Ref:- Letter dated 17-7-50 from the Trustee Dr. Alagappa
Chettiar College endowment trust

SPARE COPIES

The conversion of the Board Girls school at Kottaiyur
into a middle school was sanctioned by the Board in its
resolution No. 136 dated 11-5-49 accepting the offer of
Dr. Alagappa Chettiar with certain conditions. (Copy enclosed)

According to the conditions, he has to pay a lump
sum contribution of Rs. 10,000/- for converting the girls
school into a middle school. The Girls school was
converted into a middle school on 3-8-1949 as sanctioned
by the Director of Public Instruction, Madras in his
proceedings Rc. No. 1336 G. 2. 49 dated 13-6-49. So far
he has paid Rs. 5000/- only towards provision for equip-
ment as per condition 9 accepted by the Board. As per
condition No. 1 the lump sum contribution of Rs. 10,000/-
has not yet been paid so far in spite of a D.O. letter
dated 15-3-50 sent to Dr. Alagappa Chettiar.

Now the Trustee of Dr. Alagappa Chettiar College
endowment has addressed the Director of Public Instruction
Madras to take over the management of the Board Girls Middle
school Kottaiyur under the control of Government.

In the above circumstances, I request that the Board
middle school Kottaiyur may be taken over by Government for
maintenance early in the circumstances stated above and also
as requested by the Trustee of Dr. Alagappa Chettiar College
endowment.

Ref:-Government Endorsement No.25875 B/50-1Edn.dt.6/9/50 forwarding for remarks the letter Roc.No.A.4. 18194/50 of 24-8-50 from the President District Board, Ramnad.

Resubmitted.

2. The present Form-War Strength of the school is furnished below:-

Form I 16
Form II 13
III 10

Total ... 39

The Strength is very low and far from economic. The accommodation and equipment, provided for the school are inadequate and unsuitable. The school is reported to be located in a portion of a dwelling house, consisting of a number of very small rooms, which are not at all suitable for class-room purposes. It is reported that in the whole building there is not even a single class-room of suitable dimensions. Thus the general condition of the school is far from satisfactory.

3. A copy of the letter from the Dr. Alagappa Chettiar Endowment Trust dt. 17/7/50 referred to in the penultimate para of the letter of the President District Board requesting that the management of the school may be taken over by Government, is enclosed, for the information of Government. In this letter no mention has been made regarding the non-payment, by the Trust, of the promised lump sum contribution of Rs.10,000/-

4. The District Board opened the school during 1949-50 in the hope that large amounts will be made available to the Board, by the Dr. Alagappa Chettiar college Endowment Trust, towards the maintenance of the school. Now that the promised contribution is not readily forthcoming the District Board wants to divest itself of the responsibility of running the school, and requests that the management of the school be taken over by the Government.

5. As pointed out in para 2 above, the general condition of the school is quite unsatisfactory and its strength very uneconomic. The Government cannot take over the management of such a school when they themselves are considering the transfer, to private agencies, of the management of some of their own schools which are having uneconomic strength. The proposal of the District Board to hand over the management of the school to government need not therefore be accepted.

6. It may also be pointed out, that apart from the fact the Trust has not so far paid the contribution promised by them, the President District Board, has not stated what exactly is the nature of the difficulty experienced in continuing the school under the Board Management.

Re:-Request to take over the Girls' Middle school,
Kottaiyur, under Government control.

Since the District Board, Ramnad, is unable to improve
the Girls' Middle School, Kottaiyur, due to adverse financial
position, I request the Director of Public Instruction to take
over the same, now maintained by the District Board, and thus
enable the village to get maximum benefit out of this
institution and also raise it to a High School at a very early
date.

2. The President, District Board, Ramnad, also told me
that he would be writing to you in this connection. I am also
sending a copy of this letter to him. Out of the present
very spacious building endowed to the District Board, two-thirds
may be allotted to the Middle-School cum High School, and
the remaining one-third to the Elementary School for Boys.
