Sir,

I am to inform you that the Syndicate considered your letter cited above at its meeting held on 15-4-1950 and resolved as follows:

> "RESOLVED that the Government be addressed once again requesting for a grant towards the expenditure incurred by the University for the deputation of its teachers for foreign studies, though not as per the Government of India scheme, 1950."

2. The University has noted with great disappointment that the Government of India dropped their Overseas Scholarship Scheme and that they are unable to implement the Provincial aspect of the Scheme for 1949-50. It is also seen from the letter of the Government of India to the State Government (No. F.1-1/49-S.2 dated 24-1-50) that their financial assistance for this scheme will not be available even in 1950-51. The University, however, notes with gratification that, in your letter No. 13785-G./49. Edn. dated 13-5-1950, the State Government have again taken up the matter with the Ministry of Education, New Delhi, so far as the deputations of Dr. N.S.Subba Rao and Dr. M. Narasinga Rao are concerned, for treating them as having been sent under the Modified Overseas Scholarships Scheme 1949-50.

p 30/7 (B)
p 337-338 (B)

3. While the University is grateful to the State Government for having addressed the Government of India again in the matter of the two deputations referred to above, I am directed to state that this will not solve the main problem of the University. It will be seen from my letter No. S1-7366/48 dated 6-11-1948 (copy sent to you with my letter of the same No. dated 19th April 1949) that the University had requested the Government of India for a general grant to cover the entire cost of the deputation of its teachers to foreign countries, or, in the alternative, that these teachers might be brought under the Foreign Scholarships Scheme of the Government of India. If the Government of India had agreed to the second alternative, the University would have borne only the expenditure in connection with the payment of 60 per cent of the salaries of the teachers to their families during the period of deputation. The Government of India however stated that they had revised their Overseas Scholarships Scheme and directed the University to make an application to the State Government, which was done in my letter of the same No. dated 19th April 1949. Under the revised scheme the University was asked to bear only a share of the expenditure on the deputations and it agreed to bear 25 per cent in addition to paying 60 per cent of salary to the family here. But, finally, the Government of India dropped their entire scheme and the University is now again in the same position as it was before it sent its application to the Government of India in 1948.

p 21-32 (B)
p 2/2 (B)
p 30/7 (B)

P.T.O.

11/21-324
(B)

4. The circumstances under which the University was forced to depute its own teachers for acquiring higher qualifications have been fully detailed in my letter to the Government of India dated 6th November 1948. It is because of the inability of the University to bear the entire expenditure on these deputations the Government were requested to make a grant. The University cannot give up its deputation scheme as that would seriously affect the administration of the colleges run by it. As the Government of India have expressed their inability to meet any share of the expenditure, the University has no other option but look to the State Government for financial assistance in this matter.

5. In the circumstances stated above, I am, by direction of the Syndicate, to request that the State Government would be good enough to consider the matter at length and to sanction a suitable grant towards the expenditure to be incurred by the University on deputation of its teachers abroad. Any conditions which the Government might stipulate in connection with the sanction of the grants will be complied with. If the Government agree in principle to the sanctioning of a grant and communicate their assent to the University, an application will be later on submitted to the Government for a grant in regard to the teachers deputed in 1949-50.

6. The University has also decided to depute in 1950-51, a Professor of Geology to make a study tour for a period of six months in the Continent and to depute two other teachers to the University of London for specialisation in (1) Advanced Training in Technical Optics and (2) Electrical Engineering. The cost involved in these deputations will also be reported to the Government, on hearing from you further.

7. The Vice-Chancellor and the Syndicate will be highly obliged if early orders could be issued.

Yours faithfully,

K.Gopalaswamy

No.F.1-8/49-S.2

New Delhi, the 17th October, 1950.

Ministry of Education.

The Secretary to the Government of Madras,

Subject: Modified Overseas Scholarships Scheme - 1949-50 awards of scholarships to educational institutions on 50:50 basis.

