Superintendent.

Copy of letter from Mr. R.P. Arthur, 1262 Bungalow Street, East End, Tanjore addressed to the Secretary to Government, Education Department, Fort St. George dated 27th October 1950.

Sub:- Overseas scholar 1947 - Posting.
Ref:- My letter dated 14th October 1950.

I had submitted the application forms for my future employment, to the Education Department, Embassy of India at Washington on 30th April, 1950. The Embassy had also informed me that the Employment forms had been forwarded to the Ministry of Education, at New Delhi. However, I am enclosing herewith a copy of the details of my qualification and experience gained while at the United States of America, for considerations of my appointment at an early date.

Further, May I request for the consideration of one of my desires? I very much like to continue research in Mechanical Engineering, besides teaching, and in my consideration, College of Engineering, Guindy may be well suited for this purpose. If I am not asking for too much, can I get a posting to the Madras Engineering College itself?

R.C. No.116 C3(1)/50 dated 18th Novr. 1950.

Sub: Madras Educational Service - Sri R.P. Arthur -
Overseas scholar - Appointment of.
Ref: Memo No.79388/G/48-15 Edn., dated 28-10-1950.
&&&

Sri R.P. Arthur, an overseas scholar, arrived in India on 14-10-1950 on completion of his training abroad and the Government in their Memo. cited above have requested the Director to submit proposals for the absorption of the scholar in the Education Department. The scholar has obtained a I Class in the B.E. Degree (Mechanical Engineering) of the Madras University and also taken a M.S. Degree in Mechanical Engineering of the Tennessee University, U.S.A.

2. The Principal, College of Engineering, Guindy, who has been consulted with regard to the posting of the scholar, has stated that the scholar may be appointed as Senior Workshop Instructor reverting the juniormost candidate working as Senior Workshop Instructor in the Engineering College at Anantapur as there is no Instructor's post vacant in any of the colleges of Engineering in the State.

3. There are at present four posts of Senior Workshop Instructors in all the Government Engineering Colleges in the State taken together and the following officers are officiating in these posts:-

- | | | |
|----|---|--|
| 1. | Senior Workshop Instructor, College of Eng., Guindy | - Sri P. Rajagopala Menon, under emergency powers from 6-10-1948. |
| 2. | -do- Kakinada | -do- Sri P.V.B. Bhooshana Rao under emergency powers - Reversion from Instructor's post. |
| 3. | -do- Anantapur | -do- Sri V. Prahalad - Under emergency powers from 29-9-1948. |
| 4. | -do- Govt. College of Technology, Coimbatore. | -do- Sri M.K. Ganesan - under emergency powers from 6-10-1948. |

who may be

at Mad. 1950

x p.146, 5X.112

Sri P. Rajagopala Menon has no regular appointment in any post but he has put in 5 years of service (from 26-10-1945) under emergency powers. Sri M.K. Ganesan, though officiating under emergency provisions as Senior Workshop Instructor in the Madras Educational Service in the Government College of Technology, Coimbatore, is a probationer in the Subordinate Educational Service. Sri P.V. Bhooshana Rao, an overseas scholar and a permanent Shift Operator, College of Engineering, Guindy has been reverted as Senior Workshop Instructor, College of Engineering, Kakinada from the post of Instructor in Mechanical Engineering for want of a vacancy in the latter category. Sri V. Prahalad, who is officiating as Senior Workshop Instructor under rule 9(a)(i) of the General Rules for the State and Subordinate Services has no regular appointment either in the Madras Edl. Service or in the Subordinate Edl. Service. Hence it is submitted that as between Sri P. Rajagopal Menon and Sri Prahalad both of whom hold no regular appointment in the Department Sri V. Prahalad, Temporary Senior Workshop Instructor, College of Engineering, Anantapur being the junior may be reverted to the Subordinate Edl. Service as suggested by the Principal, College of Engineering, Guindy and Sri R.P. Arthur may be appointed as Senior Workshop Instructor, College of Engineering, Anantapur, vice Sri

4
Sri V. Prahalad.

4. As regards Sri Arthur's request for being posted to Guindy to enable him to continue Research in Mechanical Engineering besides teaching, it is submitted that it may not be possible to comply with his request without causing unnecessary dislocation of work in the middle of the year, as his posting to Guindy as Senior Workshop Instructor will necessitate the transfer of Sri P. Rajagopala Menon to Anantapur. It is therefore recommended that Sri Arthur may be appointed to officiate temporarily as Senior Workshop Instructor at Anantapur vice Sri Prahalad and the question of transferring him to Guindy may be considered at the end of the academic year should an opportunity arise then.

5. In these circumstances, I request that Government may be pleased to appoint Sri R.P. Arthur temporarily as Senior Workshop Instructor, College of Engineering, Anantapur under rule 9(a)(i) of the General Rules for the State and Subordinate Services, pending examination of his qualifications and Sri V. Prahalad may be reverted to the Subordinate Educational Service.
