Copy of letter from Miss L.A. Cornelius, Assistant Lecturer, Teachers' College, Saidapet through the Director of Public Instruction, Madras to the Secretary for Education, Madras.

I beg to lay before you the following facts for your favourable disposal. I was granted study leave in G.O.Ms. 1486 Education dated 21st September 1945 to do post-graduate research in Plant Physiology and under Professor F.G. Gregory F.R.S. at the Imperial College of Science and Technology. I joined the Imperial College ~~of Science and Technology~~ on 7th Oct. 1946, on 3.6.47, I applied for extension of study leave for a year and this was granted. Due to unusual winter conditions that prevailed in England during 1946-47 most of the experimental work had to be repeated in 1947-48. Hence I again applied for an extension of study leave for four months & recommended by my Professor. This was sanctioned and on the authority of the Accountant General's letter T.9. Sc. 7333 I was permitted to draw leave salary on half average pay and study allowances at 16 sh a day. Accordingly I was given 16 sh a day in addition to my half average pay on the production of study certificates of having worked 8 hours a day of five days in a week. Unfortunately I was taken ill and on the recommendation of my Doctor I was admitted into hospital and my oral examination was postponed to 16th April. I thought it best to apply for medical leave for six months.

2. While at the hospital in London and at the convalescent home I was given facilities to carry on my study for the oral examination under the guidance of my Professor who therefore felt competent and justified to sign my study certificates till 16th April 1949. When the Accountant General in T.9. Sc. 126 dated 28.4.49 allowed me payment of leave salary and allowances existing under rules I felt fully justified to claim study allowances till 16th April.

3. On this the Superintendent, General Department, High Commissioner's Office, London not only disallowed the allowance from 10th Feb- 16th April but said that the drawal of allowances after the period of two years from 10th Oct. 1948 - 10 Feb. 1949 was wrong though it was paid to me on the orders of the Accountant General, Madras. On my pointing out a number of cases where both central and provincial Governments including Madras Government had extended study leave over two years and granted study allowances for the extended period, he cabled to the Accountant General pointing out that I was eligible for allowances for only two years and the allowance paid after two years should be considered as over-payment. As could only be expected the Accountant General fell in with the views expressed by the High Commissioner's office. I immediately appealed to the Government of Madras but received no reply.

4. Now I have been asked in Rc.No. 561/C dated 5.7.'50 to pay back an amount Rs. 1,514-10-0 as overpayment made to me in England which does not include advance granted for passage by the Health Department for which I am making repayments at Rs. 30 per month. The Accountant General's office has already adjusted the leave salary for the period 10.7.'49 - 1-9-'49 sanctioned in G.O. 3896 dated 20.12.49 as extension of study leave.

5. In this connection I may be permitted to say that no student who went to U-K to do post graduate research in 1946-48 was able to complete their work in a Science subject in two years. In Madras there is the case of a Gazetted Officer Dr. C.B. Rao who did the same degree Ph.D in the same subject (botany) at the same University London as myself and he took more than two years as myself. Though he was sent on a different scheme with far better facilities than myself yet the time factor operated equally for both of us. He was granted study allowances till 16th April 1949 starting from 10th October 1946. Hence I request ~~I am~~ you to permit me to draw study allowances till the date for which my professor has signed study certificates.

LEAVE - Study - Miss. L.A. Cornelius - Request for extra study concessions.

H/31 CF

In G.O. No. 1486, Edn., dated 21-9-1945, the Govt. sanctioned the grant of study leave from date of relief to Miss. L.A. Cornelius, School Asst., L.W.T.C. to enable her to do post-graduate research in Plant Physiology and Pathology or Agricultural Botany and Parasitology. During the period of the study leave, the officer was to get the sterling equivalent of her average pay and study allowance admissible under the rules. She joined the Imperial College, London, on 7th October 1946. After reaching England, she requested that she might be granted an extension of study leave for one more year. In G.O. No. 1981, Edn. dated 11-9-47, the Govt. sanctioned the extension of the study leave by one year from 7-10-1947. The extended period of study leave expired on 8-10-1948.

2. In G.O. No. 2142, Edn., dated 31-8-48, she was granted leave out of India on average pay (Rs. 150/-) for 4 months in continuation of the study leave. This leave was further extended by six months in G.O. No. 1051, Edn., dated 8-4-49 - 4 months on average pay and the rest on half-average pay. The extended leave expired on 9-7-1949.