Sir,

I am directed to refer to your letter No.13785-G-49-46, Education, dated the 26th August, 1950, on the subject mentioned above and to state that the Government of India as a very special case have reconsidered the cases of Dr. M. Narasingha Rao and Dr. V.S. Subba Rao. While it is not possible to grant a scholarship to Dr. Subba Rao, because the subject of study was not finally approved by the Government of India when they had to scrutinise further the already approved demands received from various sponsoring authorities in view of the curtailment of the provision for the Overseas Scholarships Scheme, they recommended the case of Dr. Narasingha Rao to the Central Selection Board as a very special case, in view of the considerations urged in your letter under reference. I am to state that the Central Selection Board have as a very special case approved the selection of Dr. Narasingha Rao for a scholarship in Chemical Technology under the Modified Overseas Scholarships Scheme - 1949-50 for a period of one year from the date of the commencement of the current academic session, namely September, 1950. I am to add that Dr. Narasingha Rao could not be considered for a scholarship with retrospective effect i.e. from the date when he went to U.S.A. for training, as due to financial considerations, the Modified Overseas Scholarships Scheme 1949-50 came into operation only from the current academic session i.e. September, 1950.

2. I am to request that if the State Government and the Andhara University accept the award of scholarship to Dr. Narasingha Rao on the conditions set out in para. 1 above, the Andhara University may be advised to inform this Ministry what post will be offered to Dr. Narasingha Rao, when he returns to India after the completion of his studies abroad. Even if he will be appointed to his old post, this Ministry may be informed accordingly. I am to point out that the award of scholarship to nominees of educational institutions under the Modified Overseas Scholarships Scheme is conditional on the sponsoring institutions utilising the services of their nominees in teaching and/or research post after completion of their foreign training. The Andhara University should also intimate urgently to this Ministry, the name of the institution where Dr. Narasingha Rao is undergoing training abroad, programme of his studies, also whether his foreign training will lead to any degree or not.

3. As regards the financial implications, I am to invite your attention to paragraphs 4 & 5 of this Ministry letter No, F.1-1/49-S.II, dated the31st May, 1950, as stated therein only 50% of the cost of training in the case of non-governmental institutions will be met by the Government of India and the remaining 50% by the State Government or by the

educational institution concerned or by an adjustment between themselves. The State Government may kindly intimate to this Ministry as to who will bear the 50% of the cost of the training whether the State Government or the institution or the scholar.

pp 153-164 of Ⓦ

4. I am to invite your attention to this Ministry letter No.F.33-39/49-S.I, dated the 22nd July, 1950, regarding the medical examinstions of scholars to be selected for training abroad under the Modified Overseas Scholarships Scheme - 1949-50. As Dr. Narasing~~h~~a Rao is already abroad, he could not be examined by a Medical Board in India. Under the conditions attached to the Modified Overseas Scholarships Scheme should Dr. Narasing~~h~~a Rao fall ill abroad or/and has to be recalled before the completion of the course prescribed for his training during the period of his one year scholarship from September, 1950, the Government of India reserves the right not to bear any portion of expenses incurred on his training during the period of his scholarship.

kept below

5. I am also to invite your attention to para. 6 of this Ministry letter No.F.1-1/49-S.II, dated the 31st May, 1950, wherein it was stated that each selected candidate would be required to sign a bond to serve the Government/institution concerned for a specified period after completion of his training or in lieu to return the monies spent on his training. Three copies of the required bond forms are sent herewith. The Andh~~a~~ra University may be asked to get these forms filled in in triplicate by Dr. Narasing~~h~~a Rao. They may retain one copy and forward two copies to this Ministry. The minimum duration for which nominees of educational institutions selected under the Modified Overseas Scholarships Scheme have to execute the bond for service is three years. I am to make it clear that the nominees of the educational institutions will be required to serve only the sponsoring educational institution concerned.

kept below

6. I am further directed to invite your attention to this Ministry letter No.F.33-28/49-S.I, dated the 18th July, 1950, regarding the amount of scholarships in the U.K. and the U.S.A., a copy of which is enclosed for ready reference. These may also be communicated to the Andh~~a~~ra University for their information. It may also be brought to the notice of the Andh~~a~~ra University that in case a scholar under the Modified Overseas Scholarships Scheme is to travel by air either way, the Government of India will meet only their share of second class sea passage and second class railway fare in India, coach class railway fare in the U.S.A. and a third class railway fare in the U.K. The difference is to be met by the institution concer~~n~~ned or by the scholar.

