Copy of letter RC.228-L.21/50 dated 7th August 1950 of the Principal,
College of Engineering, Guindy to the Director of Public Instruction,
Madras.

In Proceedings RC.No.2416-G/39 dated 9-2-1940 communicating
G.O.Ms.No.152 E.P.H., dated 29-1-1940 sanction was accorded for printing
3,000 copies of "College of Engineering Manual on Irrigation by Col.Ellis
as per requirements then anticipated in this office letter R.C.459/39
dated 13-10-1939.

2. Since then the demand for the above copies from private
and Government bodies are numerous. Further the other three Engineering
Colleges

2

Colleges at Kakinada, Anantapur and Coimbatore have to be supplied with the copies. The Chief Engineer, Public Works Department, has since asked for 600 copies for his department. It is, therefore, estimated that 5,000 copies are necessary to meet the present contingency.

The Superintendent, Government Press, who was addressed in this Office letter RC.No.203-L.21/50 dated 12-7-1950 to strike and supply clean copies under the circumstances requires the authority for enhancing the number of copies.

It is, therefore, requested that necessary sanction may please be obtained from Government for printing of 5,000 copies to cope with the present need.
