R.O.C.No.5258/49-B1.

From Sri K.N.Ganpati, B.A., Bar-at-law.,  
Registrar, High Court, Madras.  
To The Deputy Secretary to Government,  
Education and Public Health Department,  
Fort St. George, Madras.

Dated 6th January 1950.

Sir,

Sub: Stationery - paper for printing Civil judgments in  
private presses - supply by the Superintendent of  
Stationery - discontinuance.  
Ref: G.O.No.Ms.407, Education dated 15.3.1944.

In 1943, on representations received from the mufassal courts that it was difficult for the court printers to obtain paper from private sources, the High Court found it necessary to obtain orders of Government for the supply of paper to the court printers for printing judgments in civil cases. In G.O.407 Education, dated 15.3.1944 cited above, the Government directed the Superintendent of Stationery to supply paper to various District Courts for use of the court printers on payment of cost.

It has been reported that paper is easily available in the market as the control on paper has been removed and that the court printers find practical difficulties in the maintenance and submission of accounts relating to the quantity, cost, etc. of paper supplied to them. The District Judges concerned have in consultation with the local court printers suggested that the present system

system may be discontinued. The Superintendent of Stationery is also of the same view and suggests that the practice of purchasing paper locally for printing civil judgments may be resumed.

I am to say that the Honourable the Judges support the suggestions of the District Judges and to request that Government may be pleased to issue orders cancelling the said G.O.Ms.407 Education, dated 15.3.1944. (L)