3. Miss. Cornelius was eligible to draw study allowance only for a period of two years from 7th October 1946 (the date on which she joined the College in England) up to 7th October 1948. But the study allowance was paid to her by the H.C. for India upto 10-2-1949. The payment made by the H.C. for the period from 8-10-48 to 10-2-49 has been treated as over-payment. This amounts to Rs. 1,514-10-0. Miss. Cornelius has been asked by the D.P.I. to pay back this amount to Government.

4. In November 1946, while in England Miss. Cornelius applied for the following additional concessions:

(1) A special addition to the study allowance admissible under the Fundamental Rules.

(2) Equipment allowance of Rs.500/- which is ordinarily allowed to officers sent abroad for training; and

(3) Free passage.

This request was placed before the S.F.C. and the Committee recommended that it should be negated. Accordingly in G.O.No. 827, Edn., dated 23-4-47, the D.P.I. was asked to inform Miss. Cornelius that her request for concessions over and above those sanctioned in G.O.No. 1486, Edn., dated 21-9-45 would not be complied with.

5. Miss. Cornelius met the Secretary on 17-10-50 and represented that she drew the study allowance on the strength of a Certificate of the Accountant-General and that her Professor was willing to pay her a stipend from the College funds, but did not give it to her actually as she was assured of the study allowance. She also represented that she was getting only a pay of Rs.196/- out of which Rs.30/- is deducted towards the passage advance and that if any further deduction was made, she would find it difficult to manage in these hard days.

6. It may be pointed out that Miss. Cornelius had to extend her stay in England for reasons beyond her control. First of all, ~~xxxx~~ due to unusual winter conditions in England during 1946-47 her experiments had to be repeated in 1947-48. Again she fell ill and had to be admitted to the hospital. In the case of a number of scholars sent for study overseas, Government had to release them from the bond to serve Government, as they could not utilise their services. The money spent on these scholars has not been profitable to the Government; but Miss. Cornelius is working in the Education Department and the State is benefited by her study overseas.

Please see the note of Education on pp. 1-2 above.

Under the rules study allowance should not be drawn for an aggregate period exceeding two years -- cf. Rule 12 of Annexure to F.R. 84. In the present case Miss Cornelius was eligible to draw a study allowance for a period of two years from 7-10-1946 to 7-10-1948. But the High Commissioner for India paid her study allowance upto 10-2-49. The payment thus made from 8-10-1948 to 10-2-49 is treated as overpayment. The amount overpaid is stated to be Rs.1514/10. The Director of Public Instruction has asked her to reimburse this amount to Government. Miss Cornelius has now asked for the waiver of the recovery of the study allowance as it would be difficult for her to manage in these hard days. It is submitted that the request of Miss Cornelius if conceded amounts to paying her study allowance for a period in excess of 2 years. The reason stated at 'A' on p.4 of (N) is not a proper justification for allowing her study allowance for a period in excess of 2 years. Finance may advise against the proposal. If Education wish to press they may be requested to take orders in circulation including H.M.(Fin.) for waiving the excess study allowance of Rs. 1500 drawn.

The case relates to the question of recovering an excess amount of Rs 1,514-10-0 ~~wrongly~~ paid to Miss L.A. Cornelius, Assistant Lecturer, Teachers' College, Saidapet, as study allowance. Miss Cornelius requests that the recovery of the above amount from her may be waived. Finance are not agreeable to this request being complied with.

It may be noted, in this connection, that Miss Cornelius was not granted any concessions such as equipment allowance, free passage etc. as were allowed ^{to} ~~in the case of~~ Government servants sent abroad for higher studies under the Government of India scheme. Secondly, it was in circumstances beyond her control, viz. unusual winter conditions, ^{ill health} ~~weather~~ etc., that she was forced to stay ^{on} ~~in~~ England beyond a period of two years, the usual period of study leave granted and for which study allowance is allowed. ^{At present,} ~~An~~ amount of Rs 30/- per mensem is ~~now~~ being recovered from her pay towards the passage advance granted to her and she pleads that, if any further deduction is made towards the recovery of the excess amount in question, she would be hard put to maintain herself in these ³ ~~4~~ days. ^{In these circumstances, and in view of 'K' on p. 2 ante, it seems that this Department may press that Miss Cornelius' request for waiver of the recovery of the excess amount in question may be complied with, as a special case.}

4 As stated in paragraph 3 above Miss Cornelius was eligible to draw study allowance only for the period of two years of her study leave. She was not entitled to draw study allowance during the ordinary leave of 10 months which was granted to her in continuation of the study leave.

