With reference to the G.O. referred to above, I have to inform
that Sri R. Kuppuswami Iyer, B.A., B.L., headmaster, M.H.S. High
School, Arcot is to retire on 10-12-1950 from the Board High School.
He is the senior most headmaster for the district board and he has
to be retained till the end of the school year 1950--51. There had
been a precedent under this district board extending the services of
a similar headmaster till the end of the school year. As the men in
the panel are two Science Assistants, handling S.S.L.C. class in two
different high schools, it is considered not desirable to disturb
them in the middle of the school year and hence, I propose to extend
the services of the headmaster up to the end of the school year.
Formal application from the headmaster will be sent after the re-
opening of the schools after mid-term holidays.

(ii) petition from Sri R.Kuppuswami Iyer, B.A., L.T.,
Headmaster, A.H. School, Arcot dated 17.10.1950.

...

In continuation of this office letter read above,
I forward herewith the petition dated 17.10.1950 of
Sri R. Kuppuswami Iyer, B.A., L.T., Headmaster, A.H.S. High
School, Arcot requesting extension of his services till the
end of the school year 1950-51 with the following remarks:-

2. He was appointed as Headmaster of the Middle School
at Wandiwash in April 1920 and he was promoted as Headmaster
of a High School in due course in 1924. He is the senior
most headmaster under the North Arcot District Board. He has
given satisfaction to the management, all through his service,
extending to 30 years, and he is reputed to be an efficient,
hard working and upright headmaster. The facts mentioned in
his petition are true and deserve favourable consideration.

3. The school of which he is the headmaster is having
a strength of 974 boys, with 23 sections and 37 teachers.
It may not be desirable to post a substitute in his place,
during the months of January, February and March, when the
pupils are to be coached up for the ensuing S.S.L.C. examination.
There is a dearth of qualified L.T. hands and the only two
people available in the panel are two Science graduates, who
are handling S.S.L.C. classes in the various other District Board
High Schools. I do not consider it advantageous to disturb
them at the fag end of the school year. I am therefore put
to the necessity of requesting the Government to extend his
services till the end of the school year. He is hale and
healthy, robust and active for his age.

4. I recommend that extension of his services till
the end of the school year may be granted to him. He is to
retire on 10.12.1950.

Encl: One.

To

The President,
North Arcot District Board,
Vellore.

Sir,

Sub:-- Headmaster- reappointment--requested.

I beg to bring the following facts for your kind consideration.

I joined service under the North Arcot District Board in April 1920 as the Headmaster of the Board Middle school at Wandiwash. When Government ordered that funds should be collected for meeting the non-recurring expenditure to open the IV Form in the school, I spared no pains to collect the amount from the people of the taluk and Government were satisfied with the progress made and raised it to the status of a High School in June 1924. Though there were seniors in service, I was chosen to be the headmaster of the growing institution, and when the first batch of pupils was presented by me for the S.S.L.C. Examination in March 1927, I was able to secure very good results, and more than 85% of the pupils who appeared for the examination were declared eligible. I was then transferred to Polur where the results were poor and by my efforts I made it occupy the first rank in the next year. It was during my period as Headmaster of the school that the school improved rapidly in strength and that the accommodation was improved. All throughout my service, I have been, in all matters, trying to see that the school in my charge makes good progress on all sides. My earnest endeavours in extra-curricular activities are wellknown to the management. To mention a few of them, the installation of the first radio set in a secondary school in the North Arcot District, and the holding of the first District Scout Rally may be mentioned. I had also the rare fortune of having the visits of the Hon'ble Ministers and the Director of Public Instruction to the schools where I was the Headmaster and all of them have spoken well of my sincerity and earnest endeavour in maintaining the school as best as possible.

My work has been uniformly appreciated by the management and the inspecting authorities. (6)

3. I attain 55 years of age on the 10th of December 1950, and I should retire on that date under the rules. Owing to a dearth of teachers, I am handling English and Advanced Mathematics this year for the VI Form and a change of Headmasters at that part of the year when the VI Form pupils have only two months more for them to sit for the Public Examination will affect their progress a great deal. Further most of the planning and organisation work for the year is done in the Long Term and it is desirable that it is continued by the same man till the end of the school year. There is also the question of the annual audit of school accounts by the District Inspector of Local Fund Accounts and it will be quite easy to answer the objections raised by the Audit department if the Headmaster is kept on till the end of the school year. This privilege is granted to all assistants and it will be a great advantage if it is extended to Headmasters also, as there will be no dislocation in the work of a school by a change of Headmasters in the middle of a year.

4. I wish to add that I am quite healthy and strong and that I have, during my service of 30 years, never exhausted the casual leave in any year, or availed myself of medical leave or leave on average salary except for a period of one week when I had to be away on private family affairs.

5. I request that the facts mentioned above may kindly be taken into consideration and that I may kindly be reappointed as Headmaster from 10-12-50 till the end of the school year 1950-51.

I beg to remain,

Sir,

Your most obedient servant,

R. Kuppurani

Education - Secondary - North Arcot Dt.
Board - Reemployment of Sri R. Kuppuswamy
Iyer, retired Headmaster.

The P.D.B. North Arcot
has proposed the reemployment of Sri R.
Kuppuswamy Iyer, Headmaster, A.H.S. High School,
Arcot from the date of retirement (10.12.50)
till the end of the school year 1950-51. The D.P.I
does not recommend the proposal as there are
persons whose names have been included in the
panel of headmasters.

The reemployment of retired
headmasters is not usually allowed if probationers
awaiting reappointment as headmasters or
persons who have been duly selected and whose
names are included in the panel of headmasters
are available. Attention is invited to the
orders in G.O. No 2889 Gdn d 14.9.1949 and
Memo No 30098 F/50-1 Gdn d 9.10.50. The
P.D.B. North Arcot states that the two
men whose names have been included in the
panel are Science assistants handling
S.S.L.C. class in two different high schools
and that it is not desirable to disturb
them in the middle of the school year. He
also refers to the orders issued in G.O. No
2533 Gdn d 9.9.50 sanctioning the
reemployment after retirement of one, Sri
S. Natesa Iyer, Headmaster under the
Dt. Board till the end of the school year.

P.D.B. it is for orders whether the