In this connection I am to state that as Dr. Narasing~~h~~a Rao is already abroad pursuing his studies when the award of scholarships has been made to him, the Government of India will share the cost of his return passage only. With regard to the amount admissible for essential apparatus and travelling allowances, the Andh~~a~~ra University should state whether the course of study of Dr. Narasing~~h~~a Rao entails the purchase of some essential appraratus and entails tours.

7. As regards the mode of payment of stipend to selected candidates by the officers abroad, I am to invite your attention to this Ministry letter No.F.10-5/50-S.V, dated the 20th September, 1950, addressed by this Ministry to the Accountant General, Central Revenues, New Delhi, a copy of which was endorsed to all the State Governments.

For ready reference, a copy of that letter is enclosed herewith.

[illegible]

8. I am to request that the acceptance of the award of scholarship to Dr. Narasingha Rao on the conditions set out above may kindly be communicated to this Ministry so that the Indian Embassy in Washington may be advised to start payment of the stipend to the scholar from the date of commencement of the September term of the institution where he is undergoing his studies at present.

9. With regard to the case of Dr. N.S.Subba Rao, I am to repeat that the Government of India regret that they will not be able to reconsider the case as they have given their utmost consideration and are unable to accept the recommendation of the State Government.

10. In order to save time, a copy of this letter is being sent to the Vice Chancellor, Andhra University.

Yours faithfully,

(Nauhria Ram)
for Secretary.

Sir,

Sub: Modified Overseas Scholarships Scheme 1949-50 - Award of scholarships to educational institutions on 50 : 50 basis.

Ref: Your letter No. F. 1-8/49-S.2. dated 17-10-50. Np 13-17 ante

I am to acknowledge with thanks the receipt of your letter cited above addressed to the Secretary to the Government of Madras, Education Department, Madras, a copy of which was endorsed to the Vice-Chancellor regarding the award of scholarship to Dr. Narasinga Rao and to inform you as follows:

1. The University is grateful to the Central Government for approving as a special case the selection of Dr. Narasinga Rao for a scholarship in Chemical Technology under the Modified Overseas Scholarships Scheme 1949-50 for a period of one year from the date of the commencement of the current academic session namely September 1950.

2. The University had obtained admission for Dr. Narasinga Rao in the University of Wisconsin, Madison, U.S.A. for work on the subject of "Rate Process and Catalysis" for the semester commencing in February 1950 for a period of 2 years with a view to obtain Doctorate Degree. He is being requested to send you direct a programme of his studies.

3. Dr. Narasinga Rao on his return will serve the University in the same grade in which he was serving at the time of leaving the University and on a salary that he would be entitled to in the normal course treating the deputation period as duty entitling to increments.

4. While the contractual obligations of the scholar to the University are rigid, in practice, the University has, in the case of all the scholars who had been deputed for studies abroad, put them on their return in salaries and grades which are considerably higher than those contemplated in the contract.

5. Dr. Narasinga Rao had already signed an Agreement to serve the University for a period of 7 years from the date of rejoining the University and that there is no liability on the part of the teacher to serve any authority except the University.

1507 (W)

6. As the Government of India have kindly agreed to meet 50% of the cost of training (Vide para 4 of their letter No. F.1-1/49-S.11 dated 31-5-1950) it is hoped that the State Government would bear 25% of the cost of the other half and the University will bear the remaining 25%. The University is addressing the State Government separately to kindly bear the 25% of the cost of the scholarship, in the event of the State Government not sanctioning 25% of cost the University will be prepared to bear this 25% also.

P.T.O.

7. It is noted that Government have sanctioned the scholarship for one year from September 1950 till the end of August 1951. It may, however, be pointed out that under the scheme of Dr. Narasinga Rao's deputation he should take his Doctorate Degree. As it will not be possible to do this by September 1951, the University presumes that Government will have no objection to his remaining at Wisconsin till he obtains the Doctorate, even if Government desire to finance the scheme for a period of one year only.

8. As Dr. Narasinga Rao could not be examined by a Medical Board in India, the University is agreeable to the condition that if he should fall ill abroad or has to be recalled before the completion of the course prescribed for his training during the period of his one year scholarship from September 1950, the Government of India reserve the right not to bear any portion of expenses incurred on his training during the period of his scholarship.

9. Dr. Narasinga Rao had already executed a bond with the University to serve for a period of 7 years. The copies of the required bond forms will be duly filled by the scholar and submitted soon after they are received from the State Government.

