Sir,

Sub:Office of the District Educational Officer, Madras - provision of electric fans - sanction--requested.

85774
The office of the District Educational Officer, Madras formerly held in the premises of my office (viz. old college compound, Nungambakam) has now been moved to a private building at 8/31 Eldams Road, Teynampet. The District Educational Officer requests sanction for the provision of electric fans for his office. The owner of the building has been consulted and he has no objection to the Government putting up the fans. The Electrical Engineer (General) Madras is of the opinion that an approximate amount of Rs.1200/- will be required for providing 5 fans with fan points. The fans will be removed when the building is vacated by the Department.

2. I request that the Government may kindly pass orders sanctioning the expenditure of Rs.1200/- for the above work and instruct the Chief Engineer to arrange to carry out the work expeditiously.

3. Necessary provision will be made for this purpose in the Final Revised Estimate for 1949 - 50.

Yours faithfully,
