PUBLIC DEPARTMENT

Sir,

G.H.E. No. 692/50-2 dated 5-6-50.

I submit below proposals for the supply of dress for the butler and servers of the State Guest Houses at Mount Road and Chepauk.

Butler and Servers: I request that they may be supplied with trousers and closed - collar full-sleaved coats, the length of the coats to be worn by the individual up to his knee. The cloth may be of white Khadi drill twisted thread. In addition to the above, they will wear white khadi turbans with green woollen khadi silver bordered patties of 2" width, with the State emblem (as per sketch sent herewith)pinned on the patti just above the forehead in the centre. They will also wear green woollen khadi belts 5" wide with silver lace borders ¼" in width. The butler will wear the same kind of belt but with an extra silver border lace ¼" in width fixed in the centre of the belt.

Breast piece of the butler: In addition to the above, the butler will wear a breast piece made of green woollen khadi as per sketch attached, with ¼" silver lace borders and the letters S.G.H. stitched on the breast piece in ½" silver lace.

Maty Boys: The two maty boys will wear uniforms as given to servers but without turbans and waist belts. Instead of turbans, they will be supplied with white drill khadi caps.

The messing arrangements are now functioning in the Guest House at Chepauk and the servants are now working without proper dress. As important guests are to be accommodated in the Guest Houses shortly and the butler, servers etc., should appear before them in sufficiently dignified dress, I request that ~~xxxx~~

The Superintendent, Government House Estate has submitted proposals for the supply of dress to the cooking staff of the State Guest Houses at Mount Road and Chepauk viz. butler, cook, servers and Matty sanctioned in G.O. No.1680, Public (Services) dated 28th March 1950. The ~~abov~~ above staff was sanctioned up to the end of March 1951 but it is likely that it will be continued even after the expiry of the present sanction. The necessary arrangements are reported to be now functioning in the State Guest Houses and it is necessary that the butlers, cooks etc. should appear in the proper dress before the State Guests. What dress should be worn by the butler, etc. in the State Guest Houses should be decided now. The following statement compares the pattern of dress worn by the butler, etc. in the Government House, Guindy and that proposed by the Superintendent, G.H.E. for the butler etc. in the State Guest Houses:--

I submit below particulars of dresses required for the butler, cook etc. and also the duration of each variety of dress. The proposals mentioned in my letters G.H.E.No.86[illegible]/50-1 dated 27.6.1950 and G.H.E.No.984/50-1 dated 13.7.1950 may be sanctioned, as I find no modification in the pattern of dress to be worn by the Guest House cooking staff is necessary. The pattern was selected after consulting the Government House informally and also after visiting some of the leading hotels in the city.

2. The butlers and bearers in the Government House Guindy, work on alternate days, whereas, the Guest House Butler and Servers are to perform their duties as and when Guests arrive without any turn. Hence the need for extra dresses. In Government House, Guindy, the butlers and bearers are supplied with 2 Long Cloth gowns, 2 long coats, 2 short coats and 2 white drill trousers, all in four pairs. I have recommended 3 pairs of coats and trousers, which, I think, will be sufficient for the Guest House butler and bearers for one year. I request that the same may be sanctioned at an early date as Guests are arriving in large numbers nowadays.