10. The University is also agreeable to the condition that in case the scholar is to travel by Air either way, the Government of India will meet only their share of II Class Sea passage and II Class Railway fare in India, Coach Class Railway fare in the U.S.A. and Third Class Railway fare in the U.K. and that the University will be prepared to meet the difference or share the balance with the State Government.

The University presumes that Government will have no objection to pay their share mentioned above even if the scholar has to remain for a longer period at Wisconsin to enable him to take his Doctorate.

11. As Dr. Narasinga Rao is already undergoing training abroad and is pursuing his studies which involve the use of essential apparatus and which entails Tours, Government may kindly take into consideration this aspect of the scheme and provide for the adequate amount for the purchase of some essential apparatus and for tours.

12. I am to inform you that the University is agreeable to the acceptance of the award of scholarship to Dr. Narasinga Rao on all the conditions set out in your above letter and to request that the Government will kindly arrange for payment of the stipend to Dr. Narasinga Rao from the date of commencement of the September Session where he is undergoing his studies at present.

Subject:- Modified Overseas Scholarships Scheme 1949-50 - Award of Scholarships to educational institutions on 50:50 basis.

Sir,

[illegible]-17 [illegible]

I am directed to refer to this Ministry letter No. F.1-8/49-S.2, dated the 17th October 1950, addressed to the Govt. of Madras, copy endorsed to you, on the subject noted above, and to say that the Andhra University have on the terms laid down therein accepted the award of scholarship made to Dr. M. Narasinga Rao under the Modified Overseas Scholarships Scheme 1949-50 for a period of 1 year from the date of the commencement of the current academic session, viz September Term, at the University of Wisconsin, ~~Madison~~, where he is undergoing his studies for Ph.D. course for a period of two years from the Semister commencing February 1950. The subject of his study is Chemical Technology - Rate Process and Catolysis. Since he will be completing his training in February 1952, the Government of India have no objection to his staying in the United States of America till that time at his own cost after the termination of the 1 year period of his scholarship in September 1951.

I am now to request you to treat Dr. M.Narasinga Rao, as a Madras Government (Andhra University) sponsored scholar under the Modified Overseas Scholarships Scheme 1949-50 for a period of one year from the date of the commencement of the current academic session i.e. September 1950 term at the Univ. of Wisconsin, and put him on scholarship terms for that period.

As regards the rates of stipend admissible under the Modified Overseas Scholarship Scheme 1949-50, I am to invite your attention to this Ministry letter No.F.33-29/49-S.1 dated the 18th July 1950, and to state that 50 percent of the total cost of training which includes the following ~~terms:-~~ items

[illegible]-69 [illegible]

1. **PASSAGE:** (1) Class II Railway fare from the place of residence to the port of embarkation in India and back.

   (2) Second Tourist sea passage both ways, whichever is available.

   (3) Third Class (in U.K.)/Coach Class (in USA) from the port of disembarkation to the place of study and back

P.T.O.

16 27

2. **MAINTENANCE ALLOWANCE:**

(a) For U.K. £30 per mensem in institution other than Oxford and Cambridge.

(b) For U.S.A. $125 per mensem.

3. **ESSENTIAL APPARATUS AND TRAVELLING ALLOWANCE:**

Upto a maximum of £40 per annum in U.K. and $200 per annum in the U.S.A.

4. **Fees.**

Actuals paid to the Institution on nominees of the Educational Institutions in India who have been selected under the Scheme mentioned above will be borne by the Government and the remaining 50 percent by the Sponsoring Institution or the candidate as the case may be.

In each case the expenditure incurred in India prior to sailing will be intimated to you. The 50% of that expenditure will have to be adjusted against the stipend payable to the scholars. As stated in para 7 of this Ministry letter under reference tuition and examination fees will be paid by you to the Institution concerned in every case. The 50% of the total amount which is payable by the Institution or the scholar concerned is also to be adjusted in the payment of the maintenance allowance. You are requested therefore, to pay the balance amount of the maintenance allowance to scholars in consultation with them at your discretion under advice to this Ministry in accordance with the procedure.