4 In November 1946 ^{While in England} Miss Cornelius applied for the following additional concessions:-

- (1) A special addition to the study allowance admissible under the F.R.
- (2) Equipment allowance of Rs.500 which is ordinarily allowed to officers sent abroad for training; and
- (3) Free passage.

This request was placed before the S.F.C. and the Committee recommended that it should be negatived. Accordingly in G.O.No.827-Edn., dated 23-4-47, the D.P.I. was asked to inform Miss Cornelius that her request for ~~add~~ concessions over and above those sanctioned in G.O.No.1486-Edn., dated 21-9-45 would not be complied with.

Miss Cornelius's present request that she should be granted study allowance for a further period ^{ie.} upto 16-4-49 (the date on which her Professor signed her study certificates) ^{it would seem} cannot be complied with in view of the orders already

passed. For orders whether she may be informed accordingly.

Miss Cornelius has reported the case of Dr. C. B. Rao who also studied in the London University. This officer was sent abroad by Govt. on deputation terms and (his case is therefore different from that of Miss Cornelius.)

Miss Cornelius requests that she may be granted permission to interview the Secretary, Edn. Dept. for representing her claim regarding the drawal of study allowance. The D.P.I. recommends her request. ~~At this stage~~ No interview with the Secretary seems necessary for this purpose.

Miss Cornelius met me to-day. She says that the A.G. wrote saying that she will be eligible for 16 s. study allowance per day and that her Professor who was willing to pay a stipend from the College funds did not help her because of the assistance that she was going to get from the Government. She also mentions that Rs 196/- is her present salary and that Rs 30/- is being recovered on account of an advance of Rs 900/- paid for passage. Ten instalments have been paid so far. The amount to be recovered now comes to Rs 1514/- After all, the State has benefited through her training. Several others trained have been released. It is a hard case and requires sympathetic consideration. This is my impression. The matter may be examined from this aspect.

Re.No. 561.C.2/50 dated 21-4-1952

Sir,

Sub: Recovery of excess study allowance - Kumari L.A. Cornelius -
Assistant Lecturer, Teachers' College, Saidapet
Ref: G.O.Ms.No. 3250 Education dated 7-12-1950

In submitting herewith copies of representations dated 18-3-52, and 31-3-1952 from Kumari L.A. Cornelius, Assistant Lecturer, Teachers' College, Saidapet, I have the honour to inform that the over payments made to Kumari L.A. Cornelius while she was on study leave in England consist of the following items.

- 1) A sum of Rs. 1,080/- paid to her as passage advance
- 2) A sum of Rs. 378-11-0 being the excess study allowance ordered to be recovered in the Government Order referred to above.

Item 1 is being recovered in monthly instalments of Rs. 30/- each and the recovery will be completed by August 1952.

Regarding item 2, the Accountant-General, Madras requested the Principal, Teachers' College, Saidapet to send an adjustment bill of Rs. 315-13-0 for the leave salary due to her for the period from 10-7-1949 to 1-9-1949 so as to adjust the amount of the bill against the recovery of Rs. 378-11-0 and to recover the balance of Rs. 62-14-0 in 19 equal instalments. As the recovery is pending for a long time and as the Accountant-General, Madras has been pressing for the recovery, the Principal, Teachers' College, Saidapet has been asked to take immediate steps to adjust the leave salary amount of Rs. 315-13-0 against the recovery of Rs. 378-11-0 and to recover the balance of Rs. 62-14-0 in 19 instalments. Kumari L.A. Cornelius now represents that she is hard up for money and is in need of leave salary to clear off her debts. She therefore requests that her leave salary of Rs. 315-13-0 may be drawn and disbursed to her without any adjustment and that she may be permitted to repay the amount of Rs. 378-11-0 in ten equal instalments from the month in which she finishes paying back the passage advance drawn by her (i.e. from September 1952). An adjustment bill for Rs. 315-13-0 is reported to have been forwarded to the Accountant-General, Madras by the Principal, Teachers' College, Saidapet.

I request the favour of early orders on the representation of Miss Cornelius, ~~the~~ as the Accountant-General, Madras is pressing for the recovery of the amount.

