A.C.No. 1882 J1/50 dated 26-9-50.

Sir,

Sub: GRANTS--Indian Boarding Homes and orphanages--Increase in the rate of grant--Part II Budget Estimate for 1951--52.

Owing to the present abnormal cost of living and the difficulties of management in running the Boarding Homes representations are being received by me from the correspondents of orphanages for enhancing the rate of grant paid to them.

2. According to the existing rules grants to Boarding Homes should not exceed $\frac{3}{4}$ of the Net Boarding charges subject to a maximum of Rs. 8/- a month for each certified ~~free~~ destitute pupil.

3. During the year 1949-50 out of a total of 322 orphanages (including Agency) 139 orphanages earned grant at flat rate of Rs. 8/- and the rest at $\frac{3}{4}$ basis. A grant of Rs. 7,86,348/- was given to the former (i.e. at flat rate basis) and a grant of Rs. 7,64,428/- was given to the latter (i.e. at $\frac{3}{4}$ basis), during 1949--50. Similarly in the Agency area out of 3 orphanages 1 orphanage earned grant at flat rate and the rest at $\frac{3}{4}$ basis. A grant of Rs. 1,112/- was given to the former and a grant of Rs. 2,111/- to the latter.

4. I am convinced of the need for enhancing the rate of grant paid at present. I therefore recommend that the Government may be pleased to enhance the rate by 50% i. e. from Rs. 8/- (Maximum) to Rs. 12/- (Maximum) a month for each certified ~~free~~ destitute pupil. The extra cost involved due to the increase in rate based on last year's sanction is detailed below:

(1)

ORDINARY AREAS.

Total grant paid to 139 orphanages at flat rate of Rs. 8/- during 1949-50.

(i.e) $786348 \times \frac{1}{2} = 393174$ or Rs. 3,93,000/- in round figures

(2)

AGENCY AREA.

Total grant paid to 1 orphanage at flat rate of Rs. 8/- during 1949-50 $1 \times \frac{1}{2}$

$1112 \times \frac{1}{2} = 556$ or Rs. 600 in round figures.

5. I request that the Government may consider the above proposal favourably in connection with part III of the Budget Estimate for 1951--52.

Yours faithfully,

N. R. S.
for Director of Public Instruction.

From the D.P.I. Re.No.1882 J1/50 dated 26-9-1950.

Grants - Indian Boarding Homes and Orphanages-
Increase in the rate of grant - Part II Scheme for
1951-52.

The D.P.I. has submitted proposals for the enhancement of the rate of boarding grant paid to Boarding homes and orphanages. Boarding grants are paid by Govt. in the Education Deptt. in accordance with rule 62 of the grant-in-aid code in aid of boarding charges to Indian Orphanages and Boarding homes for destitute children, the grant being limited to three-fourths of the net boarding charges of the institution subject to a maximum limit of Rs.8/- a month for each certified free destitute pupil admitted to the institution. The Director states that owing to the present abnormal cost of living and the difficulties of managements in running the institutions, representations are being received by him from the correspondents of orphanages for enhancing the rate of grant and that he is convinced of the need for enhancing the rate of grant paid at present. He therefore recommends that the rate may be enhanced by 50% i.e. from Rs.8/ to Rs.12/ (maximum) a month for each certified destitute pupil. The extra cost involved in the proposal ^{is} ~~and~~ estimated at Rs.3,94,000 per annum. The Director requests that the proposal may be considered as a Part II Scheme for 1951-52.

2. It is submitted that the question of increasing the boarding grant allowed by the Education Department so as to bring it on a par with that allowed by the Police and Labour Deptt. (Rs.15/- per head per month) was considered recently in pursuance of the suggestion of the Retrenchment and Reorganisation Committee and ^{it} ~~it~~ was decided in May 1950 not to pursue the matter in the present ~~forwarded~~ financial stringency. The question of enhancing ~~rate~~ of grant was again considered ^{recently} ~~recently~~ on an application from the Honorary Secretary and Treasurer

P. To

and Treasurer, Avvai, Home and Orphanage, Adyar and was dropped. Attention is invited to the D.P.I.'s remarks on page 7 of and the notes and orders on pp 1-4 of G.O.No.2541 Edn. dated 11-9-1950. For orders whether this deptt. will ~~recommend consideration of~~ ^{recommend consideration of} the proposal as a part II Scheme for 1951-52.

Part II Scheme for 1951-52

Boarding grants paid to Boarding homes and Orphanages - Enhancement of the rate of grant - Estimated Cost - Rs 3,94,000 p.a. recurring.

Please see the note of Education on pp.1-2 above. The D.P.I. has submitted a proposal for the enhancement of the rate of boarding grant paid to Boarding homes and orphanages for consideration as a Part II Scheme for 1951-52. The present rate of boarding grants to these private boarding homes is three-fourths of the net boarding charges, subject to a maximum of Rs 8/- a month per destitute pupil. The proposal is to enhance the maximum rate by 50%, i.e., from Rs 8 to 12 (maximum) a month for each destitute pupil. The extra cost involved in the proposal is estimated at Rs 3,94,000 per annum recurring.

The question of increasing the rate of boarding grants to these boarding homes was considered twice in the current year and was dropped in view of the present financial stringency - vide G.Os at (W) and (Y). In view of the continued pressing need for economy, only those schemes which will involve very little recurring

expenditure and which are considered to be really and immediately essential for the proper running of any department are to be considered as Part II Schemes for 1951-52. As the recurring expenditure involved in the proposal is very large (Rs 3,94,000 p.a.) and as it was only recently that the Government decided not to pursue the matter in the present ^(Context of) financial stringency, Finance may advise that the proposal be deferred and need not be treated as a Part II Scheme for 1951-52.