In calculating the total cost of training for the purpose of making adjustment for the payment of stipend to the scholar, the amount under 'Essential Apparatus and Travelling Allowances' is not to be taken into account since the Government are treating it as a separate item and if they decide to sanction it in any case they will pay only their share of the sanctioned amount of payment ~~x~~laid down in this Ministry letter No.F.10-5/50-S.5 dated the 20th September 1950, to the Accountant General, Central Revenues, New Delhi, copy endorsed to you

As will be observed from subpara 1 of this Ministry letter dated the 17th October 1950, referred to above, the Govt. of India will share only the cost of return passage of Dr. M. Narasinga Rao. I am, therefore, to request you to take into account the cost of his return passage in the total cost of his training for the purpose of adjustment of the scholar's/institutions share from the monthly stipend payable to him.

One copy of the application of Dr. M.Narasinga Rao for the award of scholarships under the Modified Overseas Scholarships Scheme 1949-50 is forwarded herewith. One copy each of this Ministry letter No.F.3-29/50-S.1 dated the 8th September 1950, and the 25th September 1950 is also forwarded herewith for onward transmission to Dr. M.Narasinga Rao.

Kindly acknowledge receipt of this letter.

I am to acknowledge with thanks the receipt of your letter cited above and G.O. Ms. No. 3226 Edn. dated 4-12-50 agreeing to meet 25% of the ~~exp~~ expenditure on the award of Scholarship to Dr. M.Narasinga Rao for his advanced studies in Chemical Technology in the U.S.A. for a period of one year from September 1950 under the above scheme.

2. In the matter of the execution of the bond by Dr. Narasinga Rao as now required by the Government, I am, by direction, to state that in view of the long delay in obtaining the orders of the Government of India, he was deputed by the University already, the University bearing the expenditure in the first instance. The deputation was for two years, but the Government of India have sanctioned the scholarship for only one year. The University has to bear not only 25% of the expenditure under the overseas scholarship for one year and a little more, but also the full expenditure for the second year.

3. At the time of his deputation, Dr. Narasinga Rao was required to execute an agreement with the University. A copy of the agreement so executed by him is enclosed. It will be observed that the agreement covers substantially the points mentioned in the bond forwarded by the Government and that Dr. Narasinga Rao has also contracted with the University to serve it for seven years on return. Dr. Narasinga Rao cannot now be expected to execute a bond for the full amount of the scholarship now awarded under the Overseas Scholarship Scheme without the agreement already executed by him with the University being modified.

p 3 supra

4. As the main purpose of getting an agreement from Dr. Narasinga Rao is to see that he satisfactorily undergoes the course for which he is deputed and serves the University on return, and as this purpose has been served by the agreement already executed by him with the University and as the University has to bear the largest share of expenditure on his deputation covering a period of two years, I am, by direction, to request that the Government may be pleased to exempt Dr. Narasinga Rao from executing a fresh bond with the Government. Early orders are requested.

In-charge Registrar.

ENCLOSURE

Copy of the agreement made between Mokka Narasinga Rao and the Registrar, Andhra University, Waltair.

-.-

Articles of agreement made this the 5th day of December 1949 between Mokka Narasinga Rao son of late Mokka Jagannayakulu of the one part and the Andhra University (herein after called the University) of the other part.

Whereas the Syndicate of the Andhra University (herein after called the Syndicate) in exercise of the power conferred on them by the Andhra University Act have deputed the party of the first part to undergo Advanced Training in Chemical Engineering and to do research under the guidance of the Professor of Chemical Engineering in the Wisconsin University or the Polytechnic Institute, Brooklyn, New York from January 1950, to end of December 1952, subject to the conditions and agreements herein contained:-

Now therefore it is hereby mutually agreed ~~for~~ as follows:-

1. That the party ~~of~~ of the first part shall undergo Advanced Training in Chemical Engineering and do research work for a period of two years under the guidance of the professor of Chemical Engineering, Wisconsin University or the Polytechnic Institute, Brooklyn with a view to qualify himself for a degree in the said institution the entire period of deputation including the time spent on his journeys from and to the place of duty of the party of the first part being two years from the date of relief in the University.