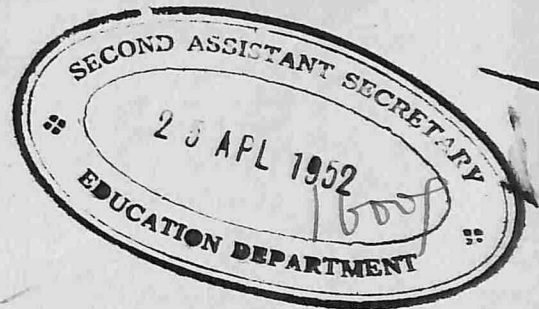

Yours faithfully,

Not recd With reference to the Principal's communication Rc.No. 79.B/51 dated 8-3-1952 regarding recovery of excess study allowance drawn by me in England (Rs. 378-11-0) I beg to request you to permit me to pay back this amount of Rs. 378-11-0 in ten equated instalments from the month I finish paying back the passage advance drawn by me in the next couple of months. I also request you to permit me to draw my leave salary for the period 10-7-1949 - 1-9-1949 amounting to Rs. 315-13-0 and not to adjust it towards the excess drawn in England as I have certain commitments to be met from this leave salary left unpaid as my pay is barely enough to meet every day expenses.

Not recd Ref: Rc.No. 561/C.2/50 dated 28-3-1952 of the Director of Public Instruction

Not recd I request to note from the above quoted reference that my request to pay back the amount in ten equated instalments has been ~~tuned~~ down. The leave salary due to me has no bearing to the excess of study allowance paid to me due to a wrong order of the Accountant-General. As I was sure of getting my leave salary I took a loan as soon as I arrived in India to meet the expenses. This amount has to be paid in a lump sum and hence I made this request. The Government has always permitted me to make such easy repayments before and I am surprised to find that this request has been ~~tuned~~ down now. Any adjustments or deductions to be made from my pay to discharge the loan would mean starvation. Further, I have sustained heavy losses due to typhoid and two robberies.

I would therefore request you to kindly recommend my request to the Accountant-General.

Teachers' College, Saidapet.

Sir,

In G.O.M.S. No. 3250 dated 7th December 1950 you were pleased to sanction that only 1/4 th of excess study allowance overpaid to me in England should be recovered from me. On 18th April 1951 I submitted a further appeal to waive this 25% as well, as I had not materially ~~any~~ benefit by going abroad whereas the Govt. ~~has~~ are making use of my services as Assistant lecturer without in any way improving my status. As till date the reply from you was pending the recovery was left ~~pending~~ ^{unaffected}. However, on 18-3-52 in Re. No. 79/84 51 the Principal has ordered that my leave salary for the period June 1949-Sep 1949 - an amount of Rs 315 will be fully adjusted to this amount and the balance of Rs 62-14-0 will be recovered from me in three equated instalments. I appealed to the Director fully stating my difficulties and requested him that the excess paid to me may be recovered in ten equated instalments beginning from the month I finish repayments in the next couple of ~~months~~ ^{months} and the leave salary which has nothing to do with this excess ~~has~~ paid to me and which should have been drawn and disbursed much earlier in the normal course of events, be paid to me to repay a ~~an~~ interest bearing loan taken on the understanding I will pay back the loan as soon as this leave salary comes in. The Director however has refused to consider my case. in R.C No. 56 E/2/50 dated 18-3-52 and 28-3-52. ^{paid}

² As this amount concerns repayment of excess to me in England, I ~~again~~ once again appeal to you to reconsider my case and to waive my paying back this amount - an amount of very small significance to Govt. but causing real hardship to an officer who gets a basic pay of Rs 200/-, hardly enough to keep up my status. If however this cannot be ~~done~~ ^{done} at least permit me to repay the ~~excess~~ ^{amount} in ten equated instalments and to draw my leave salary so as to enable me to keep up my promise. ~~xxxx~~ I assure you I am not unnecessarily putting up my case and perhaps ~~xxxx~~ would not have minded the order had it been not for my having spent all my savings in travelling in Europe, working under distinguished professors in Holland without any financial help from Govt. ~~and on arrival~~ and later on arrival, lost the little ^{left} in two subsequent house breakings, and also due to frequent ill health like typhoid, not to say anything of the high cost of leaving and the additional expenses incurred in travelling from Edward Elliot Road to Saidapet.

³ I therefore request you to kindly ~~xxxx~~ consider my hard case and pass favourable orders

I remain,
yours faithfully,

L. A. Cornelius

Finance may see for acceptance. The D.S.I. has not specifically recommended Kumari Cornelius' request but it seems only reasonable to give her time to repay the amount in instalments.
