in category higher than that of the trainees and it is therefore recommended that the post of the Headmaster in the Government Basic Training School, Pentapadu may be converted into one of an Madras Educational Service post in the junior scale viz., Rs. 250-350 p.m.

2. At the aided training school at Perianaickenpalayam, retraining course for school assistant, from Government and aided schools and for Deputy Inspectors from the Tamil area is being conducted. As the trainees are mostly Government servants, it is desirable to have them trained in an institution under Government agency. This retraining course may therefore be conducted at the Government Basic Training School for men, Cuddalore from 1951-52 onwards instead of at Perianaickenpalayam.

3. At Cuddalore also, the post of the Headmaster is in the ordinary cadre of school Assistant and Deputy Inspectors. It is therefore necessary to have the ^{post of the} Headmaster of this

(3)

institution also converted into one in the Madras Educational Service cadre (Junior scale). Further one Additional L.T. will be required for this school for the additional section (viz) the retraining section for graduate L.Ts. In fine, the following changes or additions are involved by the above proposals:-

1. Conversion of the post of the headmaster at Pentapadu into an Madras Educational Service one (Junior scale).
2. Creation of an Madras Educational Service post in the Cuddalore Basic Training School and
3. The present post of the Headmaster Basic Training School (men) Cuddalore to be taken as one of L.T. Assistants.

The cost involved on the above scheme is given below:-

	1951-52. Rs.	Ultimate cost Rs.
1. Madras Educational Service for Government Basic Training Service, School Pentapadu	Pay 1915	2103
Difference in cost	D.A 286	372
2. Madras Educational service for the Govt. Basic Training School, Cuddalore	Pay 2750	3747
	D.A. 550	660
	Rs. 5401	6882 of
	At 5400	6900

I request that the above proposals may be approved under Part II schemes for 1951-52. Necessary provision is included in Part II of Budget Estimate for 1951-52.

Yours faithfully,

K. S. Ramani
for Director of Public Instruction.

Sub: Basic Education - Retaining of graduate assistants in the basic lg. schools at Punalpattu and Puvanaichampalayam - Posts of Headmasters in the basic lg. schools Punalpattu and Cuddalore - Conversion into H. E. S. Posts.

Read: your letter no. 639-11/50 d. 3.10.50.

X: Full subd.

Proposals have been submitted by you for the retaining of graduate teachers in 1951-52, in basic education in the basic lg. school at Puvanaichampalayam as part II

scheme for 1951-52. But it has been suggested in
 your letter cited above that the retraining course
 may be conducted in the school at Cuddalore
 in 1951-52, instead of at Perianaickenpalayam.
 Please justify this discrepancy, say whether it
 is the intention to arrange for the retraining
 in the Cuddalore school if the proposal
 for making 3 off. staff also say
 whether there will be any saving in
 grant payable to the school at Perianaickenpalayam
 in view of the distance of the
 school of retraining. A reply should
 be sent not later than the
 23rd oct. '50.

Sub:- BASIC EDUCATION - Retraining courses for graduate assistants in the Govt. Basic Training Schools at Pentapadu and Cuddalore - Conversion of the posts of headmasters into M.E.S. - Part II Scheme for 1951-52.

Read: From the D.P.I. No.639-M/50, dated 3-10-1950 and 14-10-1950.

. At present graduate teachers who have already undergone the teachers' training are being re-trained in basic education so as to employ them in basic training schools. The course of retraining is being conducted every year in the Govt. Basic Training Schools at Pentapadu and in the aided school at Perianaickenpalayam. The posts of headmasters in the Govt. Basic Training Schools are now borne in the M.E.S.S.

2. The Director has now stated that the retraining course may be conducted in the Govt. Basic Training School for Men, Cuddalore from 1951-52 onwards, instead of at Perianaickenpalayam. If the suggestion is accepted, the retraining course will be conducted during 1951-52, in the Govt. Basic Training Schools at Pentapadu and Cuddalore. According to the Director, the posts of headmasters in these institutions should be borne in the M.E.S., for the reasons adduced by him in his letter on pp.1-3 c.f. Also, if the retraining course is conducted in the Govt. Basic Training School for Men, Cuddalore, one additional L.T. Asst. will be required during 1951-52. The D.P.I. therefore recommends the following proposals to be considered as a Part II Scheme for 1951-52:-

- (1) Conversion of the post of the headmaster in the Govt. Basic Training School, Pentapadu into an M.E.S. one in the junior scale of Rs.230-350.
- (2) Creation of a new post of headmaster in the Basic Training School for Men, Cuddalore in the M.E.S. in the junior scale of Rs.250-350.

(3) The present M.E.S.S. post of headmaster in the Basic Training School, Cuddalore may be taken as one of L.T.Asst. The cost involved in the above proposals has been estimated at Rs.5,400 in 1951-52 and at Rs.6,900 ultimately.

No. 30587/40C 19/22/4

3. There are at present no posts in the M.E.S. in the Junior scale of Rs.230-350. Proposals have been submitted by the Director separately for the splitting of the M.E.S. into two categories. They have been examined separately but final orders on the matter have not yet been passed. Also there seems to be no sufficient justification for placing the posts of Headmasters in the basic training schools in question in the M.E.S. It may not also be desirable to show a distinction in the scale of pay of the headmasters in these institutions and of those in other Govt. basic training schools. It may also be mentioned here that recently certain posts in the two Teachers' Colleges at Saidapet and Rajahmundry borne in the M.E.S. have been converted into M.E.S.S. posts. Considering all these facts it does not seem that the proposals are either essential or urgent, ^{they} can very well be postponed.