2. That the University shall pay the party of the first part (i) Single second class fare to and fro both on railways and steamship, (ii) an annual allowance of $ 2500 during the period of study in the above institution payable in quarterly instalments in advance, (iii) equipment allowance of £ 50/- payable in advance at the time of relief in the University, (iv) an allowance equivalent to 60% of his salary as provided for under rule 21 (x) of Chapter VIII of the Administration Manual, at the end of each month from the date of relief in the University till the date of rejoining the University.

3. That the party of the first part shall carry out the work programmed for him by the University diligently and to the satisfaction of the University.

4. That the party of the first part, while undergoing the courses herein specified shall send quarterly reports of his work to the University, through the Director of his studies.

5. That the party of the first part shall on his return, serve the University in the same grade in which he is serving now and on a salary that he would be entitled to in the normal course treating the deputation period as duty entitling him to increments, for a period of seven years from the date of rejoining the University and do such teaching and training work as may be assigned in addition to the research work that he would be expected to engage himself in.

6. That it shall be competent for the Syndicate to terminate at its discretion his deputation with one month's notice should his work or conduct be unsatisfactory during the period of deputation.

7. That in case the party of the first part does not wish to serve the full period of seven years for which he has contracted, he may be permitted to leave the service of the University earlier, on payment of the full amount received by him during his deputation including the equipment allowance and passage money etc., together with interest at 4 per cent thereon but excluding the 60% salary allowed and that he shall not be relieved from his duties till the amount is fully paid by him to the University.

8. That the party of the first part shall, before embarkation, insure his life with one or more Insurance Companies to be approved by

the Syndicate for the full amount to be paid to him or spent by the University on account of allowences during the period of his deputation but excluding the 60% salary allowed, and in the event of death, the amount upto then paid by the University and due to it shall be payable to the University. The Insurance policies shall be assigned to the University. The premia payable on such policies shall be deducted from time to time out of the 60% salary.

9 . That the party of the first part shall be bound by the other conditions relatingto the abolition of the post as embodied in the agreement between the party of the first part and the University in regard to the teaching post.

10. That all disputes relating to this contract between the party of the first part and the University shall be decided in accordance with the provisions in the Code, Administration Manual, and the Standing Orders of the Syndicate forthe time being in force.

SUBJECT: MODIFIED OVERSEAS SCHOLARSHIPS SCHEME 1949-50 - DR. M. NARASINGHA RAO EXECUTION OF THE ~~BOAND~~. BOND.

Sir,

I am directed to refer to your letter No. 41679/G/50-1 Education of the 3rd January, 1951 and to state that the Government of India have carefully considered the proposal put up in the Andhra University letter No. SS 7366/48 dated the 26th December, 1950 regarding the execution of the bond by Dr. M. Narasingha Rao. The Government of India are inclined to agree to the proposal of the Andhra University not to press for the execution of a fresh Bond. In so far as this Government is concerned, an agreement for scholar's services for a minimum period of three years (instead of seven years) would have been adequate.

p7 ante

p/ante

Further, whereas the terms of the agreement executed by Dr. M. Narasingha Rao substantially cover the terms contained in the Government of India Bond (one blank form is enclosed herewith for ready reference), in the agreement no provision exists in respect of the refund of any overpayment made to the scholar during the course of his training abroad, or any loan which may be granted to him on usual terms, or any honorarium or other monies earned or received by him during the period of his training abroad. This Government consider that the University of Andhra should hold itself responsible to refund to ~~you~~ Govt any overpayment made to the scholar in U.S.A. through oversight.

I am to acknowledge with thanks the receipt of your letter cited above addressed to the Secretary to the Government of Madras, Education Department, Madras, a copy of which was endorsed to me regarding the execution of the bond by Dr. M. Narasinga Rao and to inform you by direction of the Vice-Chancellor as follows:

The University is grateful to the Union Government for agreeing to the proposal of the University not to press for the execution of a fresh bond as the terms of the agreement executed by Dr. Narasinga Rao substantially cover the terms contained in the Government of India Bond.

The University is however agreeable to hold itself responsible to refund to Government any over payment made to the scholar in U.S.A. through oversight, as no provision exists in the agreement in this respect.

Overseas Scholarships - Grant to Andhra University - Application for.

