Although it is expected that the Rural colleges should make use of the furniture belonging to the institutions where the college sessions are held, in the circumstances reported by the Women Welfare Officer, I request that the Government may be pleased to accord sanction for the purchase of furniture at a cost not exceeding Rs. 503-8-0 for each of the Government Rural Colleges for Women.

SUB: RURAL colleges for adult women--Waltair, Tanjore and Kozhikode--supply of furniture, black board etc.

REF: Your proceedings No. 307 S.1/50 dated 7-6-50.

In my letter No. 76 G/49 dated 22-4-50, I requested you to sanction the supply of furniture and equipment mentioned therein for the above rural colleges. In reply to that you have requested the Divisional Inspectors and Inspectresses concerned if they could spare any furniture for the rural colleges. So far only a few items of furniture were ordered to be transferred for the colleges at Calicut and Waltair in your proceedings No. 592 S.2/50 dated 2-8-50 and No. 592 S.2/50 dated 25-8-50 respectively.

The colleges are handicapped for want of adequate supply of furniture. The Assistant Women's Welfare Officer, Tanjore and South Arcot Districts writes in her letter dated 11-9-50 that she is not able to get a black board for the use of the rural college therefrom the Government Training Institute for women, Tanjore, though the rural college is within the premises of the Training Institute. She reports that even the class room in the Training Institute is invariably refused for conducting the classes of the rural college. Hence the classes are forced to be held in the branch office portion within the compound where there is no black board and necessary furniture. She therefore requests immediately sanction to purchase a black board for the college there.

In the circumstances, I request you to kindly arrange the supply of necessary furniture already applied for and sanction the purchase of a black board for the rural college at Tanjore.
