Re.No.43 D2/50 dt. 16/11/50.

Sir,

Sub:-Grants--Buildings--List of schemes for the quarter ending ~~Sixt~~ 30th September, 1950.

I am herewith submitting a list of building schemes for special schools for the quarter ending 30th September, 1950, for the consideration of Government.

2. Scheme No. 1. The St. Anne's Training School for Mistresses, Adaikalapuram has at present no building of its own and is located in the nuns' Quarters, which arrangement is inconvenient to the school as well as the nuns. Further accommodation for the school is inadequate. The management has therefore proposed to put up a first floor to the St. Joseph's Higher Elementary School at a cost of Rs.36,000/- as this is cheaper than the construction of a separate building. Both the elementary School and the training School are under the same management.

Scheme No. 2
3. The building ~~six~~ scheme approved in G.O.2700 Edn. dt. 28/10/5048 has been completed. The present accommodation, including the additional building put up with reference to the G.O. cited, is not adequate to the needs of the school, the section for the deaf in particular. Accommodation for the tailoring, sewing embroidery etc. classes has to be provided. It is therefore absolutely necessary to provide the school with atleast one more class room 20' x 24'.

4. In the circumstances explained, I recommend that Government may sanction the inclusion of these two schemes, in the approved list of building schemes.

Yours faithfully,