Ref: From the Registrar, Andhra Uty.,No.7356/48 dated 5-7-50.

pp1-3 y

The case is briefly as follows:-

The Overseas scholarship scheme was first started in 1945-46. After 3 years of award, the scheme was suspended during 1948-49. In Feb. 1949 the Govt. of India informed this Govt. of their decision to revive the Overseas scholarship scheme for a period of three years from 1949-50 and asked the State Governments to State their requirements of scholarships during 1949-50. The State Govt.'s requirements were to include those of the Govt, the Universities in the State and of the local bodies and private concerns. After consulting the Heads of Deptts, the Universities etc. the requirements of this Govt. were reported to India in their letter dated 17-7-49. The requirements included ~~any~~ among others, 2 scholarships for Andhra University. In respect of the scholarships intended for the University, etc, which were included in the total requirements of the Govt., the understanding was that 50% of the expenditure ~~inxthextotal requirementsxofxthexGovt.~~ was to be met by the Govt.of India and the remainder to ~~the~~ be shared equally by this Govt. and the sponsoring Uty. concerned. ~~After consulting the Heads of Deptts, the Universities etc. the requirements of this Govt. were reported to India in their letter dated 17-7-49. The requirements included any other 2 scholarship for Andhra University.~~

pp1-5 y. Ⓑ

pp167-168 y Ⓑ

pp189-190 y Ⓑ

In August 1949 the Govt.of India appointed a Committee to scrutinise the requirements of the various Govts. From about that time the financial situation, especially the dollar position deteriorated and the Govt. of India had to review the position and revise their decision in the matter. In January 1950 India stated that they were unable to implement ~~to~~ the Provincial aspect of the Scheme for 1949-50 and that the Provl. Govt. were at liberty to send their scholars and officers abroad for higher studies and training in soft currency areas provided the entire expenditure was met from their own funds. p361 of (B)

Before the Govt. of India intimated this revised decision dropping the scheme, the Andhra University had sent their two nominees for studies abroad. p269 of (B) (Dr. N.S. Subba Rao in ~~May~~ September 1949 and Dr. M. Narasinga Rao in December 1949). p304 of (B) The University then asked this Govt. to share the cost of the training. p269 of (B) The University was informed that this Govt. would ~~Committee~~ Consider the matter on receipt of the Govt. of India's report regarding the allocation of scholars ~~to~~ to the State. p271 of (B) On receipt of India's letter intimating their revised decision not to implement the Provincial aspect of the Scheme, p301 of (B) the University was informed that no expenditure would be met by this Govt. towards the share of cost of deputation of their nominees and that the entire cost of training should be met by the University treating them as deputationists of the University, because the deputation of the nominees of the University was approved by this Govt. tentatively subject to the implementation of the ~~scholarship~~ scholarship's scheme and the final ratification of the Govt. of India. p305-306 of (B)

Subsequently in their letter dated 8-4-50 the Govt. of India stated that they proposed to implement the Modified ~~Overseas~~ Overseas Scholarship Scheme on a very limited scale and that they would give priority to the demands received ~~preferred~~ from the educational institutions in India. p309 of (B) With reference to this letter the Govt. reviewed the approved demands for scholarships and sent a revised list of approved demands. As the p337-338 of (B)

Andhra University had already sent its nominees Dr. N.S. Subba Rao and Dr. M. Narasinga Rao to U.K. and U.S.A. ~~representatives~~ respectively in anticipation of ~~approval~~ approval India were ~~requ~~ requested to treat them as having been sent abroad under the Modified Overseas Scholarship Scheme and to meet 50% of the cost involved in their deputation. As the subject, "Meterology" ~~Meterology~~ and "Chemical Technology" were included in ~~the~~ the list ~~in the~~ of demands reported to India in the previous letter dated 12.7.49. p167 of (B) The Govt. of India, subsequently in Their letter dated 31.5-50, stated, that because of shortage of funds they could not meet even some of the urgent demands of educational institutions, let alone those of Govt. Departments and ~~they~~ that taking into consideration the essential requirements ~~recommended~~ received from the State Governments and the educational institutions in India ~~and they~~ have allotted 6 scholarships of which one is for the Andhra University for the subject of "Chemical Technology". The Andhra University has already deputed Sri M. Narasinga Rao for advanced studies in Chemical Technology in the U.S.A. in anticipation of the Govt. of India scholarship. The application ~~form~~ form containing requisite particulars ~~prepared~~ filled in by the University with reference to the records available with the University have been sent to India.
